over which would be a good site for a well by means of a forked hazel switch 1 and in this way doubtless increased the demand for his services as a well digger but we have no testimonials to his success The son Joseph while still a young lad professed to have his father s gift in this respect and he soon added to his accomplishments the power to locate hidden riches and in this way began his career as a money digger which was so intimately connected with his professions as a prophet Writers on the origin of the Mormon Bible and the gradual development of Smith the Prophet from Smith the village loafer and money seeker have left their readers unsatisfied on many points Many of these obscurities will be removed by a very careful examination of Joseph s occupations and declarations during the years immediately preceding the announcement of the revelation and delivery to him of the golden plates 1 The so called divining rod has received a good deal of attention from persons engaged in psychical research Vol XIII Part II of the Proceedings of the Society for Psychical Research is devoted to a discussion of the subject by Professor W F Barrett of the Royal College of The Preacher's Complete Homiletical Commentary on the Old Testament ,1892      **A homiletical commentary on the prophecies of Isaiah, by R.A.
