Morehead Thomas,1913 **Besorah** Mark S. Kinzer,Russell L. Resnik,2021-06-09 The gospel of the life death and resurrection of Jesus of Nazareth has healed countless lives over the centuries but the gospel itself has been wounded through neglect of one of its main components The books of Luke and Acts reveal that the death and resurrection of Jesus are linked inextricably to the destruction and promised restoration of Jerusalem the city that personifies the Jewish people as a whole To highlight this expanded understanding of the gospel Mark Kinzer and Russ Resnik unpack the Hebrew term for gospel besorah as a prophetic message of salvation for Israel and all nations In Luke s besorah the death and resurrection of the Messiah are a sign of the coming judgment and restoration of Jerusalem and the Jewish people a restoration that brings with it the renewal of all creation This prophetic dimension of the besorah is a key to healing the fractured gospel and restoring its power amidst the strife and tumult of the twenty first century **Private Devotions Before, At, and After**

the Christian Sacrifice Primitive Catholick,1720 **1 John, Revised and Extended** L. Daniel Cantey,2021-07-28 In 1 John On Docetism and Resurrection 2016 the author elucidated the fundamental principles driving the modern order The latter works according to a novel form of salvation an ontology unto dissolution that the author recognizes as a new manifestation of the ancient heresy of docetism The modern heresy turns on faith in the Christ Idol an idolatry hidden for centuries beneath the cover of Western Christianity Its theological solution requires renewed engagement with the Trinitarian love understanding that love as a function of mutual life giving between the divine persons The revised and extended version of 1 John assumes the undoing of Western society under the docetic ethos seeking theological foundations

for the society that might follow It details the meaning of various aspects of docetic modern society through a Johannine lens explaining these aspects as forms of oppression The author counters these through the Eastern Orthodox focus on the inner life over the external one the spiritual world over the physical and the proper appreciation of hierarchy as opposed to docetic equality

365 Devotions for Peace Cheri Cowell,2015-12-08 365 peaceful days add up to a life changing year This affordable daily devotional walks readers through the peace that comes from knowing God in a simple and accessible format Each entry focuses on ways God offers peace how to let go of stress and panic and let God guide you and how to hold onto peace even in the most stressful and hectic of times Sample excerpt The world was dark For 400 years God had been silent Not a word Not a peep Had he forgotten his people Did he no longer hear their cries Then the most incredible thing happened The heavens broke forth in praise Shepherds shouted their joy and that joy reverberated over the mountains The Lord had heard their cries He has heard yours and has come to comfort He brings comforting peace into this dark world peace into your world Are you in need of comfort and peace He has come for you
