## **Retreat With Benedict And Bernard:**

A Retreat with Benedict and Bernard Linus Mundy, 1998 Benedict of Nursia hungered for a better way to God and lived that example with his Rule Six hundred years later Bernard of Clairvaux appeared on the scene to return Western monasticism to its roots Both Benedict and Bernard challenge seekers to reduce the God and us relationship to its essence just as Christ's gospel dictates by way of love pure and simple Available now **Erasmus and the Middle Ages** István Bejczy, 2001-08-06 The aim of this book is to examine Erasmus' attitude toward the medieval past and to relate it to his historical consciousness More than any other Renaissance humanist Erasmus was committed to the goal of building an alternative to medieval civilisation In his view the restoration and study of ancient pagan and Christian literature would result in an elevation of cultural and intellectual as well as moral and spiritual standards Yet these very assumptions appear to be challenged by Erasmus' specific observations on the course of history up to his own day The present study is the first to show a fault line between the basic ideas of Erasmus' Christian humanism and his view of the actual development of humanity through the ages *Reaching for God* Roberta Werner, 2013 *Reaching for God* is a compendium of Benedictine life and prayer for oblates It brings together in one volume the essence of Benedictine spirituality its history its relevance through the ages and in the present and a summary of the most fundamental gifts and values it offers for living a meaningful life Here the meaning and purpose of the oblate way of life is explained in a clear and encouraging way Werner offers guidance and examples of prayer to enrich any spiritual life Sister Roberta Werner OSB having worked as a teacher caregiver and educational administrator is now the assistant oblate director at St Benedict's Monastery in St Joseph Minnesota In this role she guides an oblate discussion group contributes to oblate newsletter publications has set up an oblate library and makes the spiritual journey with the many oblates who connect with her and with the monastery in their search for God

**Collected Works of Erasmus** Desiderius Erasmus, 1989-01-01 This is the first of five volumes to appear in the section of the CWE devoted to Erasmus' spiritualia works of spirituality that include such aspects of religion as piety theology and the practice of ministry The volume begins with an introductory essay that provides the first comprehensive review of the content sources and style of Erasmus' many works dealing with piety *Monasticism in late medieval England, c.1300-1535*, 2013-01-01 *Monasticism in late medieval England c. 1300-1535* provides the first collection of translated sources on this subject The volume covers both male and female houses of all orders and sizes and offers a range of new perspectives on the character and reputation of English monasteries in the later middle ages The first section surveys the internal affairs of English monasteries including recruitment the monastic economy standards of observance and learning The second part looks at the relations between monasteries and the world exploring the monastic contribution to late medieval religion and society and lay attitudes towards monks and nuns in the years leading up to the Dissolution This book is an ideal introduction to this topic for students and scholars Supported by an extended and accessible introduction this collection of documents

gives an unrivalled insight into the last phase of monastic life in medieval England      *Correspondence of Erasmus*  
Desiderius Erasmus, 1980-12-01 This volume covers a number of significant events and issues in Erasmus life and in the history of his times He travels on horseback from Louvain to Basel to assist his publisher and friend Johann Froben during the crucial phases in the production of his revised New Testament the edition that he feels will be his lasting contribution to the scholarly foundations of the Christian faith Once it is in the hands of the public he feels he will be able to face the approach of old age more calmly On the return journey to Louvain he falls gravely ill from what is diagnosed as bubonic plague but recovers in a month and convalesces in the home of another publisher friend Dirk Martens International politics continue to capture his attention Requests for funds in support of a papal crusade against the Turks arouse the flames of German national sentiment With the death of Maximilian I friends of Erasmus such as Richard Pace Ulrich von Hutten and Guillaume Bud are involved in diplomatic negotiations concerning the imperial succession When Prince Ferdinand arrives from Spain and requires a tutor the question of Erasmus own return to active court duties is raised After the appearance of Luther s Ninety five Theses on indulgences purgatory and papal authority the question arises among conservatives whether Erasmus work too is a threat to the traditional ways of the church and society For the time being Erasmus is prepared to commend Luther and defend the latter s right to be critical of the church Erasmus overriding conviction at this point is that he and Luther are both part of the great intellectual and spiritual renewal that is taking place in so many parts of Europe As Luther s appearance lends a new kind of spiritual and patriotic vigour to German humanism the cult of Erasmus Erasmus the fellow German becomes an integral part of that new enthusiasm with Saxony and its elector Frederick the Wise at its center
