Return Of The Millenium:

The Return Elbert D. Charpie, 2014-05-09 Whether you call it the return of Christ the Second Coming or the Rapture there has been so much debate over the centuries about what the Bible teaches Many have concluded the subject of Jesus return is too complicated or too confusing to understand One reader said Reading *The Return* was my light bulb moment Although God s master pieces can be complicated His past present and future master plan for His creation is quite simple and easy to understand *The Return* grips you with an almost unbelievable and detailed story of Christ s return then shines the light on what the Bible says rather than trusting the blind to lead the blind God is not the author of confusion So why have we been so confused for so long *Until now* Begins with a story of how the return of Christ could happen and then explains the scriptures and compares the different views of Christ s return **The Post Millennial Return** Norman B. Willis, 2009-01-04 This study will be replaced by Revelation and the End Times It contains good research but the conclusions will change in the Revelation study *The Redeemer's Return* Arthur Walkington Pink, 1918 *The Fathers on the Future: A 2nd-Century Eschatology for the 21st-Century Church* Michael J. Svigel, 2024-11-05 Dive into the classic eschatology of Irenaeus of Lyons with *The Fathers on the Future* as you unpack key truths untangle misunderstandings and get a deeper understanding of this balanced and biblically sound end times framework Many today with an interest in the end times face a problem they have forgotten the past Knowing the history of eschatology is key to understanding its importance how we interpret our faith and our outlook on God and humanity So why do so many overlook it and what can we do to correct this *The Fathers on the Future* uses a thorough exegetical and theological analysis to defend the foundation and structure of the second century premillennial futurist eschatology of Irenaeus of Lyons and other church fathers It makes a case for a contemporary Irenaean premillennial eschatology arguing that it is a reliable framework for a biblically defensible theologically balanced and historically informed eschatology *The Fathers on the Future* includes these key features Restores historical perspective Recovers the forgotten roots of early Christian eschatology emphasizing the teachings of Irenaeus of Lyons and other church fathers Biblically grounded framework Offers a well supported case for a biblically defensible premillennial eschatology balancing theology and history Clarifies and corrects Clarifies complex aspects of early eschatology strengthens key theological points and corrects missteps Fresh yet ancient approach Presents an eschatological perspective that is new to modern readers but deeply rooted in ancient Christian traditions *The Fathers on the Future* begins with the belief that Irenaeus and other early church fathers represented a widespread and well developed eschatology inherited from those who were close associates of the apostles It then explores some of features of that early eschatology clarifying obscure points strengthening some elements and correcting a few missteps By looking back to Irenaeus and the eschatological emphases of his age this book provides a new approach to eschatology today new to contemporary readers but ancient in its original perspective **A People Ready for the Return of Jesus** Emilio B. Knechtle, Charles J.

Sohlmann,1997 Revelations of the End Dr. Robert "Andy" Gowins,2025-02-05 Revelations of the End A Fresh Look at an Ancient Eschatology is not a traditional chapter and verse breakdown of the major themes of the New Testament book of Revelation It is however an eschatological commentary that utilizes the framework of the book of Revelation to revisit the traditional and orthodox end time teachings of the church for most of its history The book attempts to address the eschatological expectations of the early first century church for whom this apocalyptic and prophetic letter was originally written It seeks to explain the Old Testament eschatological expectations through the structure of New Testament eschatological revelations as expressed through the letter of Revelation This eschatological commentary is an attempt to revisit the biblical historical and orthodox teachings of the church concerning matters of the last days *Revelation* Andrew D. Parker,2017-05-31 Many have tried to understand Revelation but evidently few have actually taken the visions apart to study their chronology This book is part of the results of years of studying Revelation through the Greek not a translation This first book part one of the commentary includes a thorough discussion of the keys necessary for understanding Revelation and the timing of its events The entire commentary will include a new translation of Revelation along with running commentary in what is believed to be a close rendition of Revelation s true chronology Included support for these understandings comes from the Old and New Testaments early Christian writings and ancient Jewish understandings It is the author s belief that without these new findings Christians will not be able to fully understand Revelation and the End Times

The Sola Scriptura Challenge Brian E. Barnes,2022-12-01 Before it was written there were a wide variety of views about the end of time held across different Jewish movements Historically there have been four main methods of interpretation in both Judaism and Christianity of which we see all on display in the New Testament The controversy around interpretation of prophecy existed in the days of Jesus led some to reject Christ was not resolved by the Protestant Reformers and still divides our churches today This book looks at how we got here and proposes a way we should all move forward together Using only the Scriptures the sola scriptura approach challenges us to understand what the original audience of the letter from John would have understood By identifying singularities and parallels within the book built from years of research and verse by verse exegetical study we will see how it is the fulfillment of the hopes and expectations of the Hebrew prophets and the early church **Proceedings of the ... Convention ...** Lutheran Church--Missouri Synod. English District,1912

Proceedings of the ... Convention of the English District of the Synod of Missouri, Ohio, and Other States Evangelical Lutheran Synod of Missouri, Ohio, and Other States. English District,1912 Foundations of Faith Robert O. Wahl,Dr Robert Wahl,2006 This book builds a solid basis for understanding the heart of the Christian faith through 30 weekly sessions about establishing a foundation in Christ Renewal Theology J. Rodman Williams,2011-05-03 Renewal Theology deals with the full range of Christian truth from within the charismatic tradition Previously published as three separate volumes Renewal Theology represents the first exhaustive balanced articulation of charismatic theology Renewal Theology discusses

Book One God the World and Redemption Book Two Salvation the Holy Spirit and Christian Living Book Three The Church the Kingdom and Last Things As theology this work is an intellectual achievement But it is much more than that The author urges the church to undertake its task of theology in the proper spirit an attitude of prayer a deepening sense of reverence an ever increasing purity of heart a spirit of growing love a theological approach rooted in the glory of God Done in such a spirit theology becomes a faithful and powerful witness to the living God *Dispensational Truth, Or God's Plan and Purpose in the Ages* Clarence Larkin,2010-07-01 The Reverend Clarence Larkin was one of the most widely influential pop theologians of the early twentieth century his works are the source of many of the prophecies and truths end times Christians hold to even today This stupendous 1918 book perhaps his greatest work is the result of more than 30 years worth of the author informs us careful and patient study of the Prophetic Scriptures Fully illustrated by charts describing God s plan for humanity Dispensational Truth covers Pre Millennialism the Second Coming of Christ the present evil world the Satanic trinity the world s seven great crises prophetic chronology the threefold nature of man the Book of Revelation five fingers pointing to Christ the False Prophet and much more American Baptist pastor and author CLARENCE LARKIN 1850 1924 was born in Pennsylvania and later set up his ministry there He wrote extensively and popularly on a wide range of Biblical and theological matters **Nelson's New Illustrated Bible Commentary** Thomas Nelson,1999-05-13 A comprehensive verse by verse commentary for lay Bible students fully highlighted by articles maps charts and illustrations all in one volume Clear and Comprehensive Annotations by leading evangelical scholars don t dodge tough issues alternative views are presented fairly but commentators make their positions clear Attractively Designed Graphics appeal to the sound bite generation and others who aren t traditional commentary readers Interesting and Revealing Hundreds of feature articles that provide additional information or new perspectives on a topic related to Bible background Visually Appealing Maps drawings and photos illuminate the commentary and visualize important information *A Faith of Your Own* Ronald J. Allen,2010-01-25 A faith should be a living thing What we believe necessarily evolves in response to insights into the Bible to questions or doubts we face to changes in life circumstances or to things that happen in the larger world Nevertheless Christians often find it helpful to identify what they can most fully believe at a given moment Such clarity empowers the present and leads us toward the future Such moments can also be mile markers by which we measure our faith journey In each chapter the first section lists the most common ways a certain topic is understood in the Bible The second section identifies important ways the church has interpreted that topic since the Bible s inception The third section introduces contemporary perspectives With that foundational knowledge readers can make a judgment as to which viewpoints seem more or less persuasive to them personally Finally each chapter ends with questions for reflection for individuals or small groups Rightly Dividing the Bible Volume One David E Walker,2018-01-10 An extensive yet simple and easy to read book about how to properly interpret the Bible Dr Walker has dedicated his time and effort in thorough research and answers most questions about dispensations

and dispensationalism Upon reading these volumes the reader will find himself not only well informed but also with a great wealth of reference material for future use Dr David Peacock Pastor Bible Believers Baptist Jacksonville Florida GET THE BACKGROUND The excuse that there are so many interpretations of the Bible is exposed with a clear concise defining of biblical terms using the Bible itself to define those terms DISCOVER THE HISTORY Learn about the men manuscripts and movements that have shaped views of Bible interpretation Find out who really believed the Bible and those who merely used the Bible to support their opinions UNLOCK THE PROPHECIES Many prophecies are unraveled and shown how they relate to the return of Christ the church and the nation of Israel *The Revelation Problem* John T. Spivey,2013-03-07 John T Spivey breaks Revelation free from the confusing futurist interpretations and shows that St John wrote to the Early Church to build its faith during persecution by the Roman Empire He further shows that St John predicted the fall of the Roman Empire Mr Spivey calls on many ancient historians and Early Church fathers to present their testimonies to show that Revelations predictions are subject to analysis and proof He shows that St John described the desolation of Judea and the deliverance of the Christian community from the destruction of Jerusalem in the Roman Jewish War of AD 66 70 as completed events to build confidence in what would happen in the time of Roman persecution Mr Spivey also explains the millennium and the end of time in fresh new ways that are scientifically sound and that affirm the Bible at every point *50 Core Truths of the Christian Faith* Gregg R. Allison,2018-02-06 Those looking for a single resource that collects clear teachings on the most important doctrines of Christianity need look no further than Gregg Allison s 50 Core Truths of the Christian Faith This volume covers foundational doctrines of the nature and works of God the Bible God s created beings Jesus the Holy Spirit salvation the church and the end times And each chapter features clear guidance for how to teach and apply the doctrine today Pastors Sunday school teachers and lay students of theology will find this an indispensable resource for understanding and teaching Christian theology **Revelation 1-22 MacArthur New Testament Commentary Two Volume Set** John MacArthur,1999-04-15 This package includes the complete two volume set of the Book of Revelation from the MacArthur New Testament Commentary series Revelation 1 11 and Revelation 12 22 The MacArthur New Testament Commentary series continues to be one of today s top selling commentary series These commentaries from respected Bible scholar and preacher John MacArthur give a verse by verse analysis in context and provide points of application for passages illuminating the biblical text in practical and relevant ways Revelation 1 3 says Blessed is the one who reads the words of this prophecy and blessed are those who hear it and take to heart what is written in it because the time is near That blessing may be hard to receive with the Book s shrouded prophecy and eschatological mysteries confusing scholar and lay reader alike MacArthur pulls back the veil and reveals more of what God s Word has to say to us in Revelation covering volatile topics as The rapture the millennial kingdom and the Anti Christ These volumes will open your eyes to receive the blessing promised in Revelation s opening verses **Nationalism and Historical Loss in Renaissance England** Andrew Escobedo,2018-07-05 Andrew

Escobedo here seeks to provide a new understanding of the emergence of national consciousness in England showing that many Renaissance writers articulated their Englishness temporally through an engagement with a history they perceived as lost or alienated. According to Escobedo, the English experienced nationalism as a form of community that disrupted earlier religious and social identities, making it difficult to link the national present to the medieval past. Furthermore, he argues the English faced the nation's temporal isolation before the Enlightenment narrative of historical progress emerged as a means to interpret novelty in a positive light. Escobedo examines how John Foxe, John Dee, Edmund Spenser, and John Milton used narrative representations of nationhood to mediate what they perceived as a troubling breach in history, attempting to bring together the English past, present, and near future in a complete and continuous story. Yet all four authors also register their concern that historical loss may be an inevitable feature of a modern England, and they come to see their narratives as long tapestries that spontaneously rip apart as they grow, obliging the weaver to return to repair them. Focusing on Renaissance England's perplexing sense of its time-boundedness, Escobedo presents early national consciousness as stranded awkwardly between the premodern and modern.
