Market Strategies and German Literature in the Long Nineteenth Century Vance Byrd, Ervin Malakaj, 2020-01-20 Building upon recent German Studies research addressing the industrialization of printing the expansion of publication venues new publication formats and readership Market Strategies maps a networked literary field in which the production promotion and reception of literature from the Enlightenment to World War II emerges as a collaborative enterprise driven by the interests of actors and institutions These essays demonstrate how a network of authors editors and publishers devised mutually beneficial and at times conflicting strategies for achieving success on the rapidly evolving nineteenth century German literary market In particular the contributors consider how these actors shaped a nineteenth century literary market which included the Jewish press highbrow and lowbrow genres and modernist publications They explore the tensions felt as markets expanded and restrictions were imposed which yielded resilient new publication strategies fostered criticism and led to formal innovations The volume thus serves as major contribution to interdisciplinary research in nineteenth century German literary media and cultural studies

On Brokeback Mountain Eric Patterson, 2008-01-17 On Brokeback Mountain Meditations About Masculinity Fear and Love in the Story and the Film provides a close detailed comparative discussion of the short story and the film in relation to ways of understanding masculinity and love between men in American culture It uses analytical ideas from gay and lesbian queer studies American studies social history film history and literary history but avoids specialized theoretical language in order to be accessible to the many people interested in the story and the film Original interdisciplinary and engaging On Brokeback Mountain is intended to be not only useful to academic specialists but also accessible and readable for any interested educated reader The two versions of Brokeback Mountain are significant for taking readers and audiences inside the perspectives of men who love men showing what physical and emotional passion and hostility toward that passion may be like for them The story and the film help in understanding the many men who love men and who don't fit stereotypes of gay men or participate in the gay queer worlds of urban academic communities especially men in rural areas and in working class contexts This book examines the presentation of friendship sex and love between men in Brokeback Mountain as well as the depiction of homophobia and its effects on men who love men and their families It relates the story and the film to the literary tradition of the homoerotic pastoral the literary movie tradition of the Western and the tradition of the tragic romantic love story

Whitman's Ecstatic Union Michael Sowder, 2013-10-31 First Published in 2005 Whitman's Ecstatic Union rereads the first three editions of Leaves of Grass within the context of a nineteenth century antebellum evangelical culture of conversion Though Whitman intended to write a new American Bible and inaugurate a religion contemporary scholarship has often ignored the religious element in his poetry But just as

evangelists sought the redemption of America through the reconstruction of individual subjects in conversion Leaves of Grass sought to redeem the nation by inducing ecstatic regenerating experiences in its readers Whitman's Ecstatic Union explores the ecstasy of conversion as a liminal moment outside of language and culture and employing Althusser's model of ideological interpellation and anthropological models of religious ritual shows how evangelicalism remade subjects by inducing ecstasy and instilling new narratives of identity The book analyzes Whitman's historical relationship to preaching and conversion and reads the 1855 Song of Myself as a conversion narrative A focus on the 1856 edition and the poem To You explores the sacred seductions at the heart of Whitman's poetry Crossing Brooklyn Ferry and Whitman's vision of a world of perfect miracles are then connected to a conception of universal affection uncannily paralleling Jonathan Edwards' ideal of love to being in general A conclusion looks toward the transformations of Whitman's vision in the 1860 edition

Imagined Evangelical Communities Anna Engle, 2000 **Walt Whitman and Popular Culture of the Nineteenth Century** Patricia A Rockeman, 2012 Whitman, Elegy, and the Nineteenth Century Culture of Death and Mourning Susan Renee Nylander, 2009 In this thesis the author offers a close reading and analysis of several of Walt Whitman's elegies and poems about death and mourning through the nineteenth century practices of mourning and death
