Hoolsema, Jr., 2006-12-29 The book Prophecy and the Doctrines of Grace attempts to connect the two great biblical themes of Gods sovereign grace and His divine plan for the future It compares the views of both the reformed and dispensational camps and how these differences affect ones views of future things Other doctrines such as baptism the Lords Day and election are explored The book closes with a discussion of the new heavens and the new earth in Revelation 21 22 We have a great and loving God whose love for us spans from eternity past to eternity future We can say with Paul in I Corinthians 2 9 Eye has not seen nor ear heard nor have entered into the heart of man the things which God has prepared for those who love him     *Border Crosser* Tom Doyle, 2023-09-15 In a galaxy gone insane only mad person would fight for freedom That person is Eris a charismatic spy with a violent borderline personality and emotional amnesia she doesn t remember her loyalties This allows her to pass from world to world without mental scanners detecting her long term intentions making her a border crosser The Asylum cabal has artificially amplified Eris s condition so that she ll cause interstellar chaos for the limited time she survives When Eris discovers the Asylum s manipulation of her she sets out to find its hidden leaders and destroy them From decadent old Earth to the frontier estates of Mars Eris hunts her first quarry the Asylum s architect of genocides Her chase then leads her out to the stars where she discovers still deadlier dangers from humanity s past and her own As she fights galaxy spanning nightmares Eris knows that
