Revival We Need:

The Revival We Need Oswald Smith, 2015-06-06 Five years ago there came into my life a spiritual experience that revolutionized my work and resulted in a Ministry characterized by some of the manifestations that usually accompany Revivals It was in this atmosphere that these messages were born and while the writing of them has occupied the five intervening years they but breathe the spirit that then prevailed May God through them reveal to His servants the shallowness apparent in so much of our Modern Evangelism and turn them to that deep and abiding work of the Holy Spirit which will alone stand the test of divine fire Oswald J Smith Toronto 1922 **The Revival We Need** Oswald J. Smith, 2012-02-20 The Revival We Need for its size is the most powerful plea for revival one can read *It's Revival We Need* Charles William Fisher, 1983 *The Need for a New Revival* Witness Lee, 2015-05-30 This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word At the same time it provides a limited review of the Memorial Day weekend conference held in St Louis Missouri May 22 25 2015 The general subject of the conference was The Need for a New Revival Through intimate contact with the Lord in His word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ **The Revival We Need** Oswald J. Smith, 2018-02 An adapted version of the 1925 booklet on revival by Oswald J Smith Introduction and conclusion written by Evangelist Caleb Garraway **The Ministry, Vol. 10, No. 06** Various Authors, 2006-09-01 This issue of The Ministry contains a complete record of the messages given during the Memorial Day weekend conference held in Phoenix Arizona May 26 29 2006 The general subject of the conference was entitled Cooperating and Coordinating with the Energizing God in His Up to date and Ultimate Move to Carry Out His Economy and the main burden of the conference can be summarized by the following four statements 1 we need to cooperate and coordinate with the inner energizing Triune God to bring in a new revival and turn the age 2 the burning of the seven lamps of fire motivates us to rise up and take action to carry out God's ultimate move in raising up the golden lampstands 3 we need to march on as one with the energizing God and fight the battle to recover the earth for the kingdom of God and 4 we need to cooperate and coordinate with Christ in His heavenly ministry to be His overcomers for His up to date and ultimate move to carry out His economy Last of all we include a report concerning a recent conference for the young people in Europe Quest for Revival Ron McIntosh, 2023-05-02 Now is the Time to Embrace God's Revival Fires Manifestations of God's presence and power are known to have swept the world in past revivals with amazing healings and miracles But today how often do we see God's mighty power Now more than ever we need the refreshing of the Lord In Quest for Revival international Bible teacher and revival **The Ministry of the Word, Vol. 25, No. 03: Vital Factors for the Recovery of the Church Life** Various Authors, This issue of The Ministry of the Word contains the eight messages of the international training for elders and responsible ones hosted by Living Stream Ministry on April 16 18 2021 The messages were provided

via webcast from Anaheim California and the mutual fellowship prophesying and studying by groups were practiced locally in the various churches that participated The general subject of this series of messages is Vital Factors for the Recovery of the Church Life The ultimate goal in God s eternal economy is the building up of the church as the Body of Christ to consummate the New Jerusalem the bride of the redeeming God In the age of the church there needs to be an understanding experience and application of various vital factors for the strengthening and full recovery of the church life A factor is an element that actively contributes to the production of a result In this series of messages we will see eight vital critical and strategic elements that actively contribute to the recovery of the church life K'oria Misyõn P'ildũ ,1928 **With One Accord in**

One Place Armin Gesswein,2014-09-30 Most know that prayer was important to the early church But few grasp what that should mean for the church today The early church was a prayer meeting says Armin Gesswein Using the book of Acts With One Accord in One Place looks at the role of prayer in the early church and how through prayer and the empowerment of the Holy Spirit this praying church changed the world forever This modern classic will challenge and inspire you to work toward prayer s rightful place in your own church Prayer will shake up and empower your congregation to be kingdom changers

The State of the Church Andrew Murray,2010-01-01 In 1911 global mission leaders met in Edinburgh Scotland to confront a church lacking vitality and effectiveness Andrew Murray responded with this urgent call to repentance and prayer which helped incite one of the most fruitful missionary movements in church history This contemporized edition of The State of the Church speaks vividly to believers today Messenger and Visitor ,1915 **State of the Kingdom Address** David G Newby,2017-12-13 Every year since 1790 during the presidency of George Washington the President of the United States has given an annual speech to the nation That speech is known as The State of the Union Address In it he discusses the greatest problems of the nation as well as a plan to overcome them The president s speech is one that unifies the nation and encourages citizens to work together to improve the country as one people regardless of party association or general beliefs and convictions The one thing that can arguably be agreed upon by most people is that everybody wants to live in a better country and benefit from the liberties life and opportunity that the United States has to offer This is a noble cause and makes the State of the Union Address more than simply a speech It is a bond that brings people together under the red white and blue Accordingly millions of people tune in each year around the last week of January to watch the State of the Union live on television on all the major networks Undoubtedly the State of the Union is an important event The fact that the speech is an annual tradition of one of the most powerful nations in the world stresses the importance of it Countries all around the world are affected by the legislative agenda of the U S as discussed in the speech regarding economies human rights defense human aid global business trade environmental issues world health and more Given the value placed on the State of the Union one should reasonably conclude that a state of the world address is in order After all doesn t SOTU generally speaking focus mostly on the well being of the United States Of course it does Now what seems more appropriate is to have a general

address concerning the physical but even moreso the spiritual state of every nation in the world That s to say that spiritual life reigns supreme and every nation is under God both in spirit and in flesh God s Kingdom Government rules all other kingdoms And that is the premise behind the State of the Kingdom Address SOKA SOKA is a parody of SOTU In a sense it is intended to awaken governments and people worldwide The LORD not only wants to show His authority and authorship on earth as the Almighty but He desires to 1 build up the Body of Christ 2 usher in the end time revival and 3 bring the people back to Him The book is intended to show people that we have gotten away from the big picture People have become so focused on the small insignificant things in life like The State of the Union as important as it is yet have lost track of the things which matter most God and His Kingdom Without question most people would likely agree that God s Kingdom is the most powerful important government in the world Through SOKA the world will see that the state of a country pales in comparison to the state or condition of God s Kingdom namely the Church That inevitable day of Jesus Christ coming back to earth is approaching And the world has to prepare for it in the midst of going about our daily lives Are you ready for the ride of your life Enter Chapter One Behold I Come Quickly if you dare
