## **Return Of The Great Goddess:**

Return of the Great Goddess Burleigh Mutén,1994-11-30 An inspirational illustrated book for the goddess in every woman     **The Future in the Stars** Alison Chester-Lambert,2010-09-01 Predicting changes and trends for the future this fascinating exploration debunks the myths surrounding 2012 to provide a logical and spiritual theory Wild claims and bad astronomy have fuelled a doomsday sensation about that energetic and special year yet little or none is mentioned about the key planets sending the messages Pluto Chiron Cere Makemake Eris and Sedna as well as some newly discovered planets This resource delves deep into these important astrological beings to reveal what will really happen in 2012 and how the gods and goddess of these planets will help humanity navigate financial social and physical revolutions Part history scientific theory and spiritual insight this cutting edge contention provides an understanding not only of 2012 but also of the transformations that will follow     Living In The Lap of Goddess Cynthia Eller,1995-12-20 A fascinating introduction to one of the fastest growing religious movements in the United States today Through interviews participant observation and analysis of movement literature Cynthia Eller explores what women who worship the goddess believe how they express those beliefs in private in public and in the political realm and the place of feminist spirituality in the history of American religion

*Goddesses* Burleigh Mutén,2003 Britomartis goddess of the moon was a clever active girl who loved to hunt with her bow and arrows Britomartis was sacred to fishermen hunters and sailors     **Dance and the Lived Body** Sondra Horton Fraleigh,1996-05-15 In her remarkable book Sondra Horton Fraleigh examines and describes dance through her consciousness of dance as an art through the experience of dancing and through the existential and phenomenological literature on the lived body She describes with performance photographs specific imagery in dance masterworks by Doris Humphrey Anna Sokolow Viola Farber Nina Weiner and Garth Fagan     *People and Places of Nature and Culture* Rod Giblett,2014-05-27 Using the rich and vital Australian Aboriginal understanding of country as a model *People and Places of Nature and Culture* affirms the importance of a sustainable relationship between nature and culture While current thought includes the mistaken notion perpetuated by natural history ecology and political economy that humans have a mastery over the Earth this book demonstrates the problems inherent in this view In the current age of climate change this is an important appraisal of the relationship between nature and culture and a projection of what needs to change if we want to achieve environmental stability     ,     **The Return of the Feminine and the World Soul** Llewellyn Vaughan-Lee,2009-11-01 The feminine holds the mystery of creation This simple and primordial truth is often overlooked but at this time of global crisis which also carries the seeds of a global transformation we need to reawaken to the spiritual power and potential of the feminine Feminine qualities belong to both men and women and they draw us into the depths within us into the mysteries of the soul whose wisdom is called Sophia Without the feminine nothing new can be born nothing new can come into existence we will remain caught in the materialistic images of life that are polluting our planet and desecrating our souls We need to

return to the core of our being to where the sacred comes into existence And the mystical feminine holds the key to this work of redemption and transformation Over the past two decades Llewellyn Vaughan Lee has given different teachings on the feminine and the anima mundi the World Soul They are compiled here for the first time Llewellyn Vaughan Lee presents us with a clear picture of the Feminine which is now essential to building a new vision and value for our dear planet earth

MARION WOODMAN Ph D Jungian Analyst and author This book is the work of an alchemist a vitally important contribution to the Great Work of rescuing the human soul from the darkness that currently shrouds it In this dangerous transitional time where ignorance confusion and cruelty abound its theme of the need for us to recover and comprehend the Feminine is of absolute and urgent relevance Few people are able to define and evoke the Feminine in the way that Llewellyn Vaughan Lee does in poetic and beautiful prose he speaks directly from his soul to ours acting as advocate for the longing of the anima mundi the World Soul to be welcomed once again into our lives and our culture He knows that this is the time of humanity s awakening each one of us participates in the mystery of the light hidden within us and within all nature that is being awakened For exploring this mystery so directly and deeply and with such insight he deserves our deepest gratitude Women and men alike will welcome and treasure this book

ANNE BARING co author The Myth of the Goddess Evolution of an Image and The Dream of the Cosmos A Quest for the Soul

**Love** Simon May,2019-03-28 What is love s real intent Why can love be so ruthlessly selective How is it related to sex beauty and goodness And is the child now the supreme object of love In addressing these questions Simon May develops a radically new understanding of love as the emotion we feel towards whomever or whatever we experience as grounding our life as offering us a possibility of home in a world that we supremely value He sees love as motivated by a promise of ontological rootedness rather than as two thousand years of tradition variously asserts by beauty or goodness by a search for wholeness by virtue by sexual or reproductive desire by compassion or altruism or empathy or in one of today s dominant views by no qualities at all of the loved one After arguing that such founding Western myths as the Odyssey and Abraham s call by God to Canaan in the Bible powerfully exemplify his new conception of love May goes on to re examine the relation of love to beauty sex and goodness in the light of this conception offering among other things a novel theory of beauty and suggesting against Plato that we can love others for their ugliness while also seeing them as beautiful Finally he proposes that in the Western world romantic love is gradually giving way to parental love as the most valued form of love namely the love without which one s life is not deemed complete or truly flourishing May explains why childhood has become sacred and excellence in parenting a paramount ideal as well as a litmus test of society s moral health In doing so he argues that the child is the first genuinely modern supreme object of love the first to fully reflect what Nietzsche called the death of God Readers will find Love Excitingly new yet immediately recognizable that s the paradox at the very heart of love and it is what Simon May has achieved Los Angeles Review of Books

*Dictionary of All Scriptures and Myths* G. A. Gaskell,2012-04-01

**Stories of the Goddess** Marit Clementz,Ingvild

Forbord,2024-05-14 The well known archaeologist Marija Gimbutas found through her excavations and research in Europe from prehistoric times that there have been societies that lived in peace for millennia and where the highest deity was feminine Gimbutas believed women played a central role in the religions and society of what she called ancient Europe In societies where the goddess was the supreme deity life was celebrated not death and men and women were equal People lived in harmony with nature and built their cities on fertile plains The knowledge of a possible peaceful society where the goddess ruled and where the union between man and woman was sacred has made women and men believe that a better world is possible On this background Clementz and Forbord try to find traces of the Great Goddess in symbolism that recurs in myths and fairy tales The book reproduces a selection of these and sheds new light on them with the help of religious historical theory We join the goddess Inanna to the underworld hear the legend of Kuan Yin follow the tracks of the black Madonnas investigate the Grail mysteries look into the Great Goddess of the North and see fairy tales about true love in a new light The interested reader can look forward to many moments of realization in the company of the authors and their interpretations of known and unknown myths and fairy tales all from a female perspective Ingvild Forbord is a teacher with a major in the history of religion Marit Clementz is a teacher and professional storyteller Together they run the Women s Academy which organizes workshops and travels related to the themes in this book They have an online course called Eve s Apples and lead Wise Women Circles online once a month

**Gilgamesh** John Gardner,2011-09-28 The story of Gilgamesh an ancient epic poem written on clay tablets in a cuneiform alphabet is as fascinating and moving as it is crucial to our ability to fathom the time and the place in which it was written Gardner s version restores the poetry of the text and the lyricism that is lost in the earlier almost scientific renderings The principal theme of the poem is a familiar one man s persistent and hopeless quest for immortality It tells of the heroic exploits of an ancient ruler of the walled city of Uruk named Gilgamesh Included in its story is an account of the Flood that predates the Biblical version by centuries Gilgamesh and his companion a wild man of the woods named Enkidu fight monsters and demonic powers in search of honor and lasting fame When Enkidu is put to death by the vengeful goddess Ishtar Gilgamesh travels to the underworld to find an answer to his grief and confront the question of mortality

*A Woman's I Ching* Diane Stein,2012-04-11 Finally a feminist interpretation of the popular ancient text for divining the character of events Stein s version reclaims the feminine or yin content of the ancient work and removes all oppressive language and imagery Her interpretation envisions a healing world in which women can explore different roles free from the shadow of patriarchy

**The Hero and the Perennial Journey Home in American Film** Susan Mackey-Kallis,2010-08-03 In contemporary America myths find expression primarily in film What s more many of the highest grossing American movies of the past several decades have been rooted in one of the most fundamental mythic narratives the hero quest Why is the hero quest so persistently renewed and retold In what ways does this universal myth manifest itself in American cinema And what is the significance of the popularity of these modern myths The Hero and the

Perennial Journey Home in American Film by Susan Mackey Kallis is an exploration of the appeal of films that recreate and reinterpret this mythic structure She closely analyzes such films as E T the Star Wars trilogy It s a Wonderful Life The Wizard of Oz The Lion King Field of Dreams The Piano Thelma and Louise and 2001 A Space Odyssey Elements of the quest mythology made popular by Joseph Campbell Homer s Odyssey the perennial philosophy of Aldous Huxley and Jungian psychology all contribute to the compelling interpretive framework in which Mackey Kallis crafts her study She argues that the purpose of the hero quest is not limited to the discovery of some boon or Holy Grail but also involves finding oneself and finding a home in the universe The home that is sought is simultaneously the literal home from which the hero sets out and the terminus of the personal growth he or she undergoes during the journey back Thus the quest Mackey Kallis asserts is an outward journey into the world of action and events which eventually requires a journey inward if the hero is to grow and ultimately necessitates a journey homeward if the hero is to understand the grail and share it with the culture at large Finally she examines the value of mythic criticism and addresses questions about myth currently being debated in the field of communication studies

*The Secrets of Hawthorne House* Donald Firesmith,2018-10-01 Fifteen year old Matt Mitchell was having the worst summer imaginable His misery started when his mother died in a senseless car accident Unable to remain in the family s memory filled seaside cottage Matt s grieving father moved Matt and his twin sister as far as possible from the ocean they loved But their relocation to the small town of Hawthorne Indiana only made Matt s life more difficult Three bullies at his new high school dedicated themselves to making him miserable To top it off Matt heard that the recluse living in the dilapidated Victorian mansion next door was none other than Old Lady Hawthorne the town s infamous witch and murderer of wayward husbands When Old Lady Hawthorne s niece and her three children moved in next door something extraordinary happened Matt met Gerallt the strange boy destined to become his best friend And when Gerallt divulged the Hawthorne s family secret it changed Matt s life forever *The Secrets of Hawthorne House* is the story of an unlikely friendship the clash of two radically different cultures secret magic and a search for the lost Hawthorne treasure
