their secret may be discovered and war erupts on their planet *Interludes, Lyrics, and Idyls* Alfred Tennyson Baron Tennyson, 1889 **Return of the Warrior** Rebecca York, 2002 Unforgotten in the Gulf of Tonkin Eileen A.

Bjorkman, 2020-09 On November 18 1965 U S Navy pilot Willie Sharp ejected from his F 8 fighter after being hit while positioned over a target in North Vietnam With a cloud layer beneath him he did not know if he was over land where he would most certainly be captured or killed by the North Vietnamese or over the Gulf of Tonkin As he ejected both navy and air force aircraft were already heading toward him to help What followed was a dramatic rescue made by pilots and other airmen with little or no training or experience in combat search and rescue Told by former military flight test engineer Eileen A Bjorkman this story includes nail biting descriptions of air combat flight and rescue Bjorkman places Sharp s story in the larger context of the U S military s bedrock credo No Man Left Behind and calls attention to the more than eighty thousand Americans still missing from conflicts since World War I She also explores the devastating aftershocks of the Vietnam War as Sharp struggled with post traumatic stress disorder Woven into this gripping tale is the fascinating history of combat search and rescue missions that officially began in World War II Combining the cockiness and camaraderie of Top Gun with the heroics of Sully *Unforgotten in the Gulf of Tonkin* is a riveting tale of combat rescue and an unforgettable story about the U S military s commitment to leave no man behind **Moral Warriors, Moral Wounds** Wollom A. Jensen, James M.

Childs, 2016-05-19 The experience of Wollom Jensen s distinguished career in military service and James Childs s long and productive career in the fields of theology and ethics combine to bring Christian ethics into dialogue with the harsh realities of military service in today s world of war The authors seek to correlate the ethics of neighbor love with the vocation of the chaplaincy the framework of just war theory the published values of the military services and sample issues such as the challenge of pluralism for the chaplaincy drone warfare interrogation practices and truth telling Special emphasis is placed on the reality of moral injury and the moral obligation of society and the churches to respond to the needs of these wounded warriors The book espouses the view that the Christian ethic more than a set of principles is a true ministry to those who struggle to be faithful and fear that they have not been Warrior's Dishonour George Kassimeris, 2016-02-17 The characteristic act of men at war is not killing It is killing by committing shocking and unspeakable atrocities when circumstances permit What drives ordinary people into hatred genocide inhumanity and evil What turns friends and neighbours against each other with such savagery Where does such barbarity come from This collection examines the anarchy cruelty and overwhelming confusion of modern warfare In particular it analyzes what happens when morality vanishes from the battlefield and why torture is endemic in modern warfare how human rights in times of war lose meaning as a set of principles whether official propaganda and enemy demonization make barbaric behaviour easier how we can develop cultures opposed to torture that damage the legitimacy of our societies Through a wealth of case studies that have been carefully selected in terms of their themes approaches and methodologies this comprehensive volume provokes

discussion and enhances understanding from a variety of disciplinary perspectives

Dippie, 1994 From reviews of the first edition Richly illustrated this handsome volume presents the rugged beauty and rowdy spirit of life on the frontier as captured by two master painters Art Gallery International large color plates beautifully reproduce dashing romantic scenes of frontier life created by two of the West's foremost portrayers American West The many devotees of Remington and Russell and of Western art in general will want to add this handsome volume to their collection Arizona Highways the University of Texas Press as one would expect has produced a beautiful book Montana Since its original publication in 1982 Remington and Russell has become an essential introduction to the work of these artists and this revision substantially enhances the book's strengths Every painting in the Sid Richardson Collection has been rephotographed for this edition including one Russell and five Remington paintings not included previously Numerous black and white illustrations have also been added to give insight into the evolution of the paintings Brian Dippie has considerably amplified his commentaries on each painting with new information His revised introduction places Remington and Russell in the historical and cultural contexts of their time and draws intriguing comparisons between the two artists

Mixing Metaphors Sarah J. Dille, 2004-06-15 While most treatments of biblical metaphor examine individual metaphors in isolation Sarah J. Dille presents a model for interpretation based on their interaction with one another Using Lakoff and Johnson's category of metaphoric coherence she argues that when nonconsistent or contradictory metaphors appear together in a literary unit the areas of overlap coherence are highlighted in each Using the images of father and mother in Deutero Isaiah as a starting point she explores how these images interact with others for example the divine warrior the redeeming kinsman the artisan of clay or the husband The juxtaposition of diverse metaphors common in Hebrew prophetic literature highlights common entailments enabling the reader to see aspects of the image which would be overlooked or invisible if read in isolation Dille argues that any metaphor for God can only be understood if it is read or heard in interaction with others within a particular cultural context

The Return Olu Ibukun, 1970 In this highly accomplished first novel Olu Ibukun describes the initial impact of Christianity on Yoruba society giving his readers a graphic

illustration of the struggle between old Africa and the forces of Western civilisation Ebu Odanogun the hero of the novel is a favoured descendant of powerful warrior chiefs and is therefore destined for a position of leadership in his village society But he is also the son of one of the first Christian converts among a superstitious and taboo ridden people Torn between two apparently irreconcilable worlds Odanogun finds after years of agonising decisions and indecisions that a synthesis is possible and that one can assimilate the white man s education and culture and yet still enjoy what is unique in Africa s living heritage Goodreads *Creative Victory* Tomas,1995-01-01 Millions of readers around the world have been captivated by the writings of Carlos Casteneda Now Tomas speaks to the compelling heart of that collective work through an inspirational commentary on the Toltec process of power **Report of the Secretary of the Senate** United States.
