Who's Paying Attention? Kenneth Stanford, 2022-11-03 The title Who's Paying Attention focuses on my quest to personally know the God of All Creation and subsequently over the years to aEURoeget to grips aEUR with the contents of aEURoethe Bible aEUR the way God would want mankind to understand them Included in the title logic is the use of specific help aids in the form of Bibles dictionaries atlases etc and not forgetting prayer to God the Father of Jesus of

Nazareth who was my most important help aid as generically speaking the Bible is not an easy book to understand Who's Paying Attention contains some of my findings which I can say with confidence that I received divine enlightenment from God otherwise I would have remained none the wiser aEUR even after surfing much topical literature In a nutshell the answer to the title of this book requires that any passionately interested Bible student must adopt a role of a focused detective and at the same time rely on God through reverential prayer aEUR for divine help to solve unclear or confusing sections of Scripture It is on this basis that Who's Paying Attention became the prelude to Watchman Watchman What of the Night aEUR my second book which further demonstrates the essential reliance on God for divine enlightenment in the Scriptures rather than skewing the approach towards man and available literature in order to obtain aEUR oea correct answer aEUR

Notwithstanding the above we all still have much to learn about the Bible and the members of the Godhead aEUR who were instrumental in making the Bible a reality *The Bible in History* Robert B. Waltz, *The Bible in History* A study of the history folklore and occasionally even the mathematics underlying the Bible A sort of dictionary of scholarly material you likely won't find elsewhere Dedicated to Elizabeth Rosenberg Patricia Rosenberg and Catie Jo Pidel Please understand that this is not a Biblical commentary Also while I try very hard to avoid actual theological discussions the work is very much based on external evidence the manuscripts of the Bible the evidence of other historical records the findings of science the folklore about the Bible Some of this can be offensive to some particularly those who try to find exact literal truth in the Bible I hope you will accept it or else not read it in that light If you are still interested there is a lot of historical background about the Bible here not always direct links to the Bible but the context of the nations among whom the Israelites lived There is no Biblical mention of say Nabopolassar of Babylon but his actions would deeply influence Judean history Knowing even a little of that history can help understand the Bible Also where there are variant readings in the manuscripts of the Hebrew Bible or the New Testament I note it This may mean that we are uncertain what the Bible says and hence what it means I try either to recover the original meaning or in some cases to assess the meanings of both readings And then there are the tidbits of science and folklore and anything else I can think of The result is a grab bag Some parts may be useful some may not The idea is to browse and see what strikes your fancy With luck you'll understand more about the Bible after doing so *Report to the 76th General Convention* Church Publishing, Inc. (New York, N.Y.), 2009-05 This document includes the reports of the Committees Commissions Agencies and Boards of the General Convention of the Episcopal Church to the 76th General Convention in Anaheim California July 8-17 2009 Tobit Joseph A.
