*Ready Pirates, Plays and Players,
Tamblers and Conjurors, Musical
Refuges and Solitary Showmen,
Dancers, Bares and Cockfights and
other Memoirs of High Times
and Merry Hours*

By RICHARDSON WRIGHT

REVELS in JAMAICA tells the colorful story of all kinds of high times in that tropical Caribbean island from the lush days of the pirates to the footing of the slaves in 1838. This Sugar Island, with its fabulously wealthy planters, supported amusements from almost the very beginning.

Jamaica was uncle to the American theatre, sending its players before the Revolution, giving it refuge during that war and constantly supplying it with talent. Among the actors playing down there was our own indelible John Paul Jones. This story of the theaters, dug up out of dusty and scattered annals, is now told at length for the first time.

Across these pages walk French refugees who put on plays and concerts. Here are recalled dinners and balls and what the rich planters ate and drank magnificently in their great plantation houses. Cockfights and duels add to the social history, and the parades of dusky Venuses at holiday time, and how the negroes amused themselves and the Creole populace on this island outposts of Britain in the old days. Through this book the reader is introduced to the real life of Jamaica—as colorful and dramatic and exotic as anything to be found on the American continent.
