Return Of God:

Return to God Denise Robinett, 2023-12-26 The headlines are depressing The information we need to make sound decisions or choose political leaders or even understand the weather is often biased and peppered with propaganda Our institutions have failed Families are under attack from every angle and children are offered up on the altar of narcissism and woke culture Our country is being invaded at the southern border Americans are dying from suicide drugs man made viruses and lawlessness while lying and censorship has invaded the public discourse needed to address these fatalities America has seen better days Hope for a return to sanity is fading fast Every American has an interest in the health and welfare of our country but Christians are called to a higher standard than self interest Christians are called to respond to darkness with God s truth prayer and loving actions Disciples of Jesus are commanded to love God and love others and in keeping with this command Christians have a duty to intercede for America Is it too late to ask God to heal America Do we know how to return to God Will God hear us How do we know what to do when many woke churches have joined the enemy This is a practical book about how to return to God It was written after years of praying and fasting for insight into the divine prescription for a terminally ill nation If you want to follow Jesus s example and if you are tired of watching evil win this book shows you how to return to God in the way he prescribes Based on the three actions of Revelation 1 3 reading hearing and heeding the book is a map for Christians called to partner with God during this time of growing apostasy Unapologetically calling out sin and rebellion this book provides step by step guidance for reclaiming your Christian life and helping your family church and nation the way God directed it centuries ago This book is both a scriptural based commentary and a Bible study to guide individuals families and churches in petitioning God to save a dying country

Enacting Atonement Roy McDaniel, 2025-11-04 Discover the story of salvation in Christ through Levitical rituals Atonement lies at the heart of the Christian faith In Christ s

work of atonement we are reconciled to God enabled to draw near to him and can see his glory Through studying the Levitical burnt offering Roy McDaniel takes readers on a deep exploration of Leviticus 11:9 in this thought provoking volume part of the Studies in Christian Doctrine and Scripture series from IVP Academic Using elements of narrative analysis like setting plot and hero McDaniel shows how the Levitical burnt offering is a ritual recapitulation of the narrative of Israel's election and deliverance as depicted in Genesis and Exodus and how in doing so it proclaims the atoning work of Christ At the heart of this work lies the logic of atonement present in the Levitical burnt offering an idea that contributes to the doctrine of atonement by demonstrating how Christ's incarnate sacrifice is rooted in his eternal identity as God the Son In Enacting Atonement Roy McDaniel Provides a coherent account of atonement centered on the eternal identity of the Son Shows how Levitical sacrifice can inform the church's doctrine of atonement by modeling a careful theological exegesis of Leviticus and Explores questions about the meaning of sacrifice and its relationship to the being and attributes of God Whether you're a scholar student pastor theologian or a layperson seeking deeper understanding Enacting Atonement invites you to uncover the rich tapestry of God's redemptive narrative in the Levitical ritual
