Return to Terror Cove Paul Buchanan,2001-02-01 The Heebie Jeebies series are easy to read tales for kids They re good clean scary fun that affirms the presence and power of God      *Return to Terror Cove* Paul Buchanan,2001 After seeing a bad horror movie filmed years ago in the coastal town where his father is the lighthouse keeper thirteen year old Danny suspects that a sea monster has returned in real life to recreate the events of the film      Return to Bloodmoon Manor Karen Wiesner,2017-07-04 Back into the mouth of hell Daniel and Hannah Reynolds are newly married with their first child on the way when a notice comes from a lawyer saying that the remaining member of the Bonavaris clan has died and willed Bloodmoon Manor and all its possessions to Hannah her former maid and cook While Hannah can t fathom the reason for the bequest the notion of selling the manor and the valuable items inside it begins to grow inside her like an obsession She and Daniel have begun their married life with little more than outstanding debts from his medical education debts that come due around the same time as the birth of their baby After a lifetime of poverty Hannah refuses to allow her child to face the kind of scavenging hand to mouth existence that had led to her employment at the horrible Bloodmoon Manor in the first place Unable to convince his beloved wife to forget about returning to Bloodmoon Cove to secure a future for their family Daniel has no choice but to follow her into what he aptly calls the mouth of hell a place Hannah just barely escaped with her life last time Daniel s worst fears are justified when the doors of Bloodmoon Manor slam shut behind them They ve been lured here deliberately and the horrors that haunt the dark evil manor aren t willing to let Hannah leave ever again      **Tracking the Franklin Expedition of 1845** Stephen Zorn,2023-08-29 The Franklin Northwest Passage Expedition of 1845 is perhaps the greatest disaster in the history of exploration all 129 men vanished as did the expedition s two ships HMS Erebus and Terror Over the next 150 years searchers found bones clothing and a variety of relics Inuit narratives provided some of the details of what happened to the frozen starving sailors after they deserted their ice locked ships in 1848 Then in 2014 and 2016 Canadian researchers found the sunken wrecks not far from the bleak windswept King William Island in the Arctic At last the mystery of the Franklin Expedition would be solved Or would it This book pulls together the various searchers discoveries the many recent scientific studies that shed light on when how and why the men died and whether in extremis they ate each other and illuminates what we know and what we don t and may never know about the fate of the expedition      **Icebound In The Arctic** Michael Smith,2021-04-12 Captain Francis Crozier was a major figure in 19th century Arctic and Antarctic exploration who led the doomed Franklin Expedition s battle to survive against the odds It is a compelling story which refuses to be laid to rest and recent discovery of his lost ships above the Arctic Circle gives it a new urgency The ships may hold vital clues to how two navy vessels and 129 men disappeared 170 years ago and why Crozier in command after Franklin s early death left the only written clue to the biggest disaster in Polar history Drawn from historic records and modern revelations this is the only comprehensive account of Crozier s extraordinary life It is a tale of a great explorer a lost love

affair and an enduring mystery Crozier's epic story began comfortably in Banbridge Co Down and involved six gruelling expeditions on three of the 19th century's great endeavours navigating the North West Passage reaching the North Pole and mapping Antarctica But it ended in disaster      **Piranha Picnic** Rod Randall,2001 Thirteen year old Nick calls upon God when he investigates a possible infestation of his neighborhood river by deadly flesh eating piranha      *The King of Mysteries* A. G. Feather,1891      *American Book Publishing Record* ,2001      *Children's Books in Print*, 2007 ,2006

**Plotting in Pirate Seas** Francis Rolt-Wheeler,2015-10-19 Set sail for adventure A magnificent swashbuckling story of a grander more adventurous time Often though the boy had visited the island he had never been able to escape a sensation of fear at that summons of the devotees of Voodoo Tonight with the mysterious disappearance of his father weighing heavily on his spirits the roll of the black goatskin drum seemed to mock him      **The Owls' House** Crosbie Garstin,1924 The Owls House stood in a valley in West Cornwall It belonged to a prosperous farmer John Penhale who lived there with his gipsy wife and his two sons Ortho who is wild unreliable and attractive and Eli who is quiet good and stolid All the excitement happens to Ortho He runs away from school to join the gipsies he becomes a smuggler is captured by pirates sold as a slave in Morocco and rises to be a famous soldier in the army of the Sultan But hair raising and outrageous as many of his adventures are Crosbie Garstin has made them seem believable Page 1      **Epic Journeys of Freedom** Cassandra Pybus,2006 During the American Revolution thousands of slaves fled their masters to find freedom with the British Epic Journeys of Freedom is the story of these runaways and the lives they made on four continents Having emancipated themselves with the rhetoric about the inalienable rights of free men ringing in their ears these men and women struggled tenaciously to make liberty a reality in their own lives BOOK JACKET      **The Wonders of the Arctic World** Epes Sargent,William H. Cunningham,1873 History of exploration particularly North American arctic and search for North west Passage Section on Hall's Polaris expedition p 568 651 contains lengthy extracts from diary of John Harron steward of Polaris      **Polar Pioneers** M. Ross,1994-11-16 In 1818 John Ross led an expedition to search for the Northwest Passage He got as far as Baffin Bay but when he reached the only practicable entrance to the passage he declared it to be no more than a bay enclosed by mountains In subsequent years he was widely derided for that error and carried the scars of public and professional humiliation for the rest of his life In 1829 he mounted a private expedition to search for the passage during which he became trapped in the Canadian Arctic and survived a four year ordeal of isolation and hardship He proved that whatever his shortcomings as an explorer he could never be accused of lacking courage James Clark Ross was one of the most experienced and respected explorers of his day He led or took part in eight expeditions to the Arctic including John Ross 1818 and 1829 expeditions and three with the great explorer William Edward Parry He also led a highly successful scientific expedition to the Antarctic in 1839 43 His many important discoveries included locating the North Magnetic Pole and he ensured the presence of the Ross family name throughout both polar regions Ross Island Ross Ice Shelf and Ross Sea in the Antarctic James Ross Strait Ross
