Reverse Angle A Decade Of American F:

Sam Peckinpah's Feature Films Bernard F. Dukore,1999 One of the greatest film directors America has produced Sam Peckinpah revolutionized the way movies were made In this detailed and insightful study Bernard F Dukore examines Peckinpah s fourteen feature films as a coherent body of work He investigates the director s virtuosic editing techniques thematic preoccupations that persist from his earliest to his last films and the structure of his dramatic depiction of violence He also addresses Peckinpah s cognizance of existentialism and the substantial traces this interest has left in the films At the heart of Dukore s study is an extensive and detailed examination of Peckinpah s distinctive editing techniques Focusing on representative sequences including the breakout from the bank and the final battle in *The Wild Bunch* the half hour siege that concludes *Straw Dogs* the killing of the title characters of Pat Garrett and Billy the Kid and combat sequences in *Cross of Iron* Dukore provides a shot by shot analysis that illuminates Peckinpah s mastery of pacing and mood Sam Peckinpah s *Feature Films* demonstrates that Peckinpah s genius as a director and editor marks not only *The Wild Bunch* *Straw Dogs* and other classics but also his lesser known feature films even those that suffered substantial cuts at the hands of studio producers Dukore s organic approach to the feature films reveals a highly unified body of work that remains a pointed commentary on power violence affection and moral values **The Pedagogy of Adaptation** Dennis Cutchins,Laurence

Raw,James M. Welsh,2010-02-23 From *All Quiet on the Western Front* and *Gone with the Wind* to *No Country for Old Men* and *Slumdog Millionaire* many of the most memorable films have been adapted from other sources And while courses on film studies are taught throughout the world *The Pedagogy of Adaptation* makes a strong case for treating adaptation studies as a separate discipline What makes this book unique is its claim that adaptation is above all a creative process and not simply a slavish imitation or reproduction of an original This collection of essays focuses on numerous contexts to emphasize why adaptations matter to students of literature It is the first such volume devoted exclusively to teaching adaptations from a practical teacher centered angle Many of the essays show how adaptation as a discipline can be used to prompt reflection on cultural historical and political differences Written by specialists in a variety of fields ranging from film radio theater and even language studies the book adopts a pluralistic view of adaptation showing how its processes vary across different contexts and in different disciplines Defining new horizons for the teaching of adaptation studies these essays draw on such disparate sources as *Frankenstein* *Moby Dick* and *South Park* This volume not only provides a resource book of lesson plans but offers valuable pointers as to why teaching literature and film can help develop students skills and improve their literacy

Lloyd Billingsley,1999-07-30 Discusses the impact and influence of television and film on society **Adapting Henry James to the Screen** Laurence Raw,2007 Adapting a novel for cinema or television is first and foremost a business enterprise where the screenwriter has to take into account the wishes of conflicting interest groups including producers stars directors and spectators **The Bennetts** Brian Kellow,2004-11-26 An engrossing new page

Hollywood Reporter In the early 1930s Constance Bennett was the highest paid star in Hollywood famous for dramatic roles before reinventing herself in the classic comedy *Topper* starring opposite Cary Grant Her sister Joan played the femme fatale in films like *Scarlet Street* and also starred in lighter films like *Father of the Bride* Though their names are not well known today the Bennett family is one of the most storied families in Hollywood history The saga begins with Richard Bennett who left small town Indiana to become one of the bright lights of the New York stage during the early twentieth century In time however Richard's fame was eclipsed by that of his two acting daughters But the Bennett family also includes another sister Barbara whose promising beginnings as a dancer gave way to a turbulent marriage to singer Morton Downey and a steady decline into alcoholism Constance and Joan were among Hollywood's biggest stars but their personal lives were anything but serene In 1943 Constance became entangled in a highly publicized court battle with the family of her millionaire ex husband and in 1951 Joan's husband producer Walter Wanger shot her lover in broad daylight sparking one of the biggest Hollywood scandals of the 1950s
