Priesthood and Temple in John's Apocalypse Timothy B. Tse, 2024-12-12 Timothy B Tse argues that while John uses language drawn from the Hebrew Bible's descriptions of YHWH's dwelling place scholarship has overlooked the importance of his spatial transformation of that language Tse thus uses theories relating to Relevance Resistance Theory Critical Space Theory and Conceptual Metaphor to demonstrate that a significant part of John's apocalyptic strategy of resistance is to re-present his vision to his audience spatially so that they can experience a divinely ordained alternative to the world in which they live Tse first demonstrates John's attempts to relegate his audience's experience of space to his own revelation John's description of the visionary world creates the metaphors the earth is a Sanctuary and the Saints are its priests Tse argues that under this view life on earth must be evaluated according to the concerns of the Sanctuary which by definition requires the removal of everything impure and the Saints namely all Christians in both the historic and visionary worlds must take priestly responsibility for the earth John therefore portrays the Saints joining in the removal of all impurity upon the earth by fighting as priests in God and the Lamb's war against Satan Babylon and all her impurities Tse concludes that overall John means to realign the church's experience of space so that they understand themselves as priests of the Sanctuary and live according to that reality

Popular Handbook on the Rapture Tim LaHaye,Thomas Ice,Ed Hindson,2012-05-01 Why is there so much confusion about
 how and when the rapture will take place What does the Bible say for certain about this event When will the Tribulation
 occur and who will face it There is a lot of discussion among Christians about the rapture and the last days Why all the
 different views And how do those perspectives line up with Scripture Tim LaHaye and Thomas Ice have assembled a team of
 longtime Bible prophecy experts who look carefully to God s Word for the answers In this book readers will discover what
 they can know for certain And as they consider the things that still remain uncertain they will gain a renewed trust that God
 knows what He is doing His plan is perfect and it will unfold in His timing An easy to understand resource that provides
 much needed clarification about the end times God Will Judge Each One According to Works Kyoung-Shik Kim,2011 This
 monograph provides a fresh perspective on judgment according to works by challenging both the majority scholarly view and
 the new perspective advocated by E P Sanders James D G Dunn and N T Wright Employing intertextuality and early Jewish
 mediation of scripture this study examines the idea of judgment according to works with reference to Psalm 62 13 in early
 Jewish literature and the New Testament The originality of this study is to highlight the significance of Psalm 62 13 in the
 context of judgment according to works and to argue that the texts dealing with judgment according to works in the New
 Testament are to be understood as interpretations of Psalm 62 13 and its broad context *The Best Books: Class A,*

Dickson,2018-09-13 Although the Apostle John endorses Lamb twenty nine times in his Apocalypse and employs a term that is used only one other time in the New Testament to this end this unique title and its sophisticated christological implications has only received cursory attention both historically and more recently Even then incomplete monochromatic interpretations of the unique verbiage John employs to describe Christ are reached After identifying this clearing that exists in the christological forest this book reaches a robust understanding of Revelation s Lamb by means of a contextual grammatical canonical historical hermeneutic Ultimately this monograph concludes that the apostle s use of Lamb throughout his Apocalypse promotes a multifaceted christological presentation of John s protagonist that is dependent on the paradoxical theme of glory in humility a theme that is introduced when the Lamb first emerges in Revelation 5 and is then reiterated every time the title is used thereafter In so doing this work offers students and scholars alike a better understanding of who is coming in the end and what this means for the church at present **The Lamb**
