RETURN OF THE GRUDSTONE GHOSTS

ARTHUR SLADE

Return Of The Grudstone Ghosts

L Towne

Return Of The Grudstone Ghosts:

The 1870 Ghost Dance Cora Alice Du Bois, 2007-01-01 The 1870 Ghost Dance was a significant but too often disregarded transformative historical movement with particular impact on the Native peoples of northern California The spiritual energies of this great wave as Peter Nabokov has called it have passed down to the present day among Native Californians some of whose contemporary individual and communal lives can be understood only in light of the dance and the complex religious developments inspired by it Cora Du Bois's historical study *The 1870 Ghost Dance* has remained an essential contribution to the ethnographic record of Native Californian cultures for seven decades yet is only now readily available for the first time Du Bois produced this pioneering work in the field of ethnohistory while still under the tutelage of anthropologist Alfred Louis Kroeber Her monograph informs our understanding of Kroeber's larger grand and crucial salvage ethnographic project in California its approach and style and also its limitations *The 1870 Ghost Dance* adds rich detail to our understanding of anthropology in California before World War II

The Runyaker's Journey Riley McLincha, 2014-02-05 The Runyaker's Journey is a story of two journeys The first the Horseshoe to Horseshoe Runyaking Expedition a solo adventure of paddling and running 1400 miles from Oxford MI to Niagara Falls ON The journey took fifty seven days over four summers using a 9 5 ft kayak he calls Swiftee Secondly it's the vehicle used to tell the Runyaker's life journey which is that of a true to life Forrest Gump like character a boy growing up in Little Chicago a run down rural area near Clio MI Despite having slim chances of succeeding he grows into a man that accomplished many remarkable things

Gothic Returns in Collins, Dickens, Zola, and Hitchcock E. Salotto, 2016-04-30 Looking at the gothic in Victorian fiction the development of cinema and Hitchcock's *Vertigo* this book explores the contained or repressed desires of both characters and plots which defy direct representation resulting in obsession fetishism and displacement engendering a novel account of the way in which the gothic becomes internalized

Things That Go Bump in the Night Louis C. Jones, 2019-11-01 *Things That Go Bump in the Night* first published in 1959 is a fascinating collection of some of the many ghost and haunted house stories and places of New York state Traditional folksy ghost stories collected by the author and his students while he was teaching at Cornell Some of these stories made me want to visit the places mentioned The author said that he didn't change any of the place names but he did change names of people so tracking down the particular stone house somewhere between Middleville and Norway becomes problematic since limestone was a popular building material in that area

A Blind Hog's Acorns Carey P. McCord, 1945

New Chinese Writing Luqin Wu, 1962 [Chinese Literature, Essays, Articles, Reviews](#), 1991 **Woodland Ghosts**

Gordon Punter, 2016-09-05 Does malevolence exist beyond the grave An extract from the diary of Eleanor Harmsworth governess at Waldegrave Hall dated Wednesday 11 October 1899 At first I was utterly transfixed but as I summoned the courage to move so the presence hurriedly glided past me and similar to a heated knife slicing through a block of cold butter went straight through the closed door of my bedchamber and disappeared If ever an event were created to determine the

mettle of an individual then exposing a person to a chilling spectacle such as this would surely test the nerve of any mortal In this extraordinary novel author Gordon Punter delivers a story about courage risk change and hope and a love that never dies

Geronimo and Sitting Bull Bill Markley,2021-05-01 2022 Will Rogers Medallion Award Silver Winner for Western Biographies and Memoirs Two Native American leaders who left a lasting legacy Geronimo and Sitting Bull Most Americans and many people worldwide have heard these two famous names Today however the general public knows little about the lives of these great leaders During the second half of the nineteenth century when they opposed white intrusion and expansion into their territories just the mention of their names could spark fear or anger After they surrendered to the army and lived in captivity they evoked curiosity and sympathy for the plight of the American Indian Author Bill Markley offers a thoughtful and entertaining examination of these legendary lives in this new joint biography of these two great leaders

Ghost Rock Andy Genereux,2003 Ghost Rock is a guide to sport and multi pitch rock climbs in the Ghost River and Waiparous Creek areas west of Calgary It gives detailed route descriptions along with chapter by chapter parking access and approach details By local standards the Ghost has climbing on above average rock Even with 200 new routes since the first edition it is still however woefully underdeveloped Already a mecca for ice climbers the Ghost is fast becoming one of the premier rockclimbing areas in Western Canada It is a virtual candy store of new routes and will remain so for some time to come Over 35 kilometres of steep cliff line coupled with its remote and relatively wild nature make for an unforgettable rock climbing experience

Reed's Beach Bret Lott,2013-06-18 Hugh and Laura Walker could never have anticipated that the single greatest source of joy in their lives could so suddenly fill them with such unrelenting grief The death of their only child seven year old Michael struck by a car just seconds after stepping off his school bus has left them stranded in a sea of sorrow With no emotional compass to guide them the Walkers retreat to an old cottage near Cape May New Jersey where separated from the daily reminders of their numbing loss they hope to reenter the world of the living But lurking just below their sanity and resolve are memories not only of the simple joy that Michael brought to their lives but also of the horror of his fatal accident Buffeted by the conflicting winds of mourning and renewal the Walkers see the once solid foundation of their marriage begin to loosen And Laura harbors a secret one essential to her self preservation but which could destroy all she and Hugh have ever been to each other Reed's Beach weaves domestic tragedy with a strikingly original thriller of the heart revealing the truths hidden deep within each of us while holding out the elusive promise of love and hope

We Are the Land Damon B. Akins,William J. Bauer Jr.,2021-04-20 A Native American rejoinder to Richard White and Jesse Amble White's California Exposures Kirkus Reviews Rewriting the history of California as Indigenous Before there was such a thing as California there were the People and the Land Manifest Destiny the Gold Rush and settler colonial society drew maps displaced Indigenous People and reshaped the land but they did not make California Rather the lives and legacies of the people native to the land shaped the creation of California We Are the Land is the first and most comprehensive text of its

kind centering the long history of California around the lives and legacies of the Indigenous people who shaped it Beginning with the ethnogenesis of California Indians *We Are the Land* recounts the centrality of the Native presence from before European colonization through statehood paying particularly close attention to the persistence and activism of California Indians in the late twentieth and early twenty first centuries The book deftly contextualizes the first encounters with Europeans Spanish missions Mexican secularization the devastation of the Gold Rush and statehood genocide efforts to reclaim land and the organization and activism for sovereignty that built today s casino economy A text designed to fill the glaring need for an accessible overview of California Indian history *We Are the Land* will be a core resource in a variety of classroom settings as well as for casual readers and policymakers interested in a history that centers the native experience

Musical Courier and Review of Recorded Music ,1918 **Proceedings [of The] Annual Business Meeting** State Historical Society of Wisconsin,1887 **The King of Illustrated Papers** ,1901 **The Power of the Memory Gene: The de Glidewyse story** Professor Victor Gladwish, C De M,2025-04-28 The Gladwish Legacy A Journey Through 1000 Years by Victor Gladwish is a captivating chronicle that delves into the fascinating family history of the Gladwish clan spanning an impressive millennium The book explores the rich and varied past of this remarkable family tracing its roots from humble beginnings to its rise as influential figures across generations says about the Gladwish Gladidish and Gladish family Worldwide Victor Gladwish meticulously uncovers key moments challenges triumphs and secrets that shaped the family s legacy over a thousand years The narrative begins with the founding patriarch and moves through the ages documenting the family s involvement in significant historical events social changes and cultural shifts The book is not merely a dry account of dates and facts it intertwines personal stories anecdotes and reflections giving readers a sense of the people behind the names Throughout the journey the Gladwish family endured wars economic upheavals and political changes yet remained resilient and united The book also touches on the emotional and philosophical aspects of what it means to be part of such a long and storied lineage Victor Gladwish s writing is both informative and personal making this book a rich blend of history genealogy and family pride The Gladwish Legacy is a tribute to the enduring spirit of family and heritage offering a unique perspective on how history can shape individuals and communities **A Garden of Marvels** Robert Ford Campany,2015-07-31 Between 300 and 600 C E Chinese writers compiled thousands of accounts of the strange and the extraordinary Some described weird spirits customs and flora and fauna in distant lands Some depicted individuals of unusual spiritual or moral achievement But most told of ordinary people s encounters with ghosts demons or gods sojourns in the land of the dead eerily significant dreams and uncannily accurate premonitions The selection of such stories presented here provides an alluring introduction to early medieval Chinese storytelling and opens a doorway to the enchanted world of thought culture and religious belief of that era Known as zhiguai or accounts of anomalies they convey a great deal about how people saw the cosmos and their place in it The tales were circulated because they were entertaining but also because

their compilers meant to document the mysterious workings of spirits the wonders of exotic places and the nature of the afterlife A collection of more than two hundred tales A Garden of Marvels offers an authoritative yet accessible introduction to zhiguai writings particularly those never before translated or adequately researched This volume will likely find its way to bedside tables as well as into classrooms and libraries just as collections of zhiguai did in early medieval times THE EPICS OF CHINA Rinchindorji,Lang Ying,2020-02-05 The Epics of China introduces selected epic traditions of China providing information about them insights into their literary traditions and theories concerning their origins historical development cultural context structure bards and audiences The book deals with both historical epics and contemporary living epic traditions Examples are drawn from several of China s fifty five official ethnic minority peoples focusing on epics from various historical or present day Mongol subgroups of North China most notably Tibetan and Kirgiz as well as epics from peoples of Southwest China such as the Zhuang Yi Miao Dong and Dai Several chapters deal too with the early Turkic epics that once circulated in parts of northern China and Central Asia On the whole the book s chapters are grouped into three sections early epics small and medium length epics and the great heroic epics Jangar and Manas Epics from the North are mainly heroic narratives focusing on the exploits of martial heroes They feature story lines centered on bride kidnapping trials undergone by the suitor and encounters with multi headed demons Mongol mangus one eyed giants and female demons of the underworld Southern epics focus on tales of how early deities created the sky earth water and land forms and living beings often listing specific plants animals and local tribes Some of these epics involve female creator figures and many play out in a dynamic process that moves through phases of initial creation destruction by fire a second creation a destructive flood and the ultimate re creation of the world as we now know it There are also heroic epics from southern China most notably from the Yi Dai and Miao Ode to the City - An Ethnographic Drama Adrian Blackledge,Angela Creese,2022-03-16 This ethnographic drama script is adapted from observations conducted in a large city centre library in the UK The action focuses on the staff room in the library where the fictionalised characters of four customer experience assistants threatened with redundancy take their lunch and tea breaks The ethnographic drama is a creative curation of field notes transcripts audio recordings video recordings conversations and observations It tells a story of political tension in everyday life at a time of austerity American Illustrated Magazine ,1883
