## **Revenge Of The Tiamat And Land And Spirits Of Lemuria:**

Revenge of the Tiamat Dennis L. Siluk, 2002-09-10 Siluk's Tiamat Trilogy and his book Manticore have been compared to Star Trek Stephen King Michael Connelly and John Grisham's books They are compelling affecting and portray life at the edge In this third volume of his Tiamat series the hero becomes vulnerable obsessed and somewhat investigative partly because of his youth and anxiousness As with his previous two volumes he faces the demon world within his city state of Yort and outside it Good fiction will take you on a journey what humans could face is what they will look at A step into a shift in time from one era to another in the middle is the soul that wants to say it is all worth while In this book as well as his other books you go on such a journey look at what may present itself At the end it is all worth while It is a world of the 6th Millennium BC It is The Age of Pride An age we may have to face someday The second part of this book you find a conglomeration of hypnotic adventures a spiritual journey throughout the land of Lemuria ancient Pacific counter balance to Atlantics

**The Lost Land of Lemuria** Sumathi Ramaswamy, 2004-09-27 This is a fascinating study of Lemuria a mythical continent which was once believed to bridge the land masses of India and Africa millennia ago before ultimately sinking into the Indian sea

In Search of Lemuria Mark Williams, 2001 The lost continent of Lemuria the land of Mu is a place that history has nearly forgotten Yet it lives on in the mythology of Hindus and Australian Aborigines Polynesians and American Indians Its place is likewise secure beside Atlantis in the metaphysical speculations of Occult pioneers Madame Blavatsky and Edgar Cayce as well as New Age channelers and soothsayers
