Priesthood and Temple in John's Apocalypse Timothy B. Tse, 2024-12-12 Timothy B Tse argues that while John uses language drawn from the Hebrew Bible's descriptions of YHWH's dwelling place scholarship has overlooked the importance of his spatial transformation of that language Tse thus uses theories relating to Relevance Resistance Theory Critical Space Theory and Conceptual Metaphor to demonstrate that a significant part of John's apocalyptic strategy of resistance is to represent his vision to his audience spatially so that they can experience a divinely ordained alternative to the world in which they live Tse first demonstrates John's attempts to relegate his audience's experience of space to his own revelation John's description of the visionary world creates the metaphors the earth is a Sanctuary and the Saints are its priests Tse argues that under this view life on earth must be evaluated according to the concerns of the Sanctuary which by definition requires the removal of everything impure and the Saints namely all Christians in both the historic and visionary worlds must take priestly responsibility for the earth John therefore portrays the Saints joining in the removal of all impurity upon the earth by fighting as priests in God and the Lamb's war against Satan Babylon and all her impurities Tse concludes that overall John means to realign the church's experience of space so that they understand themselves as priests of the Sanctuary and live according to that reality **Revelation's Hymns** Steven Grabiner, 2015-02-26 Revelation's Hymns examines the hymnic pericopes in Revelation in light of the cosmic conflict theme It considers this theme as integral to the development of Revelation's plot Recognizing that critical studies give interpretative primacy to the political realities that existed at the time of Revelation's composition Grabiner responds to the need for an

examination of the storyline from the perspective of issues that are of narrative importance Grabiner argues that the cosmic conflict is at the centre of the book s concerns and attempts to determine the function of the hymns with respect to this Previous examinations of the hymns have considered them as a response and or parody to Roman liturgy examples of God s unquestioned sovereignty or expressions of thematic overtones found throughout the book While these approaches make a contribution to a greater understanding of the hymns the relation to the ever present conflict theme has not been explored This study allows the hymnic sections to engage with the larger narrative issue as to who is truly the rightful sovereign of the universe Revelations of a Single Woman Connally Gilliam,2014-12-05 Turning our culture s Sex in the City worldview completely upside down Revelations of a Single Woman celebrates God s enticing life giving promises even when life takes you down a path you didn t plan for Connally Gilliam explores what it means to live in a world for which her mother never could have prepared her Through this collection of thoughtful honest and humorous memoirs the author delves into what it really means to be the remainder in a world that caters to couples and what it means to be the one who lives out moral values that her peers think died in the sixties As readers walk with Connally through each humorous and poignant experience they will discover that God doesn t promise happiness somewhere in the future but abundant life in the here and now

Section 17 Wisdom from Above: Hebrews

Randall Kent

Maxwell, 2020-03-11 The letter to the Hebrews was written in about 68AD to Jewish Christians who needed to overcome the Gnostic doctrine of men. In 2 years the mystery of the Gospel would be understood. The Hidden manna fed The revelation that Christ has all authority in heaven and on earth would be impossible for humanity to deny. The day of the Lord or the thousand years of the Kingdom of Heaven would be there Heb 10:25 and Christ would be identified to all humanity as the Lord of the Sabbath. It would be time for Christians to have their Sabbath rest. This thousand year age is broken up into two ages, the first being 300 years and the later 700 years beginning anew in 2020 AD Eph 2:6,7. So for six thousand years the world was being prepared for its rest in the one thousand year Sabbath or the Kingdom of Heaven.

Kakoulides New Testament

Harris Kakoulides , 2025-09-22 This is a complete translation with notes. The translation is given by Harris Kakoulides who is host of the Mr Kakoulides and the Bible Podcast. Other translations were used to compare when translating the greek. Like WEB, KJV, Young, William, ASV, Darby and many more. WEB was used in the cases where the translator did not translate from the greek. And many longer readings of the Textus Receptus were preferred. This translation and notes are free to copy and is in Public Domain so anyone can share it and quote it with no problems from the translator. The Book of Revelation was reorganised with notes, no words or sentences were taken away or added so the reader could see Parallel Numbered Judgments view of Revelation. I was really hoping to finish this edition by this year then do some other editions with more notes if God allows. I always wanted to translate the New Testament and add notes making it to a Study Bible and now I was able to do it praise be to God.

Eugene Boring, Fred B. Craddock, 2010-01-25 M Eugene Boring and Fred B Craddock present this new one volume commentary on the New Testament Writing from the fundamental conviction that the New Testament is the people's book Boring and Craddock examine the theological themes and messages of Scripture that speak to the life of discipleship Their work clarifies matters of history culture geography literature and translation enabling people to listen more carefully to the text This unique commentary is the perfect resource for clergy and church school teachers who seek a reference tool midway between a study Bible and a multivolume commentary on the Bible *The New Testament and the Future of the Cosmos* Ryan P. Juza, 2020-11-05 The New Testament and the Future of the Cosmos is an exploration into the cosmic eschatology of the New Testament It invites the reader to grapple with two interrelated questions along with the author 1 What did the writers of the New Testament teach about the fate of the cosmos and 2 can we synthesize their teachings into a coherent New Testament theology By offering a close reading of key texts that inform the topic most notably Matt 24 29 31 Mark 13 24 27 Luke 21 25 28 Rom 8 19 22 Heb 12 25 29 2 Pet 3 4 13 and Rev 21 1 5 it is argued that one can with certain qualifications ascertain a clear and coherent New Testament message pertaining to the future of the cosmos Along the way new exegetical ground is broken in several passages by identifying a previously unnoticed theme that runs throughout the New Testament concerning the future of the cosmos God's judgment of the heavenly powers of evil as a key component to the cosmic transition At present these hostile powers hold the cosmos captive to death but on the Day of the Lord they will be overthrown setting the stage for a materially transformed world to emerge from the hand of God

Narrative Criticism of the New Testament James L. Resseguie, 2022-10-25 Narrative criticism is a relatively recent development that applies literary methods to the study of Scripture James Resseguie suggests that this approach to reading the Bible treats the text as a self contained unit and avoids complications raised by other critical methods of interpretation Resseguie begins with an introductory chapter that surveys the methods of narrative criticism and how they can be used to discover important nuances of meaning through what he describes as a close reading of the text He then devotes chapters to the principal rhetorical devices setting point of view character rhetoric plot and reader Readers will find here an accessible introduction to the subject of narrative criticism and a richly rewarding approach to reading the Bible *IDEALISM: Perfect Idealism Defined Within The Already But Not Yet* Donald Perry, 2018-11-25 This commentary on the book of Revelation is

from a Reformed Orthodox Idealistic and Futuristic point of view Previously I have wrestled with different Preterism and Redirectionism views However once I fully understood salvation from the Reformed perspective the Lord saw fit to give me better understanding of the book of Revelation and Eschatology Previously I was under the belief of OSAS Charles Stanley heresy Concerning the eschatological perspective We know that the Lord promised the seven churches in Revelation that He was coming to them and that the faithful churches would remain Thus His word was fulfilled Yet the resurrection change of 1 Cor 15 for the living did not happen as far as they could tell This means that the second coming is now in the present idealistically while we wait Therefore we sanctify ourselves and the church for when He shall appear When He comes He will make an end of sin our sin nature forever and pain and death will end *Did it Really Happen?* Jonathan A.
