Retreat To Victory:

Retreat to Victory? Robert G. Tanner, 2001 Did Confederate armies attack too often for their own good during the Civil War Was the relentless sometimes costly effort to preserve territory a blunder These questions about Confederate strategy have dogged historians since Appomattox Many have come to believe that the South might have won the Civil War if it had only avoided head on battles conducted an aggressive guerrilla campaign and manoeuvred across wide swaths of territory This volume offers a consideration of this widely held theory *Retreat to Victory* Allan Andrew Michie, 1942 **the retreat to victory** John Terraine, 1960 **Dunkirk** Julian Thompson, 2015 Describes the events surrounding the Battle of Dunkirk and the rescue of British troops from the beaches of Dunkirk during World War II **America's Retreat from Victory: The Story of George Catlett Marshall** Joseph R. McCarthy, 1954 **America's Retreat from Victory** Joseph R. McCarthy, 1952 **Retreat to Victory** Edward L. Field, 1991-01-01 **Dunkirk** Julian Thompson, 2017-06-29 In May 1940 the small British Expeditionary Force was sent to help the Belgians and French hold back the German army When the Germans invaded the BEF found themselves in mortal danger thanks to the collapse of the French army on one flank and the Belgian on another Ill equipped and under trained they nevertheless fought hard for three weeks conducting a successful fighting withdrawal in the face of a formidable foe Drawing on previously unpublished and rare material Julian Thompson recreates the action from the misunderstandings between the British and French generals to the experiences of the ordinary soldier He describes the fighting inland and takes us onto Dunkirk harbour and the beaches as the Royal Navy raced against time to bring the British soldiers home A masterly work of military history Dunkirk Retreat to Victory is also a tribute to the soldiers whose courage and self belief sustained them through their darkest hours *Mons* John Terraine, 2010-01-30 The Battle of Mons takes its place in the history of the British army beside Corunna and Dunkirk Initially all three were defeats saved from disaster by the courage of the soldiers and the skill of some of the commanders in the field and paving the way to great feats of arms and final success In the context of the whole of the First World War Mons was a small scale affair comparatively short in duration involving divisions rather than armies and resulting in casualties that were light indeed by the standard of later battles of attrition But especially from the British viewpoint its importance was crucial partly because it was the first time for close on a hundred years that a British Army had been engaged in warfare on the continent of Europe and partly because that army passed straight from the dejection of defeat to the exhilaration of the Battle of the Marne one of the decisive battles of the War *Retreat to Victory In 1915* Nancy Cramer, 2020-05-11 THE STORY OF SERBIAN ARMY S RETREAT IN 1915 FROM THE CENTRAL POWERS THEY WENT TO SALONIKA IN 1916 AND WERE VICTORIOUS SAVING THEIR COUNTRY AND ARMY *Dunkirk* Julian Thompson, 2009 *Retreat to Victory In 1915* nancy cramer, 2017-02-19 The story of the Serbian army s courageous retreat in 1915 in WW I **America's Retreat from Victory** Joseph R. McCarthy, 1955 **Victory in Defeat** Stanley Washburn, 1916 **America's retreat from victory** Joseph R. McCarthy
