Revelation Through Firstcentury Glasses:

Revelation Through First-Century Glasses W. B. West,Bob Prichard,1997-01-01 **Exposition of Revelation** Drew Leonard,2019-03-03 This book is written to help explain the text of the book of Revelation to the common man Attention is given to the dating of the book the imminence of the events the allusions to the OT the beast the cryptic 666 the seven kings the millennium the new heavens and new earth and more Every text of the Revelation is addressed thoroughly alongside critiques and examinations of differing views This book will leave you with a better understanding of John s Apocalypse and will guard against any strange views that may not be supported by the text Grab your Bible a pen and some paper and begin an Exposition of Revelati *Journeying Through Revelation* Valerie LeBlanc,2015-08-21 Have you ever read a passage in Scripture and then read it again and again and wondered what it is that God wants you to learn from it As you read Revelation 1 1a The revelation from Jesus Christ which God gave him to show his servants what must soon take place Have you ever wondered What does revelation mean What does it mean when John says the revelation from Jesus Christ How do we resolve being told that this is about what must soon take place and the fact that 2000 years later we are still waiting Walk with the author as she steps through this fascinating book of Revelation chapter by chapter verse by verse seeking answers to the many questions that arise You wont always agree with my answers and thats okay says author Valerie LeBlanc My prayer is that my thoughts wont mislead but rather that they will cause you to look at Revelation in a new way That they will cause you to question to seek out your own answers and in so doing draw you into a closer relationship with our Lord and Savior Jesus Christ *God-Greed Bless America?* Joseph Alan Redman,2012-05 Lulled into comfort by the luxuries and freedoms enjoyed in the United States many Christians come to the conclusion that this country must be the recipient of a special blessing from God Using his keen insight and extensive experience Joseph Redman dismantles this common belief Instead he argues convincingly that our modern culture is structured to reward greed and selfishness not true godliness What effect does this have on the strength of the Church as a whole Through the use of Scripture and commentary based on many years of study Joseph shows how excessive greed and the abuse of what he calls ego power are pulling Christians away from the Church He then challenges us to examine our own lives and to find a better way to actively express true Christ like love to the least of these in our world Only when we focus on Christ can we view our nation in proper perspective Joseph Redman does community service as a hospital clown but there is nothing funny in the arguments he sets out in this book With passion and insight he has identified the fixation on wealth as America s Golden Calf he has called into question the easy identification of God and country and he has reminded Christian believers of which first things should come first This is a serious book that deserves to be read seriously Mark Noll Francis A McAnaney Professor University of Notre Dame The Search for Christian America **Music to God's Ears** Roderick Biddings,2010-02-25 **A Pentecostal Commentary on Revelation** Jon K. Newton,2021-02-15 This new commentary approaches Revelation from a Pentecostal perspective but you

may be surprised at what this does and doesn't mean in this case. This is a serious commentary based on the Greek text and includes discussion of all the standard topics: authorship, date, audience, etc. It gives interpretive priority to the original context and audience while also discussing application today. Newton eschews all populist interpretations of Revelation and questions many assumptions built on futurist or historicist readings but includes a survey of recent scholarly Pentecostal work on Revelation and an extended discussion of what an authentic Pentecostal reading of Revelation might look like. The commentary highlights features of Revelation that Pentecostals often look for such as its pneumatology but also draws attention to features that Pentecostal readers should take more seriously than they often do such as its missional focus, the narrative flow, intertextual references, and the focus on atonement. This makes it a more optimistic commentary than many available. The commentary interacts in depth with five leading commentaries over the past twenty-five years as well as over two hundred other books and articles including the oldest existing commentary on Revelation.

Reading Scripture as Wesleyans Joel B. Green, 2010-05-01 John Wesley boasted that he was a man of one book but he was also a thoughtful student throughout his life and an author of many books. As breath gives life, John Wesley inhaled and exhaled the words of Scripture, shaping his thoughts, beliefs, feelings, and behavior. And like our eighteenth-century ancestor, the Bible is central to us for continued faith formation. In this invitation to Scripture, the general editor of the Wesley Study Bible and biblical scholar Dr. Joel Green summarizes Wesley's understanding of key themes and topics of key books of the New Testament. Using brief excerpts from Wesley's writings in updated language, Dr. Green explains the importance of Wesley's thinking as it directly applies to everyday life and faithful practice. Each chapter ends with questions suitable for private devotion or group settings to help you apply your study to daily living. This book will be your trusted companion to the Wesley Study Bible as you love God with a warmed heart and serve God with active hands.

Williams, 2019-10-07 A little time travel story Early in the 4th Millennium AD the earth is devastated by people in space and in reprisal earthling humanity destroys all the Solar System However there is a happy ending The major protagonist goes back in time actually going back in time is logically impossible of course to guide and control the progress of science We have chapters of history the universe human evolution religion People become so advanced that he is arrested and frozen but he escapes in time for the final resolution of the great war He is made babies are not conceived and born in times to come but designed and made and hatched from replication mechanisms according to humanity's original design The most people are hermaphroditic or sexless but that's the way it is He has no idea what he's in for when he enters a universe of people like him He finds that he really likes sex and the past doesn't regulate reproduction He's like a god in the ancient past Who's going to stop him

changing nature of work in Europe **The End of the World as You Know It** Matthew L. Halsted, 2024-02-07 Thinking about the end times isn't supposed to terrify you. Christians rightly turn to the Bible to make sense of our times. But so often we get the wrong answers because we ask the wrong questions. In *The End of the World as You Know It* Matthew L. Halsted challenges common end times assumptions and points us back to Scripture. Each chapter reevaluates a popular question in light of the Bible's own concerns: Will Christians be raptured? What is the mark of the beast? When we let Scripture direct our questions, we get better and more hopeful answers. The Bible was written for us but not to us. We must bridge the gap between Scripture's ancient context and our own. Reading end times texts in their ancient context helps us understand our present and future. And when we do, we find that God's word brings peace, not fear and confusion. **A Testimony of Jesus Christ - Volume 1** Anthony Charles Garland, 2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation. To understand this controversial book, the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel, Ezekiel, and others. It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible. The commentary is linked to a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1,000 slides. **Rise of the Beast** Kenneth Zeigler, 2010-11-01 Following his defeat in the War in Heaven, Satan and his minions have fled to Earth where they fight to establish a worldly kingdom and end the dominance of humankind. Satan in the guise of a New Age holy man has created a new faith based on world unity and peace. But his real goal is to bring about a new dark age where he is worshiped as god. He manipulates humanity and its politics to place a man loyal to him, the Beast, in charge of Europe's government. The Beast is opposed by the Christian community. Among those standing in his way are Christian evangelists Chris and Serena Davis. Only with them out of the way can his ambition become reality. Journey along in this exciting and fascinating story as Chris and Serena fight against spiritual, physical, and emotional challenges every step of the way. *God's EPIC Adventure* Winn Griffin, 2007-10 Griffin uses Bishop Tom Wright's five act play model as a way of presenting Scripture as a full length story in order to assist the reader in a better reading experience of the text.
