*After Dark* Jose Manuel A. Santos,2023-11-04 The night caretaker in a local cemetery became witness to a horrifying event The body of a mutilated woman fell from the sky The caretaker investigates only to be terrified by childish laughter from the woods that bordered the cemetery In his terror ran for his life ending up in the custody of the local police station The case fell upon the lap of Senior Inspector Manny Panganiban who was puzzled by the case and suspected that the man in custody may both be the witness and the culprit The only thing that troubled him was the absence of blood Thus ordered PO1 Eunice Salve to research the same MO or anything that can shed light upon the unique nature of the case She came upon an article by a certain Dr Javier that she assumed can help in the investigation A meeting with Javier revealed certain aspects about the community that was not common knowledge About similar mutilations in the past all unsolved and about a house that everyone seems to have forgotten Then people began to disappear Ghostly manifestations occurred And there is the deaf mute that grew up in the fringes of society distrusting people and their good intentions until he met Jennifer The illusory feelings he had for her was shattered and he withdrew from society Alone and close to death he was saved by a malevolent creature that offered him life only to find out that not all second chances are worth taking With things getting out of hand and with the approach of a typhoon Panganiban Salve and Javier along with others banded together to solve the mystery find the abductees and put the case to rest Unaware that they were about to clash with dark forces that had roamed the land for centuries and to a showdown beneath the bowels of an old house that nobody knew existed Some will die some will survive others will find redemption and renewal

*Relight My Fire* C. K. McDonnell, 2024-01-25 Reviewers love *Relight My Fire* Transgressively hilarious Of course there's a story that the intrepid journalists of *The Stranger Times* have to tease out but the real joy lies in the pitfalls and pratfalls of getting there DAILY MAIL An absolute riot of a read DAILY EXPRESS Laugh out loud funny DAILY MIRROR I loved the dry and embedded humour of this book it's the stuff of life SFCROSWNEST Some comebacks can be murder Stella is enjoying life as an almost student or at least she is until a man falls from the sky right in front of her leaving a big old hole in the pavement for Manchester Council to fill The obvious question of how he ended up in the sky in the first place has no obvious answers which is where *The Stranger Times* come in This isn't just the hunt for another story though Dark powers think Stella might have been involved and the only way she and the team can prove her innocence is to find out what the hell is really going on What have dodgy gear disturbed graves and a decommissioned rock star got to do with all this Vincent Banecroft has problems of his own in the form of a tall dark but definitely not handsome man dressed like a one man funeral who has been sent to make the paper's editor atone for his sins Once he finds out exactly what that entails Banecroft is not keen Being banished to a Hellscape for all eternity looks like being no fun at all not least because he has that pale Irish skin that burns really easily All that plus territorial ghouls homicidal felines eternal and seemingly unstoppable gnomes and a celebrity Who's Who that'd put a royal wedding to shame and you're looking at a wild few days for *The Stranger Times* *Relight My Fire* is the fourth adventure in the acclaimed and brilliantly funny *Stranger Times* series
