Revenge Of The Lawn

Richard Brautigan

Revenge Of The Lawn:

Revenge of the Lawn Richard Brautigan,1971 *Revenge of the Lawn* is Richard Brautigan in miniature and contains no fewer than 62 ultra short stories set mainly in Tacoma Washington where the author grew up and in the flower powered San Francisco of the late fifties and early sixties In their compacted form which ranges from the murderously short *The Scarlatti Tilt* to one page wonders like the sexually poignant poetry of *An Unlimited Supply* of 35 Millimetre Film Brautigan s stories take us into a world where his fleeting glimpses of everyday strangeness leave stories and characters resonating in our heads long after they re gone

Revenge of the Lawn, The Abortion, and So the Wind Won't Blow It All Away Richard Brautigan,1995-02-21 Three masterpieces by the counterculture s Mark Twain collected in one volume including the lost chapters of *Trout Fishing in America* *The New York Times Book Review* An author who began his career handing out his work on the streets of San Francisco and went on to become an underground icon of the 1960s and 70s before his tragic suicide Richard Brautigan gained a unique literary reputation for such works as *In Watermelon Sugar* as well as for his gentle spirit satirical wit and whimsical elliptical style This volume includes three of his most prominent works *Revenge of the Lawn* Originally published in 1971 these bizarre flashes of insight and humor cover everything from *A High Building in Singapore* to the *Perfect California Day* This is Brautigan s only collection of stories and includes *The Lost Chapters of Trout Fishing in America* *The Abortion* *An Historical Romance* 1966 A public library in California where none of the books have ever been published is full of romantic possibilities But when the librarian and his girlfriend must travel to Tijuana they have a series of strange encounters in Brautigan s 1971 novel *So the Wind Won t Blow It All Away* It is 1979 and a man is recalling the events of his twelfth summer when he bought bullets for his gun instead of a hamburger Written just before his death and published in 1982 this novel foreshadowed Brautigan s suicide It s very hard to label his work Fairytale meets beat meets counterculture Surrealism meets folk meets scat The writing is bursting with colour humour and imagery mental flights of fancy crazed and lurid details The more you read the less there seem to be regulations and governing forces ways of qualifying Brautigan The mind of the author is simply too unbound too childlike in its enormous regenerative capacity to imagine *The Guardian*

Revenge of the Lawn Richard Brautigan,2009-07 The brevity of these 62 ultra short stories set in 1960s California is deceptive What Brautigan has rejected in terms of length he compensates for with his offbeat perceptiveness bitter sweet ironies and dry self deprecating wit

1969-1973, 1974 *Landscapes of Language: Richard Brautigan's Fiction* John Tanner, 2013-10-01 In the late 1960s and early 1970s Richard Brautigan was a counter cultural celebrity a writer that the would be hip just had to read The problem was that his fame did not rest on the considerable literary virtues of his work but to a great extent on a hippie image exemplified by the photograph of him on the cover of his breakthrough novel Trout Fishing in America When nobody wanted tie dye shirts and gurus any more they didn't want Brautigan either Academics have followed the public's lead this is the first book length study of Brautigan in English for 30 years Its purpose is to reclaim Brautigan's reputation Dr John Tanner analyses Brautigan's fiction against the background of the cultural and literary upheavals from which it emerged and demonstrates that Brautigan is no mere Sixties curio but an innovative and vibrant American voice ignored for far too long

California. Court of Appeal (1st Appellate District). Records and Briefs California (State)., The Global Remapping of American Literature Paul Giles, 2018-06-12 This book charts how the cartographies of American literature as an institutional category have varied radically across different times and places Arguing that American literature was consolidated as a distinctively nationalist entity only in the wake of the U S Civil War Paul Giles identifies this formation as extending until the beginning of the Reagan presidency in 1981 He contrasts this with the more amorphous boundaries of American culture in the eighteenth century and with ways in which conditions of globalization at the turn of the twenty first century have reconfigured the parameters of the subject In light of these fluctuating conceptions of space Giles suggests new ways of understanding the shifting territory of American literary history ranging from Cotton Mather to David Foster Wallace and from Henry Wadsworth Longfellow to Zora Neale Hurston Giles considers why European medievalism and Native American prehistory were crucial to classic nineteenth century authors such as Emerson Hawthorne and Melville He discusses how twentieth century technological innovations such as air travel affected representations of the national domain in the texts of F Scott Fitzgerald and Gertrude Stein And he analyzes how regional projections of the South and the Pacific Northwest helped to shape the work of writers such as William Gilmore Simms Jos Mart Elizabeth Bishop and William Gibson Bringing together literary analysis political history and cultural geography *The Global Remapping of American Literature* reorients the subject for the transnational era **Richard Brautigan** John F. Barber, 2014-12-09 Best known for his novel Trout Fishing in America American writer Richard Gary Brautigan 1935 1984 published eleven novels ten poetry collections and two story collections as well as five volumes of collected work several nonfiction essays and a record album of spoken voice recordings Brautigan's idiosyncratic style and humor caused him to be identified with the counterculture movement of the 1960s The authors of many of these 32 essays knew Brautigan personally and professionally others came to know and respect him through a cultivated connection with his writings The essays many of which are new others of which were published in obscure journals combine personal remembrance of the man and critical appraisal of his still controversial works Includes
