Revelation Of God:

Revelation: God's Last Love Letter Kenneth E. Nissen, 2014-04 Revelation is addressed to the churches in chapter one and for the churches in the last chapter One would expect God's last love letter to be a favorite book among Christians but it isn't It isn't because it isn't understood This book has been highly received by numerous evangelical leaders and is used as the textbook on Revelation in Bible colleges as far away as Africa and India From the first I was taken with the desire of Ken to help people see that the book of Revelation was written primarily to help people in their walk with God in the midst of troubled times and not as a text to figure out the sequence of the end times This was also the first time I had seen the theme of overcoming given as the main thrust of Revelation So I had to read his manuscript to see if in fact he had come upon something I had missed I am convinced that he has I have found his book to be extremely helpful to see the desire of God to have his children to be overcomers and the resources available to us to do just that as the end approaches And the book is more than that for it does not side step the questions that are raised as one reads the book of Revelation Stephen R Bradley Director of Field Education Columbia Bible College Columbia South Carolina

The Revelation of God Peter Jensen, 2002-08-20 Peter Jensen examines the role of the Bible in divine revelation beginning from biblical categories of the knowledge of God and the gospel In the Contours of Christian Theology

The Revelation of God's Love Through Jesus Christ Mathew Simon, 2020-12-02 Many people have the wrong idea about God They see Him as a harsh judge that must be pleased by our many works But Jesus Christ came to reveal God who loves us so much that He forgives our sins if we simply believe The Bible reveals how God loves the world so much that He sent His only Son Jesus Christ to fulfill the Law Jesus died on the cross for our sins He was buried and rose from the dead on the third day Jesus established a New Covenant offering the free gift of the forgiveness of sins righteousness of God and eternal life to all who believe in Him Mathew Simon's book explains the Gospel of Jesus Christ the love of God the grace of Jesus Christ It also describes the clear difference between the New Covenant and the Old Covenant The New Covenant is all about Christ's finished work that brought us salvation The Old Covenant is all about man's efforts that failed We are righteous by faith and not by works The Law demanded perfection from man This is why Jesus Christ gave the full extent of the Law to Israel in the 3 Synoptic Gospels All of the impossible demands were before the cross under the Law But after the cross we see the Gospel of Grace We are made righteous by faith without any works God not only saves us but also bears fruit in us by the Holy Spirit in us We will understand how not to mix Grace with the Law We will be set free by understanding the truths about confession of sins Lord's prayer repentance faith and works we cannot lose salvation etc Believers will be set free in the knowledge of God's love through the Gospel of Jesus Christ The Book of Revelation shows the last days of Israel in the 1st Century during the Great Tribulation We don't need to fear the mark of the beast the antichrist All of those events ended in the 1st Century We look forward to the 2nd coming of Christ as the final event in the world

Revelation Richard Swinburne,2007-07-26 The great religions often claim that their books or creeds contain truths revealed by God How could we know that they do In the second edition of Revelation renowned philosopher of religion Richard Swinburne addresses this central question But since the books of great religions often contain much poetry and parable Swinburne begins by investigating how eternal truth can be conveyed in unfamiliar genres by analogy and metaphor within false presuppositions about science and history In the final part of the book Swinburne then applies the results of Parts I and II to assessing the evidence that the teaching of the Christian Church constitutes a revelation from God In the course of his philosophical exploration Swinburne considers how the church which Jesus founded is to be identified today and presents a sustained discussion of which passages in the Bible should be understood literally and which should be understood metaphorically This is a fuller and entirely rewritten second edition of Revelation the most notable new feature of which is a long chapter examining whether traditional Christian claims about personal morality divorce homosexuality abortion etc can be regarded as revealed truths A formal appendix shows how the structure of evidence supporting the Christian revelation can be articulated in terms of the probability calculus and shows that Plantinga s well known argument from dwindling probabilities against probabilistic arguments of this kind is not cogent

The Book of Revelation: a New Beginning Terry L Newbegin, 2011-03-23 The Book of Revelation A New Beginning contains the hidden secrets of Saint John's Revelation and as you know it is one of the most debated and most difficult books of all the scriptures to read and understand because of the extreme symbolism tied to it Man has always assumed the word of God's prophets and their stories were indisputable just because of their eminence in interpreted them as being true Man has forgotten the history of himself Earth God the origin of the universe and how the scriptures have been documented interpreted and strictly passed down by our ancestors and religious leaders As symbolic as Revelation is it has nothing to do with the end days or even about a solitary Anti Christ as we understand it nor is it about Jesus coming to save you In truth Saint John's Revelation is your own guide showing you that you no longer need to look at yourself as a sinner because you have bared your cross like Jesus and now the time has come for you to ascend to a higher state of Mind The book of Revelation A New Beginning is a book that will help open the gates of your soul memories so you can become aware of your own divineness and that you are a God too My fellow Gods what is coming to an end is the old ways of perceiving and understanding God It is not that God is a mystery It is you that is the mystery and when fear is resolved within you are then ready to open up to the hidden secrets behind the Book of Revelation that religions have kept as a secret for thousands of years either on purpose or because of ignorance
