Lewis, 2020-07-03 Few topics are as broad or as daunting as the God of Israel that deity of the world's three monotheistic religions Judaism Christianity and Islam who has been worshiped over millennia In the Hebrew Bible God is characterized variously as militant beneficent inscrutable loving and judicious Who is this divinity that has been represented as masculine and feminine mythic and real transcendent and intimate The Origin

and Character of God is Theodore J Lewis's monumental study of the vast subject that is the God of Israel In it he explores questions of historical origin how God was characterized in literature and how he was represented in archaeology and iconography He also brings us into the lived reality of religious experience Using the window of divinity to peer into the varieties of religious experience in ancient Israel Lewis explores the royal use of religion for power prestige and control the intimacy of family and household religion priestly prerogatives and cultic status prophetic challenges to injustice and the pondering of theodicy by poetic sages A volume that is encyclopedic in scope but accessible in tone *The Origin and Character of God* is an essential addition to the growing scholarship of one of humanity's most enduring concepts *The Jewish*

Revelations is a result of years of disciplined study of Gods Word a result of intimacy with Jesus a result of intimate time in the Word from God the Word in Carol and her in the Word This devotion is a culmination of years of growth from private time spent daily in Gods presence allowing Jesus the Word made flesh to rule over the evil nature within thus allowing the Word of God to be King and Lord His work began in 1989 as Carol poured her heart out quietly journaling and giving expression to her feelings while being alone with the Word With pen in hand and blank paper waiting she gained revelation about evils fleshly nature within the principalities powers and rulers without and about Jesus the Word Who is the Revealer of all Truth From the feelings in her heart to the thoughts in her mind to where the pen met the paper she gained discernment By expressing her heart in light of the Word of Truth with the Word of Truth filtering her thoughts and prayers she discerned her way aligned her heart and mind with Truth lived life according to the Truth and then learned how to pray a right prayer according to the Truth *Holy Spirit Who?* Alexys V. Wolf,2011-02-25 Alexys is about to take you on a journey Holy Spirit Who is not like any book I have ever read about Holy Spirit I am not even sure if I would call it a book It s a reference a study guide and a testimony of the very heart and character of God Holy Spirit Who takes you deeper into the Word of God than most would endeavor Alexys has a way of breaking it down and feeding you line upon line precept upon precept Holy Spirit Who is foundational yet a tender haul over the coals for the intellectual who thinks he may have read it all Subtly she will eliminate every excuse you have to not walk fully in His will for your life and eradicate the very justification you thought you had for not knowing and walking in His Word I believe she actually writes Partial commitment is really no commitment Accepting who we are and then understanding who we are with Holy Spirit is a revelation that can only come from knowing His word and Him personally Alexys ensures that accurate interpretation is expressed and her findings are explored thoroughly She dissects Scripture within the Word of God digging deeper into the original intent and language She leads us with assurance leaving no room for uncertainty **Life and revelations of saint Margaret of Cortona, tr. by F.M. Turning to the Other Donovan D. Johnson,2020-09-02 I and Thou is a summons calling us to dialogue today Like the call Buber himself received the book invites us to encounter the Other our counterparts both human and eternal Buber s spiritual awakening his engagement with his people and his times his wide reading and his grief are contexts that open up this call to us to join with him in the fullness of a life of dialogue If we follow Buber into his study into the struggle of his inner life into his achievement of dialogical existence he opens up the wonders of I and Thou to us as his testament and his call to us to turn to dialogue and he shows us the path to the fulfillment of that life This book ushers us to that place

Constructing Eschatology Nixon de Vera,2022-01-03 This work seeks to provide a critical analysis of the prophecies in the book of Isaiah that parallels the prophetic insights in the book of Revelation The underlying question is To what extent has God foreordained things especially before and during the final judgment The author thinks all that concerns God s majestic plan i e to accomplish God s purpose for humanity is covered in its entirety God is highly active in foreordaining things and whatever God foreordains shall be fulfilled in the end Isaiah s conception of the interplay between the themes of punishment and healing is central to his eschatological trajectory In this respect theologically speaking the total restoration of Israel signifies the restoration of all humankind Such an eschatology might accommodate the notion of Christian Universalism

Collected Works of C.G. Jung: Alchemical Studies (Volume 13) C.G. Jung,2014-12-18 The psychological and religious implications of alchemy were Jung s major preoccupation during the last thirty years of his life The essays composing the present volume complete the publication of his alchemical researches to which three entire volumes have been devoted DDL the monumental *Mysterium Coniunctionis* Psychology and Alchemy and Aion DDL besides shorter papers in other volumes This collection of shorter Alchemical Studies has special value as an introduction to Jung s work on alchemy The first study on Chinese alchemy marked the beginning of his interest in the subject and was originally published in a volume written jointly with Richard Wilhelm The other four are now published for the first time completely in English

Proceedings and Papers Valentine David Davis,1911

Revelation and Its Record William Westley Guth,1912

On Behalf of the Mystical Fool John P. Dourley,2009-09-30 Jung s explanation of the religious tendency of the psyche addresses many sides of the contemporary debate on religion and the role that it has in individual and social life This book discusses the emergence of a new mythic consciousness and details ways in which this consciousness supersedes traditional concepts of religion to provide a spirituality of more universal inclusion On Behalf of the Mystical Fool examines Jung s critique of traditional western religion demonstrating the negative consequences of

religious and political collective unconsciousness and their consequent social irresponsibility in today's culture. The book concludes by suggesting that a new religiosity and spirituality is currently emerging in the West based on the individual's access to the sense of ultimacy residual in the psyche and seeking expression in a myth of a much wider compass. This book will be of interest to scholars and students at all levels who are engaged in the expanding field of Jungian studies. It will also be key reading for anyone interested in the theoretical and therapeutic connections between the psyche and religious experience.

RevelationNotes Greg Hinnant, 2019-10-23 Impossible Indiscernible Too mystical Beyond us These are just some of the discouraging comments typically made about the Book of Revelation. Yet every believer, pastor, and scholar needs to understand this vital book that consummates the Bible and all its prophecies. And everyone can, given the right interpretation. This commentary provides it. In lay-friendly terms and with informational entries, thought-provoking footnotes, and inspirational additional gleanings, it walks the reader through each chapter and verse of John's apocalypse, explaining its context, language, and principles for Christian living. Anyone who reads it with an open mind will come away with a clear, life-changing understanding of John's awesome vision of Jesus' timely messages to this Church Age and the wondrous Kingdom Age and Eternal World yet to come. And with delight, they will realize Revelation is Possible, Discernible, Not too mystical, Not beyond our grasp.
