Revenue Law Textbook:

Revenue Law Michael Tookey, 2002 **Revenue Law Textbook** Holborn Law Tutors, 1985 Textbook on Revenue Law Adrian Shipwright, Elizabeth Keeling, 1997-01-01 Tiley's Revenue Law Glen Loutzenhiser, 2019-08-22 This is the ninth edition of John Tiley's major text on revenue law covering the UK tax system income tax capital gains tax and inheritance tax as well as incorporating sections dealing with corporation tax international and European tax savings and charities This new edition is fully revised and updated with the latest case law statutory and other developments including Finance Act 2019 The book is designed for law students taking the subject in the final year of their law degree or for more advanced courses and is intended to be of interest to all who enjoy tax law Its purpose is not only to provide an account of the rules but also to include citation of the relevant literature from legal periodicals and some discussion of or reference to the background material in terms of policy history or other countries tax systems Copy the URL below to read a 2021 supplement highlighting new developments since the book's publication in 2019 <https://www.bloomsbury.com/media/2v1ej5vw/tileys-revenue-law-supplement-2021.pdf> **Revenue law** Paul MacNicholl, 1992 *Textbook on Revenue Law* Adrian Shipwright, Elizabeth Keeling, 1998 This work concentrates on the living tax law and its practical ramifications It offers a presentation of this complex and ever changing subject and deals with the subjects found on most undergraduate and postgraduate degree tax courses The second edition has been updated to take account of the Finance Act 1998 and other recent development **Tiley's Revenue Law** Glen Loutzenhiser, John Tiley, 2022 This is the 10th edition of John Tiley's classic textbook on revenue law covering the UK tax system income tax capital gains tax inheritance tax and corporation tax as well as incorporating sections dealing with international and European tax savings charities and new to this edition value added tax and stamp duties The new edition has been comprehensively revised and fully updated with the latest case law statutory and other developments including the Finance Act 2021 The book's companion website provides bonus chapters on investment intermediaries pensions charities and the UK's value added tax and stamp duties The companion website will also supply annual updates to the print edition as well as study questions to help students navigate this complex subject The book is designed for students taking modules in tax law in the final year of their law degree or for more advanced courses It is also a valuable resource for academics and professionals in the field It provides an account of the rules as well as citation of the relevant literature from legal periodicals and some discussion of or reference to the background material in terms of policy history or other countries tax systems to give readers a contextual overview of the subject Accompanying online resources for this title can be found at [bloomsbury pub tileys revenue law](https://www.bloomsburypub.com/tileys-revenue-law) These resources are designed to support teaching and learning when using this textbook and are available at no extra cost Revenue Law John Tiley, Glen Loutzenhiser, 2012-10-11 This is the 7th Edition of John Tiley's major text on revenue law now massively restructured to focus upon the UK Tax system Income Tax Capital Gains Tax and Inheritance Tax What were previously sections dealing with Corporation Tax International

and European Tax Savings and Charities have been spun off to an entirely new book entitled *Advanced Topics in Revenue Law*. While this narrowing of the scope of Revenue Law means that it focuses on the most important UK taxes its reduced size also makes it a more manageable and portable volume for law students and practitioners. As with previous editions the text has been revised to incorporate changes wrought by new enactments in the past four years. This however remains the only book on tax law which continues to explain the new law found in ITEPA, ITTOIA and ITA in light of its legislative predecessors with references to the former enactments still remaining where relevant. Those familiar with the old law of income tax but wanting to find their way round the new will find this work particularly valuable. The book is designed for law students taking the subject in the final year of their law degree course or for more advanced courses and is intended to be of interest to all who enjoy tax law. Its purpose is not only to provide an account of the rules but to include citation of the relevant literature from legal periodicals and some discussion of or reference to the background material in terms of policy, history or other countries tax systems.

Tiley's Revenue Law Glen Loutzenhiser, 2022-05-05. This is the 10th edition of John Tiley's classic textbook on revenue law covering the UK tax system: income tax, capital gains tax, inheritance tax and corporation tax as well as incorporating sections dealing with international and European tax savings, charities and new to this edition value added tax and stamp duties. The new edition has been comprehensively revised and fully updated with the latest case law, statutory and other developments including the Finance Act 2021. The book's companion website provides bonus chapters on investment intermediaries, pensions, charities and the UK's value added tax and stamp duties. The companion website will also supply annual updates to the print edition as well as study questions to help students navigate this complex subject. The book is designed for students taking modules in tax law in the final year of their law degree or for more advanced courses. It is also a valuable resource for academics and professionals in the field. It provides an account of the rules as well as citation of the relevant literature from legal periodicals and some discussion of or reference to the background material in terms of policy, history or other countries tax systems to give readers a contextual overview of the subject. Accompanying online resources for this title can be found at [bloomsbury pub tileys revenue law](#). These resources are designed to support teaching and learning when using this textbook and are available at no extra cost.

Revenue Law David Salter, John Snape, Natalie Lee, 2007-11-01. A supplementary student title to *Revenue Law: Principles and Practice*. This title takes the basic principles of revenue law, analyses them and reproduces extracts from cases, books, journals and reports. Contents include: The Characteristics of a Good Tax System; Taxation and Human Rights; Categories of Income Tax; Credits; Trusts and Estate Income; and Inheritance Tax.
