Gowins,2025-02-05 Revelations of the End A Fresh Look at an Ancient Eschatology is not a traditional chapter and verse breakdown of the major themes of the New Testament book of Revelation It is however an eschatological commentary that utilizes the framework of the book of Revelation to revisit the traditional and orthodox end time teachings of the church for most of its history The book attempts to address the eschatological expectations of the early first century church for whom this apocalyptic and prophetic letter was originally written It seeks to explain the Old Testament eschatological expectations through the structure of New Testament eschatological revelations as expressed through the letter of Revelation This eschatological commentary is an attempt to revisit the biblical historical and orthodox teachings of the church concerning matters of the last days      *Cosmology and Eschatology in Jewish and Christian Apocalypticism* Yarbrow Collins,2021-12-06 This volume deals with Jewish and Christian apocalyptic texts and movements from the second century BCE through the fourth century CE It focuses on two major themes cosmology and eschatology that is views of structure of the universe including its religious function and interpretations of history and the future The detailed historical and literary analysis of these themes are introduced by an essay on the cultural gap between the original contexts of these texts and those of readers today and how that gap may be bridged The book deals with the interrelations between post biblical Judaism and early Christianity The relevant Jewish texts and history are discussed thoroughly in their own right The Christian material is approached in a way which shows both its continuity with Jewish tradition and its distinctiveness      **Revelation** Jerry Whitehead,2020-11-16 This book is focused on Jesus s message to the seven churches It s as relevant to us today as it was in John s day In Revelation 1 3 Jesus says to keep the things which are written in it Ask yourself What do you know about what Jesus Christ wants for you to do You may say I believe I ask forgiveness of my sins go to church and that s it Then you need to take a journey to discover what Jesus wants from us It s easy to skim through a passage and say I got it Just as I became engaged in researching and studying God s word Hopefully this results in a greater understanding of the passage The key is the Bible itself the Old and New Testaments are treasure troves of supporting verses You will find the true meaning that God and Jesus Christ are telling you In Matthew 7 7 Ask and it will be given to you seek and you will find knock and the door will be opened to you I hope and pray that you will find this book helpful as you read through it and discover the true treasure

The Lord of the Sabbath Opens His Book of Revelation Christopher Fung,2017-09-11 Intuitive logical thinking would suggest that Revelation should be One biblically coherent and complete narration That uses only natural and biblical symbols To retell God s consistent work from beginning to end That reveals Jesus and his resurrection as the focus To call for decisive response from every person For the creation which God loves and will glorify To close God s written oracle to humankind But

almost no one has been able to demonstrate these Through the lens of God bringing his created order from the beginning to his final Sabbath in Jesus Christ and noticing an overlooked peculiarity of Revelation chapter 20 is glaringly different to the rest of the chapters the mysteries of Revelation are shown to be plainly manifested truths already in the Bible rather than esoteric and hidden teachings still to be deciphered Centering Jesus in all things Revelation filters out inconsequential and errant teachings and highlights the essential core of Judeo Christianity to prompt a response from every person made in God's image Poignantly it shines a light on the current global crises environmental political religious and economic This book's common sense context first exegesis sets it apart from most other Revelation commentaries on the market

**The Kingdom of the Son of Man on Earth** Maria Cordova, 2009-09 The prophet who has a dream let him tell a dream and he who has My Word let him speak My Word faithfully Jeremiah 23:28 The Word of the LORD God came to me in a dream the first time in 1982 and I was told to proclaim the coming of the Son of Man for seventeen years My full testimony biography and the lessons God had taught me throughout those years are written in the book The Witness to the Coming of Jesus Christ published in 1999 The LORD God spoke to me a second time in a dream and said TELL MY COVENANT PEOPLE THEY WILL NOT BE HARMED The third time the Messiah had come He awakened me from a deep sleep and released the Seventh Seal These three prophetic events were given to make known to the church and the world our current position in Biblical Prophecy The LORD God has also led me through a series of events which revealed that the invisible Kingdom of the Son of Man had come Although it is concealed the Messiah revealed it two thousand years ago through many parables in the Holy Bible Now I have been called to reveal its existence so that others may prepare to enter into it Further studies will leave no doubt that this kingdom is on earth now You will see and understand The unseen Kingdom of the Son of Man The Kingdom through the faith of a child What will be required to enter His Kingdom How the dead in our Messiah will enter in first When the faithful saints will be transferred into it The warnings and consequences of being left outside What will happen to the world after the Kingdom doors close

**The Coming of the Son of Man** Jeffrey Horton, 2017-11-06 Behold I stand at the door and knock If anyone hears My voice and opens the door I will come in to him and dine with him and he with Me Rev 3:20 Wouldn't it be great if you could open the door invite Jesus into your home and ask Him when He's coming back All the confusion about the events surrounding Christ's return would vanish as He explains the Scriptures to you You would have your own Emmaus Road journey Like the apostles and first century disciples you could say that He opened the eyes of your understanding That's exactly what this series does by unfolding in an easy to follow manner what God's Word shows us and what Jesus taught Each of the three books focuses on three critical end time revelations that open the door of our understanding surrounding the events of Christ's return The New Testament apostles received these keys from Jesus Himself Over the centuries these revelations were lost or watered down leaving us clustered and even fearful That's not God's will It's time to let the Word speak for itself with a message of comfort hope and victory The Coming of the Son of Man brings you

to your final destination literally It shows you what Jesus taught His disciples about the end of this age the rapture and the sign when all these things will be fulfilled The journey will expose the misidentification of key terms that distorted the Church's understanding of Christ's return Along the way Jesus's teaching known as the Olivet Discourse as well as the book of Revelation will become clear No more confusion No more questioning how to prepare Simply the truth of God's plans and purposes

*Revelation* Ben Witherington, 2003 Table of contents      **The Revelation of the Son of Man** Levi Khamor, 1993-01-01      [The Collected Works of Edward Schillebeeckx Volume 7](#) Edward Schillebeeckx, 2014-09-25

Christ The Christian Experience in the Modern World focuses on the question of salvation for all people Using seven anthropological constants Schillebeeckx innovatively shows the social and political relevance of faith Inspired by liberation and feminist theologies he puts strong emphasis on human experience and on the importance of examining church teaching in its historical context This volume is a testimony of Schillebeeckx's ground breaking attempt to rethink doctrine in the light of the research on the historical Jesus Instead of starting with Christianity's great creedal statements about Christ and the Trinity he focuses on the subjective experience of the first generations of believers as expressed in the New Testament This choice stirred considerable controversy and a Vatican investigation but inspired and still keeps to inspire readers in their personal approach to Christian faith

**Johannine Studies 1975-2017** Francis J. Moloney, 2017-03-13 The voice of Francis J. Moloney has been heard in Johannine studies for many decades This volume gathers shorter journal articles from a publishing career that began in 1975 placing them together with new studies that appear for the first time and thus complementing Moloney's already well known commentary and scholarly monographs on the Fourth Gospel The author's work has encompassed all areas of Johannine scholarship the world that produced and first received the Fourth Gospel its theology and Christology and critical analysis of much discussed passages Well known for his extensive use of narrative and reader response criticism Francis J. Moloney has in more recent years developed an interpretation of the gospel which suggests that the author's of this narrative regarded their work as the completion of scripture This unique collection therefore not only provides the past publications of a significant Johannine scholar but also reflects the development of Johannine scholarship from 1975 until today

*King and Messiah as Son of God* Adela Yarbro Collins, John J. Collins, 2008-11-03 This book traces the history of the idea that the king and later the messiah is Son of God from its origins in ancient Near Eastern royal ideology to its Christian appropriation in the New Testament Both highly regarded scholars Adela Yarbro Collins and John J. Collins argue that Jesus was called the Son of God precisely because he was believed to be the messianic king This belief and tradition they contend led to the identification of Jesus as preexistent personified Wisdom or a heavenly being in the New Testament canon However the titles Jesus is given are historical titles tracing back to Egyptian New Kingdom ideology Therefore the title Son of God is likely solely messianic and not literal King and Messiah as Son of God is distinctive in its range spanning both Testaments and informed by ancient Near Eastern literature and Jewish

noncanonical literature      *Revelation and Mystery in Ancient Judaism and Pauline Christianity* Markus Bockmuehl, 2009-10-01 The theme of revealed heavenly mysteries was a commonplace in Judaism from which it passed on to Christianity Markus Bockmuehl outlines how this theme developed by showing where ideas of revelation and mystery coalesce An interesting and very thorough study Journal of Biblical Literature A thoughtful and illuminating study of a subject which rather surprisingly in the light of its centrality to the question of Christian origins has not hitherto been investigated in detail Whereas both revelation and mystery have been studied separately in the context of early Jewish and Christian literature Bockmuehl's original contribution is to examine the interconnectedness of the two ideas Journal of Jewish Studies This book is an excellent contribution to biblical scholarship It synthesizes the light that a biblically based mystery sheds on revelation and revelation sheds on mystery Bockmuehl treats admirably many difficult passages and scholarly disputes He develops the progress of biblical understanding regarding revelation and mystery carefully balancing analysis with synthesis a talent that is somewhat rare of late Journal of Ecumenical Studies A most useful study Bockmuehl has brought together material from an enormously wide range of primary and secondary literature for which we are greatly in his debt Journal of Theological Studies For single authors like Philo Josephus and especially Paul Bockmuehl's studies significantly add to the discussion Religious Studies Review Bockmuehl examines the concepts of revelation and mystery not as distinct entities but in their theological interplay the revelation of heavenly mysteries This book's breadth and depth will repay the attentive reader Journal for the Study of the New Testament      *Dictionary of the Old Testament: Prophets* Mark J. Boda, J. Gordon McConville, 2013-05-14 With this new volume IVP's Black Dictionary series completes its coverage of the Old Testament canonical books A true compendium of recent scholarship the volume includes 115 articles covering all aspects of Isaiah Jeremiah Ezekiel the twelve minor prophets and Daniel      *THE ELIJAH DOCTRINE\_Revelation of the Sign* ELIJAH H BENNETT, 2017-03-15 For more than a millennium ago a group of Crusading knights known as the Knights Templars discovered a treasure so vast they considered it too great for one king or Pope to possess This sacred treasure would become known as the Holy Grail For hundreds of years this sacred treasure would be sought after and fought over for many centuries before it was lost to history Years before the dissolving of the Templar Order in 1307 A D the Knights Templars led by the renowned grandmaster Hugues de Payens in an effort to protect the location of the Grail buried a sacred map within a well crafted book of parables A book we know today as The Holy Bible Welcome to the Elijah Doctrine the 2nd Chronicle where the Vail of the holy scriptures will finally be removed What if everything we've been taught to believe is the greatest deception of the Ages What if the Holy Bible was designed for the sole purpose of concealing the greatest secret on earth      *The Fathers on the Future: A 2nd-Century Eschatology for the 21st-Century Church* Michael J. Svingel, 2024-11-05 Dive into the classic eschatology of Irenaeus of Lyons with The Fathers on the Future as you unpack key truths untangle misunderstandings and get a deeper understanding of this balanced and biblically sound end times framework Many today

with an interest in the end times face a problem they have forgotten the past Knowing the history of eschatology is key to understanding its importance how we interpret our faith and our outlook on God and humanity So why do so many overlook it and what can we do to correct this The Fathers on the Future uses a thorough exegetical and theological analysis to defend the foundation and structure of the second century premillennial futurist eschatology of Irenaeus of Lyons and other church fathers It makes a case for a contemporary Irenaean premillennial eschatology arguing that it is a reliable framework for a biblically defensible theologically balanced and historically informed eschatology The Fathers on the Future includes these key features Restores historical perspective Recovers the forgotten roots of early Christian eschatology emphasizing the teachings of Irenaeus of Lyons and other church fathers Biblically grounded framework Offers a well supported case for a biblically defensible premillennial eschatology balancing theology and history Clarifies and corrects Clarifies complex aspects of early eschatology strengthens key theological points and corrects missteps Fresh yet ancient approach Presents an eschatological perspective that is new to modern readers but deeply rooted in ancient Christian traditions The Fathers on the Future begins with the belief that Irenaeus and other early church fathers represented a widespread and well developed eschatology inherited from those who were close associates of the apostles It then explores some of features of that early eschatology clarifying obscure points strengthening some elements and correcting a few missteps By looking back to Irenaeus and the eschatological emphases of his age this book provides a new approach to eschatology today new to contemporary readers but ancient in its original perspective

**Parables of Enoch: A Paradigm Shift** Darrell L. Bock, James H. Charlesworth, 2013-01-17 Internationally renowned contributors assess the significance of the Parables of Enoch in the study of Christian Origins the New Testament and the Second Temple Period Rhetoric and Theology William M. Wright, 2009-12-15 This monograph on John 9 makes extensive use of premodern Christian exegesis as a resource for New Testament studies The study reframes the existing critique of the two level reading of John 9 as allegory in terms of premodern exegetical practices It offers a hermeneutical critique of the two level reading strategy as a kind of figural exegesis rather than historical reconstruction through an extensive comparison with Augustine's interpretation of John 9 A review of several premodern Christian readings of John 9 suggests an alternative way of understanding this account in terms of Greco Roman rhetoric John 9 resembles the rhetorical argumentation associated with chreia elaboration and the complete argument to display Jesus identity as the Light of the World This analysis illustrates the inseparability of form and content rhetoric and theology in the Fourth Gospel *Church Dogmatics Study Edition 24* Karl Barth, 2010-09-02 The most important theological work of the 20th century in a new edition now available in individual volumes **A System of Christian Doctrine** Isaak August Dörner, 1882
