**Revenge of the Sarong Party Girl** Jim Aitchison, 1995 *Women and the Politics of Representation in Southeast Asia* Adeline Koh, Yu-Mei Balasingamchow, 2015-06-03 Singapore and Malaysia are rapidly modernising globalising Asian states which although being distinct nations since 1965 share common elements in the on going struggle over the meaning of gender and sexuality in their societies This is the first book to discuss a range of discourses around gender in these two countries *Women and the Politics of Representation in Southeast Asia* Engendering Discourse in Singapore and Malaysia seeks to give an overview of how gender and representation come together in various configurations in the history and contemporary culture of both nations It examines the discursive construction of gender sexuality and representation in a variety of areas including the politics of everyday life education popular culture literature film theatre and photography Chapters examine a range of tropes such as the Orientalist Sarong Party Girl the iconic Singapore Girl of Singapore Airlines and the figure of pious Muslim femininity celebrated by Malaysian NGO IMAN all of which play important roles in delineating limitations for gender roles The collection also draws attention to resistance to these gender boundaries in theatre film blogs and social media and pedagogy Bringing together research from a variety of humanistic and social science fields such as film material culture semiotics literature and pedagogy the book is a comprehensive feminist survey that will be of use for students and scholars of Women s Studies and Asian Studies as well as on courses on gender media and popular culture in Asia *Social Cultural Engineering and the Singaporean State* Khun Eng Kuah, 2018-02-28 This book a collection of previously published articles focuses on the role of the Singaporean State in social cultural engineering It deals with the relationship between the Singaporean state and local agencies and how the latter negotiated with the state to establish an acceptable framework for social cultural engineering to proceed The book also highlights the tensions and conflicts that occurred during this process The various chapters examine how the Singaporean state used policies and regulatory control to conserve and maintain ethno cultural and ethno religious landscapes develop a moral education system and how the treatment of women and its morality came into alignment with the values that the state espoused upon from the 1980s through the 1990s **The Mirth of Nations** Christie Davies, 2017-07-28 *The Mirth of Nations* is a social and historical study of jokes told in the principal English speaking countries It is based on use of archives and other primary sources including old and rare joke books Davies makes detailed comparisons between the humor of specific pairs of nations and ethnic and regional groups In this way he achieves an appreciation of the unique characteristics of the humor of each nation or group A tightly argued book *The Mirth of Nations* uses the comparative method to undermine existing theories of humor which are rooted in notions of hostility conflict and superiority and derive ultimately from Hobbes and Freud Instead Davies argues that humor merely plays with aggression and with rule breaking and that the form this play takes is determined by social structures and intellectual traditions It is not related to actual conflicts between groups In particular Davies

convincingly argues that Jewish humor and jokes are neither uniquely nor overwhelmingly self mocking as many writers since Freud have suggested Rather Jewish jokes like Scottish humor and jokes are the product of a strong cultural tradition of analytical thinking and intelligent self awareness The volume shows that the forty year popularity of the Polish joke cycle in America was not a product of any special negative feeling towards Poles Jokes are not serious and are not a form of determined aggression against others or against one's own group The Mirth of Nations is readable as well as revisionist It is written with great clarity and puts forward difficult and complex arguments without jargon in an accessible manner Its rich use of examples of all kinds of humor entertains the reader who will enjoy a great variety of jokes while being enlightened by the author's careful explanations of why particular sets of jokes exist and are immensely popular The book will appeal to general readers as well as those in cultural studies

*Malaysia Human Rights Report 2016* SUARAM, 2017-06-07 SUARAM's Annual Human Rights Report on Malaysia is widely recognized as the most objective comprehensive and dependable source of information on the state of human rights in Malaysia It documents the human rights violations as well as the struggles of human rights defenders that take place in Malaysia during the year As a beleaguered government tried to deflect international criticisms of the 1MDB scandal throughout 2016 human rights violations have continued Detention without trial remained an area of concern while police shootings saw an alarming increase Freedom of expression was seriously constrained while the freedom of assembly has been usurped by neo fascist groups with state connivance The freedom of movement of some Malaysians has been taken away on federal and state government orders while the freedom of religion was under threat by a private member's bill on hudud in parliament Meanwhile free and fair elections are seriously threatened by an on going redelineation exercise that reeks of gerrymandering and malapportionment The LGBTIQ community remain under siege and harassment by state religious authorities the indigenous peoples still suffer infringement of their native customary lands by state sanctioned loggers while refugees and asylum seekers still live under threat of harassment by enforcement agencies

*The Portrayal of Foreigners in Indonesian and Malay Literatures* V. I. Braginskiĭ, Ben Murtagh, 2007 This volume comprising eight closely related articles which were originally presented at the EUROSEAS 2004 conference in Paris examines the depiction of foreigners in a range of Indonesian and Malay literary works spanning four centuries from traditional texts in Malay and Javanese to modern Malaysian fiction and a Singaporean novel written in English Sharing ideas of Said's conception of

Orientalism and its twin brother Occidentalism and Todorov's theory of monological and dialogical inter cultural and inter ethnic relations the authors of the papers concentrate on the problem of the other The crux of this problem is how literary discourse of the examined writers both traditional and modern reveals the images and perceptions of their Malay and Indonesian neighbors and the world beyond the Western world in particular **International Books in Print** ,1997

*Hollywood and the Female Body* Stephen Handzo,2020-01-17 From the first brief moving images of female nudes in the 1880s to the present the motion picture camera made the female body a battleground in what we now call the culture wars Churchmen feared the excitation of male lust feminists decried the idealization of a body type that devalued the majority of women This history of Hollywood's treatment of women's bodies traces the full span of the motion picture era Primitive peepshow images of burlesque dancers gave way to the artistic nudity of the 1910s when model Audrey Munson and swimmer Annette Kellerman contended for the title of American Venus Clara Bow personified the qualified sexual freedom of the 1920s flapper Jean Harlow Mae West and the scantily clad chorus girls of the early 1930s provoked the Legion of Decency to demand the creation of a Production Code Administration that turned saucy Betty Boop into a housewife Things loosened up during World War II when Betty Grable and Rita Hayworth ruled the screen The postwar years saw the blonde bombshells and mammary madness of the 1950s while the 1960's brought bikini clad sex kittens With the replacement of the Production Code by a ratings system in 1968 nudity and sex scenes proliferated in the R rated movies of the 1970s and 1980s Recent movies often directed by women have pointed the way toward a more egalitarian future Finally the MeToo movement and the fall of Harvey Weinstein have forced the industry to confront its own sexism Each chapter of this book situates movies famous and obscure into the context of changes in the movie industry and the larger society Dressed to Grill Karen Brooks,Diane Morgan,Reed Darmon,2002-03 Dressed to Grill is certain to appeal to the way women cook today fast and furious with a healthy nod to low fat ingredients *The Encyclopedia of Hollywood Film Actors* Barry Monush,2003-04-01 For decades Screen World has been the film professional's as well as the film buff's favorite and indispensable annual screen resource full of all the necessary statistics and facts Now Screen World editor Barry Monush has compiled another comprehensive work for every film lover's library In the first of two volumes this book chronicles the careers of every significant film actor from the earliest silent screen stars Chaplin Pickford Fairbanks to the mid 1960s when the old studio and star systems came crashing down Each listing includes a brief biography photos from the famed Screen World archives with many rare shots vital statistics a comprehensive filmography and an informed entertaining assessment of each actor's contributions good or bad In addition to every major player Monush includes the legions of unjustly neglected troupers of yesteryear The result is a rarity an invaluable reference tool that's as much fun to read as a scandal sheet It pulsates with all the scandal glamour oddity and glory that was the lifeblood of its subjects Contains over 1 000 photos
