he proposes may have their roots in societies of the distant past which would ritually sacrifice their kings to renew the tribe In The World of Myth David Leeming takes us on a journey not through a maze of falsehood but through a marvellous world of metaphor metaphor for the story of the relationship between the known and the unknown both around us and within us Fantastic tragic bizarre sometimes funny the myths he presents speak of the most fundamental human experience a part of what Joseph Campbell called the wonderful song of the soul s high adventure **Earth Tales from around the World**
