In 2004 Rosemarie, Ada, Caroline and Kasey are in their final days of high school and on the precipice of all the things teenagers look forward to when anything in life seems possible from falling in love to finding their dream jobs to becoming who they were meant to be. In 2019 Kasey has returned to her small Southern hometown of Goldie for the first time since high school and she still hasn't told even her closest friends the truth of what really happened that summer after graduation or what made her leave so abruptly without looking back. Now reunited with her friends in Goldie for a wedding she's determined to focus on the simple joy of being together again. But when she notices troubling signs that one of them might be in danger she is catapulted back to that fateful summer. This time Kasey refuses to let the worst moments of her past define her; this time she knows how to protect those she loves at all costs.
