The Book of Revelation Made Easy Kenneth L. Gentry, 2008 **Revelation Made Easy** Michael J. Sedgwick, 2014-07-27

According to Revelation 1:3 this final book of the Bible is the only one that contains a declared blessing to those who read it and obey its instructions. But isn't it just about scary end time prophecies that don't make any sense? Thankfully the answer is no. The book of Revelation gives us more than prophecies; it provides a fuller picture of Jesus Christ and encourages believers to hold fast to their faith and continue following Christ no matter what they might face.

Michael J. Sedgwick's *Revelation Made Easy* helps readers approach this seemingly daunting biblical book with fresh eyes and an open heart. Tackling end times topics such as the Antichrist, the Rapture, and the Tribulation, he shares various conflicting historical interpretations and checks them according to what the scriptures tell us. Who is the Antichrist? What are the prophetic feasts of Israel? What is the coming Tribulation period? Discover the answers to your end times questions in this easy-to-follow guide and learn to appreciate the book of Revelation as much as you love the Gospels.

The Book of Revelation Made Easy Kenneth L. Gentry, 2010 **The Book of Revelation Made Easy Series** James Gordon Lindsay, 1961 The Book of Revelation Thomas Nelson, 2010-01-31 The Book of Revelation is God s message to all who are concerned about the future No Bible guide makes Revelation more understandable than The Smart Guide to the Bible The Book of Revelation You ll grasp the meaning of each verse you ll understand every important symbol and you ll get the big picture of all that God has promised for those who believe in Him The Smart Guide to the Bible is a series of simplified commentaries designed to uncomplicate God s word for everyday Bible readers Every page contains handy features or learning aids like these Cross references to other Scriptures Brief commentaries from experts Points to ponder The big picture of how passages fit with the entire Bible Practical tips for applying biblical truths to life Simple definitions of key words and concepts Interesting maps charts and illustrations Wrap ups of each biblical passage Study questions Whether you re new to the Bible a long time student of Scripture or somewhere in between you ll appreciate the many ways The Smart Guide to the Bible The Book of Revelation goes far beyond your typical Bible study tool The practical relevant helps on each page lead you to get the most out of God s word **Finally, the Book of Revelation Made Easy** David A. Bowen, 2018-08-28 Many believers see the book of Revelation as a book that is too hard to understand The third verse of this book has a promised blessing Blessed is the one who reads the words of this prophecy and blessed are those who hear it and take to heart what is written in it because the time is near The Lord would not offer a blessing and then turn it into confusion So why is this book so difficult to so many Because the average modern day believer does not have a firm understanding of the Old Testament The book of Revelation is explained in the Old Testament The purpose of this book is to help the reader journey through the Old Testament into the clarity of Revelation If you heard me say We are going to celebrate like it is the Fourth of July what would you think When you hear that phrase what mental pictures come to your mind Fireworks BBQ Summertime I did not mention any of those words I just said Fourth of July Theres an association there and that association

is key However if we lived in some other foreign country and you overheard me use that same phrase what mental picture would you have if you had never been to America Maybe none because there would be no understanding of the event or meaning This is where many modern day believers are when it comes to understanding the depth and meaning of the Old Testament One may understand a story or two but not many have the clarity needed to fully understand the meaning and purpose of the Old Testament language used in the New Testament especially in the last book of the Bible My goal is to help you understand and apply Gods Word in proper context *The Book of Revelation Made Easy to Understand* W. H. Wilson,1913 **The Ultimate End** Jimmy D. Davis,2013-08-09 HAVE YOU EVER WANTED TO REALLY UNDERSTAND BIBLICAL PROPHECY NOW YOU CAN There is an absolute Truth that everyone should know The world as we know it will come to an end and it will be in the near future There is going to be a day of reckoning for our world God Almighty is going to judge the Earth and the entire universe and it will all be destroyed in an instant This is an absolute fact whether you choose to believe it or not Within the pages of *The Ultimate End* you will find a clear and concise explanation of the very synopsis of the end times written by the Apostle John in the Book of Revelation Here you can discover that The Revelation is not a book of vague mystery but rather a writing of true revelation which is intended to be understood by anyone who will trust and believe God s Word **Revelation Made Easy** Sam Jordan White,1924 **Journey into God's Word** J. Scott Duvall,J. Daniel Hays,2009-05-26 Life is a journey and like any journey it requires an accurate reliable roadmap to get us where we need to go God has provided such a guide in his Word But just as a navigator needs to learn how to interpret all the contours and symbols of a map so also we need to be able to understand how the Bible communicates its directions to us *Journey Into God s Word* helps Bible readers acquire these skills and become better at reading interpreting and applying the Bible to life This abridgment of the bestselling college seminary textbook *Grasping God s Word* takes the proven principles from that book and makes them accessible to people in the church It starts with general principles of interpretation then moves on to apply those principles to specific genres and contexts Hands on exercises guide readers through the interpretation process with an emphasis on real life application **A Look Into the Future** Cora Davis Freeman,2012-02 NA **Finally, the Book of Revelation Made Easy** David Bowen,2021-07-30 **Journey into God's Word, Second Edition** J. Scott Duvall,J. Daniel Hays,2020-11-03 A guide to learn the skills you need to understand and apply God s Word Now revised and updated Life is a journey and like any journey it requires an accurate reliable roadmap to get us where we need to go God has provided such a guide in his Word But just as a navigator needs to learn how to interpret all the contours and symbols of a map so also we need to be able to understand how the Bible communicates its directions to us In *Journey into God s Word Second Edition* reader s will Be introduced to the Interpretive Journey a five step framework for understanding how to read any Bible passage Learn vital reading skills that aid in their comprehension of not just the Bible but of any piece of literature Discover the importance of understanding historical cultural and literary contexts Receive guidance on choosing a Bible

Rethinking Eschatology Jason L. Quintern,2025-01-23 In *Rethinking Eschatology* Jason L. Quintern presents a compelling defense of postmillennialism a theological view that Christ s reign has already begun and is advancing throughout history Challenging popular end times scenarios of decline Quintern argues from a biblical and historical basis that the kingdom of God is progressively expanding through the global spread of the gospel Drawing on scholars like Kenneth Gentry and Keith Mathison he shows how the Scriptures depict a victorious ever growing Christian influence culminating in Christ s return and the final renewal of creation This book is ideal for students of Scripture church leaders and anyone seeking an optimistic and well reasoned perspective on God s plan for history and the future Why Believe It? John Huffman,2018-07-26 John has written a book of Christian apologetics answering questions about the Christian faith through facts of history science and scripture Many people have personal beliefs based on a compilation of religious ideas embedded from day to day experiences and hearsay We need a deliberative theology based on proper hermeneutics of scripture which in no way contradicts facts of the history of the church secular history and science The practical guide used for understanding the Scriptures will be the historical grammatical and literary approach which takes into consideration that our Bible was written by humans at different times cultures and circumstances but always under the superintendence of the Holy Spirit therefore making it God s infallible Word This book endeavors to bring the author s insight and spiritual gifts to its pages to share God s message of grace and hope for all mankind through the reconciling and saving work of Jesus Christ *Grasping God's Word* J. Scott Duvall,J. Daniel Hays,2012-05-08 Grasping God s Word has proven itself in classrooms across the country as an invaluable help to students who want to learn how to read interpret and apply the Bible for themselves The third edition revised based on feedback from professors will continue to serve college level students and lay learners well in their quest to gain a firm grasp on the rock of God s word Old Testament scholar J Daniel Hays and New Testament expert J Scott Duvall provide practical hands on exercises to guide students through the interpretive process To emphasize the Bible s redemptive arc and encourage correlation across the biblical canon the authors have included a call to Consult the biblical map How does a theological principle fit with the rest of the Bible as an additional step in the Interpretive Journey This edition has also been rearranged for clarity and includes updated illustrations appendices bibliography and assignments A robust suite of learning

aids is available for purchase to be used alongside the textbook to help students excel in their studies These include a workbook video lectures for each chapter featuring the authors and a laminated quick study sheet with key concepts from the book

After Dispensationalism Brian P. Irwin, 2023-05-03 What God wants his people to know about the end times Christians fixation on the end times is not new While eschatological speculation has sometimes resulted in distraction or despair Scripture does speak about the end So what does God most want us to know and do with prophecy In After Dispensationalism Brian P Irwin and Tim Perry sympathetically yet critically sketch the history beliefs and concerns of dispensationalism Though a minority view in the sweep of church history and tradition dispensationalism is one of the most influential end times systems today and there is much to learn from it And yet sometimes it gets sidetracked by overlooking the prophets main concerns Irwin and Perry reexamine the key texts and show that Ezekiel Daniel and Revelation primarily give a word of hope to God s people
