By the Rev. W. Stone. [With the Text.] ,1869 The Revelation of St. John the Divine Michael F. Sadler,2015-07-13

Excerpt from The Revelation of St John the Divine With Notes Critical and Practical We must examine the authenticity of the Apocalypse in the same way as we have that of other books of the rest of the New Testament The authenticity of any book which entitles it to form part of the Sacred Canon depends upon its reception by the Church from the first With respect to the book of the Revelation we have Justin Martyr about a d 140 writing as follows And further there was a certain man with us whose name was John one of the Apostles of Christ who prophesied by a Revelation that was made to him that those who believed in our Christ should dwell a thousand years in Jerusalem and that thereafter the general and in short the eternal resurrection and judgment of all men should likewise take place Dialogue with Trypho sect 81 Now it is very remarkable that this is the only place in which Justin mentions an Apostle by name Throughout his works which are extant he constantly refers to the Apostles and the companions of the Apostles but does not name any one of them and this is the solitary place in which he refers to an Apostle by name The ecclesiastical memory of Justin Martyr must have reached to the times of St John himself If he was martyred say in or about 150 he must have conversed with many middle aged or old men who were contemporary with the Apostle in his later years so that it was impossible for him to have been mistaken as to the authorship of a work attributed to the Apostle Then we have Irenaeus about a d 170 or 180 that is he lived within less than a century after the time to which early writers assign the date of the Apocalypse I have now before me an index of his quotations from or references to Scripture and from this I gather that he refers to the Apocalypse thirty one times About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Two Thousand years ago the Christ Mind delivered a message to the world You must be born of the Spirit Through the willing instrument of Jesus that Mind which was in Christ Jesus poured out Itself for all who had ears to hear telling us of Its plan to take us into the Kingdom of God right here on earth But mankind did not understand this great message Therefore with Infinite Grace and Love that same Christ Mind speaking out from the Invisible repeated the message in great detail through St John the Divine and this became the Revelation Over the centuries this Revelation has been in plain sight yet not understood or misunderstood and the reason is because only the Christ Mind in man can reveal the Truth of Being Not until the year 1970 did a man sit still in meditation over many months until at last the entire message of the Revelation was revealed once again That man was Herb Fitch This two volume set of books covers the entire Revelation of St John the Divine the interpretation of which was received in Consciousness from the Christ Mind and spoken through Herb Fitch in a series of talks recorded on tapes Transcribing this work work involved hours upon hours of dedication by many individuals These individuals also sat in meditation before beginning to type the transcripts and before beginning to edit the texts so that all may be receptive to the Christ Mind while working on this Revelation and this message may be presented again to the world with integrity preserving the Truth It is suggested that you find a quiet place and read only one chapter at a time until Something calls to you from these pages Then put these writings down and walk away find a place and sit down to meditate on what has stirred you within I can tell you with a certainty born of experience that you can walk in another Dimension right here and right now the Kingdom of Heaven on earth
