Cape Cod William Martin, 2012-06-01 NEW YORK TIMES BESTSELLER Engrossing entertaining the perfect book to take to the beach Boston Herald Two families both carried by the Mayflower across stormy seas both destined to generations of proud leadership shameful intrigue and passion for the sandy crest of land that became their heritage This is the story of the Bigelow and Hilyard clans from their first years on America's shores through the fury of her wars and the glory of her triumphs to our own time when young Geoff Hilyard must fight to save both his marriage to a Bigelow heir and the windswept coast he loves It is a struggle that will take him deep into the past to a centuries old feud that never died And on a dangerous quest for a priceless relic of American history that has lain hidden in the Cape for over two hundred years

Return of the Osprey David Gessner,2025-10-15 A memoir tribute to a once endangered species and natural history Return of the Osprey recounts the many discoveries David Gessner made when he immersed himself for an entire nesting season in the lives of the ospreys that had returned to his seagirt corner of Cape Cod The osprey hailed by Roger Tory Peterson as the symbol of the New England coast all but vanished during the 1950s and 60s because of the ravages of DDT In the next few decades however the birds returned slowly at first and then in a rush Writing with passion humor and a reverence for the natural world Gessner interweaves the stories of the nesting osprey pairs he observed with his own readjustment to life on the windblown beautiful and increasingly developed landscape he had known as a child With a new preface from Gessner and foreword by Helen Macdonald Return of the Osprey celebrates one of nature s most remarkable creatures as well as our own limitless capacity for wonder
