Living Hope for the End of Days John S. Barnett,2006-11 **Unmasking Apocalyptic Texts** Dorothy Jonaitis,2005 In this original and insightful book Dorothy Jonaitis offers a refreshing alternative to the popular view of biblical apocalyptic writing as gloom and doom fire and brimstone literature Rather she presents it as literature of hope and its authors as people who knew how to use their creative imaginations to communicate their hope filled messages The reader will come to see the apocalyptic authors of both the Old and the New Testaments as dramatists and will learn to preach teach and imagine their writings as dramatic messages to be applied in contemporary times of crisis BOOK JACKET

Dawn,2002 Neither a commentary on the book of Revelation nor a devotional work though it offers aspects of both Joy in Our

Weakness is instead a theological and practical guide that ushers readers into the very presence of Christ and His Lordship over the powers of evil Marva Dawn writes compassionately for those who suffer for this book was born out of her own struggles with physical limitations and chronic illness and it is intended to help the whole Church learn how to find Joy in every circumstance of life especially in trials and sufferings After outlining some important foundational principles in three introductory chapters Dawn guides readers through the whole book of Revelation pointing out the errors of those who try to calendarize the end of the world and instead delineating how The Revelation reveals Christ s Lordship exposes the workings of the powers and sustains those who suffer until evil is ultimately defeated Now thoroughly revised for a wider readership Joy in Our Weakness highlights The Revelation s original purpose to comfort afflicted suffering believers and spells out a biblically grounded theology of weakness offering a rare gift to the Church today A wealth of insight and encouragement truly awaits the reader of these pages Book jacket [Living Hope](#) David H. Jensen,2010-01-01 Eschatology the theological name for the study of the endtime often conjures up frightening concepts of the rapture the final judgment heaven and hell Armageddon and the anti Christ Author David Jensen s theological approach offers a brighter perspective on the end time as a time of hope when Christians will see the full glory of the Kingdom of God the resurrection of the body and Christ s promised return **Hope for the Oppressor** Patrick Oden,2019-07-26 The liberating work of God calls the oppressed out of oppression and the oppressor out of oppressing The challenge in seeking a thorough liberation of oppressors is to help them understand their need for freedom and how to seek this freedom in their own contexts Patrick Oden provides a holistic biblical historical and theological analysis that diagnoses the underlying motivations and inclinations that lead to oppression Part one addresses the context of oppression in which most participants in oppression do not actively seek to harm others but are caught up in systems that tend toward the diminishment of others Part two examines the biblical and early Christian response to oppression discovering a thread that avoids condemning participation in society generally while also cautioning the people of God about being co opted by society Part three discusses how oppressors can withdraw from oppression through a constructive analysis of four contemporary theologians Wolfhart Pannenberg J rgen Moltmann Sarah Coakley and Jean Vanier each of whom contributes to a widening vision of liberated and liberating life in which the once oppressed and former oppressor can find peace together in community **Finding Grace with God** Rose Ellen Dunn,2014-07-30 Finding Grace with God A Phenomenological Reading of the Annunciation engages in an interweaving of phenomenology mystical theology and feminist philosophy to unfold a theopoetic interpretation of the narrative of the Annunciation in the Gospel of Luke It begins with a discussion of the foundational phenomenologies of Edmund Husserl and Martin Heidegger and then moves to the more recent work of several French phenomenologists including Paul Ricoeur Jean Louis Chretien and Michel Henry The interpretation is then expanded through the philosophies of Luce Irigaray Jean Luc Marion and Jacques Derrida Finally the phenomenologies of Maurice Merleau Ponty and Martin Heidegger provide a means to interpret the Annunciation

through theopoetics as a text that is infused with possibility Mary filled with grace is beckoned by the divine into possibility responding in grace she in turn beckons the divine into possibility Transgressing the limits of language this possibility slips into apophysis into a moment of Gelassenheit a mutual letting be or release of Mary and the divine into a mystical union of love a love that becomes manifest through a gift of life *A Story of Faith, Hope and Love* William Dewberry, 2016-03-01

Gods existence is conspicuous as a result of His creation and the history in the Bible of the blessings and punishment received by His people from the time of the Garden of Eden to the crucifixion of Jesus Christ to provide redemption Therefore the most important thing in life is faith in God which leads to hope love and obedience in Gods Word the Bible Christians understand God by his creation and His willingness to sustain human life God clearly reveals himself and His creation in the inspired account of the Bible God welcomes people to establish a relationship of faith in Him in order to avoid the consequences of sin The authenticity of the Bible was established many years ago and the people of every generation since its completion believe it is a divinely inspired book *Christ Our Hope* Paul O'Callaghan, 2011 Christ Our Hope is a masterful reflection on Christian eschatology in a textbook of twelve accessible chapters *Recalling the Hope of Glory* Allen P. Ross, Moving beyond worship wars over style and denominational proclivities this book considers all the major biblical passages about worship Regardless of their denomination pastors worship leaders and laypeople interested in the biblical themes of worship will benefit from this definitive resource **The Railway Through the Word** Montgomery Ford Essig, 1908 **Eschatology and Hope** Anthony Kelly, 2006-01-01 Probes Christian wisdom and contemporary thought to help us give and accounting for the hope that is within us 1 Peter 3 15 in troubled and uncertain times *Forgiveness and Hope* Rachel Henderlite, 2006-10-26 The tragedy of modern Christian education the author believes is that it has been influenced as much by secular philosophies as it has by the gospel To have a solid basis for an educational program the church must build upon its own faith this is the main thrust of her thought Clearly and concisely Henderlite lifts up for study some elements of Protestant theology which have been neglected in Christian education As she examines these beliefs she indicates the effects that would be felt in the church if they were more strongly emphasized Using the Reformation phrase justification by faith as the organizing principle behind her work the author considers four basic theological problems the nature of faith human nature Christian ethics and the meaning of history God's Solution To Man's Problems Apollo Kikule, 2016-11-15 Death is real for all of us Just as faith and resurrection must be the reality and goal for true believers and not the fleeting things of the world The Sanhedrists the church leaders of the day in their religiosity crucified their own Saviour in like manner the Christianity of our day has traded God s glory for the vain things of earth All this has happened because man has not comprehended God s Word due to a Breaking up Scripture into individual choicest verses unto which men exercise their intellectual abilities b thus losing the spiritual meaning and sequence of each Chapter c resulting into the act of rationalizing on every verse thus allowing individual preachers to carve out individual territorial ground for the

followers of the same taste instead of the One Church of God with each member filled with God's gift of the Spirit Here in the Epistle to the Romans we find God's solution to man's rebellious ways The spiritual content of the epistle is presented instead of the rationalistic approach of our day with its deceit and hypocrisy [The Hope of the Christian - Teacher's Manual PDF](#)
