## **Revelations Tarot:**

*Revelations Tarot Companion* Zach Wong, 2005      *Babylonian Tarot* Sandra Tabatha Cicero, 2006      *Revelations* Jean Arthur Jones, 2013-02 This collection of 44 poems by Jean Arthur Jones is edited and published by Bruce Whealton It reflects the editor's personal impression of what are the best poems of the many that have been written by Mr Jean Arthur Jones In writing this it is implied that some of the poems chosen may reflect personal preferences and as such these poems may represent the editor's favorite poems by Jean Jones This is inevitable as it is difficult to find any objective sense of the best when describing poetry The poems represent a range of subjects and the order was chosen purposefully However the poems are not ordered in chronological order of when the poems were written or when they were published One of the editor's favorite collections by Jean Jones is the Angel of Death poetry collection That subject as such has received the most attention in this collection Some advice I received within the past couple years from Jean was about honesty to be honest always in one's poetry And to ask oneself does it read as honest I think that is a theme I've found in the poetry of Jean Jones Sometimes you will read about his raw emotions and at other times you experience his feelings along with his observations about the world life death God faith good and evil Some poems draw upon some rather deep literary sources of inspiration Other poems draw upon the every day experiences I think all readers will find that his poems vary in complexity and thus defy simple characterization I'm not aware of too many poets that similarly have such varied style in their writing
