

VII. Revivals and Reform

- Religion = key motive for reform
- Evangelicals call for personal repentance/ conversion to:
 - attain salvation
 - create basis for Second Coming

Revivals

- Revivalists stress human perfectibility:
 - all can attain salvation
 - all can improve
 - all have moral obligation to fight evil

Revivals Of Religion

William Buell Sprague

Revivals Of Religion:

Lectures on Revivals of Religion Charles Grandison Finney, 1835 **Lectures on Revivals of Religion** William Buell Sprague, 1832 **Revivals of Religion** James Luther Glascock, 1911 *Revivals of Religion* Charles G. Finney, 1962

Lectures on Revivals of Religion William Buell Sprague, 1833 Revivals of Religion James Porter, 1860 Revivals of Religion James Porter, 1849 *Lectures on Revivals of Religion* William Buell Sprague, 1959 **Pastoral discourses on revivals in religion** Henry Forster Burder, 1829 **Lectures on Revivals of Religion: with an introductory essay by L. Woods. Also an appendix consisting of letters from Dr. Alexander, Wayland, Dana, etc** William Buell SPRAGUE, 1833

History and Character of American Revivals of Religion Calvin Colton, 1832 History and Character of American Revivals of Religion Calvin Colton, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1832 edition Excerpt CHAPTER VII MEANS OF ORIGINATING AND PROMOTING REVIVALS AND HINDERANCES CONSIDERED By this time in the progress of these discussions DEGREES I hope the distinct and proper economy of a revival is sufficiently defined and well understood I have endeavoured to present it as a dispensation of Providence of a marked and peculiar character brought upon a community by the outpourings of the Spirit of God in fulfilment of the predictions and in execution of the design of Christianity for the more powerful richer and more manifest displays of Divine grace in the greater and comparatively sudden increase of the Church by the conversion of many sinners in company augmenting the faith of Christians and invigorating their Christian character It is a special season and to the Church a refreshing visitation It is as I have frequently remarked an economy of a distinct and peculiar character all the specialty of which is owing entirely to the Spirit of God As it is impossible fully to appreciate the power of it except by being immersed in its own atmosphere and then only for the time being so is it difficult to describe it by an ordinary technical definition I have elsewhere recognised the occurrence of revivals the instrumentality of which has not been obvious Of such facts there have formerly been many instances in the United States And I cannot doubt it is one of the features of these dispensations of mercy to man in the outset of a series in store for a nation or people where experience is wanting that God pours forth his Spirit like unexpected showers upon the thirsty earth But although this may be a fact and one part of the character of religious revivals yet it is no less true that obvious instrumentalitie *Holy Spirit Revivals* Charles G. Finney, 2016-03-04 The Power of God at Work Charles Finney s ministry led to some of the most amazing revivals that have ever occurred in the United States or England In *Holy Spirit Revivals* Finney recalls those events revealing the secrets that led to the mass conversions of lost souls in his meetings throughout upstate New York as well as in Boston Philadelphia and London Finney was unafraid of offending delicate ears by addressing the problem of sin head on and his dedication to prayer his understanding of Scripture and his radical reliance on the power of the Holy Spirit are a great template for believers today This treasured account of one

of the greatest Christian preachers in history is an outstanding resource for anyone interested in seeing a revival of faith in the church

Revival and Revivalism Iain Hamish Murray, 1994 Murray analyses a crucial period in American religious history with particular attention to the major theme of the nature of religious revival. He rejects the common identification of revival and revivalism, showing that the latter differed from the former both in its origins and its implications. Whereas in the earlier period revival was understood as supernatural, heaven-sent, in the later period the ethos was much more man-centred, the methods employed much closer to the manipulative. The change in perspective can be summed up by saying that revival was first viewed as *OE*sent down but later seen as *OE*worked up. A pivotal figure in the change, a major promoter of the new methods, was Charles Grandison Finney (1792-1875). Murray traces developments from the time of Samuel Davies (1763-61) through the age of the Second Great Awakening to the New York Awakening of 1857-8. In addition to Davies and Finney, major leaders whose names recur in these pages include Archibald Alexander (1772-1851) of Princeton Theological Seminary, Edward D. Griffin (1770-1837), Asahel Nettleton (1783-1844), and Arnold Dallimore. An outstanding biography, scholarly yet popularly written, of the leading preacher of the eighteenth-century evangelical revival, Whitefield (1714-70) is acknowledged to have made a greater impact on evangelical Christianity on both sides of the Atlantic than any other preacher of the eighteenth century. The first volume traces the early career of Whitefield to the end of 1740, at which point the twenty-six-year-old was already the most brilliant and popular preacher of the time and had already at age 24 commanded the largest congregations yet seen in America. The second volume traces the doctrinal conflict with John and Charles Wesley, Whitefield's visits to Scotland and Wales as well as the American colonies and the emergence of a Calvinistic branch of Methodism. Also provided are details of Whitefield's marriage, friendships, ceaseless labours, and early death, aged 55. The two-volume set casts new light on Whitefield's early life in Gloucester, religious conditions in England at the commencement of his preaching ministry, his influence on the Great Awakening of 1739-40 in America, his relationships with the Wesleys, his philanthropic endeavours, and his impact on all classes of English society, including the aristocracy.

A Narrative of the Revival of Religion in New England ... Jonathan Edwards, John Pye Smith, 1829

Lectures on Revivals of Religion William B. Sprague, 2015-06-25 Excerpt from Lectures on Revivals of Religion. The following lectures were delivered during the preceding autumn and winter to the congregation with which the author is connected in the ordinary course of his public ministrations. The grand object at which he has aimed has been to vindicate and advance the cause of genuine revivals of religion, and in doing this he has endeavored to distinguish between a genuine revival and a spurious excitement, to defend revivals against the cavils of their opposers, to show the causes which operate to prevent or retard them, to exhibit the agency of God and the instrumentality of men by which they are produced and sustained, to guide the inquiring sinner and establish the young convert, to guard against the abuses to which revivals are liable, and to anticipate the glorious results to which they must lead. The Great Awakening Richard L. Bushman, 2013-04-01 Most twentieth century Americans fail to appreciate the power of Christian conversion that characterized the eighteenth century revivals especially the Great Awakening of the 1740s The common disdain in this secular age for impassioned religious emotion and language is merely symptomatic of the shift in values that has shunted revivals to the sidelines The very magnitude of the previous revivals is one indication of their importance Between 1740 and 1745 literally thousands were converted From New England to the southern colonies people of all ages and all ranks of society underwent the New Birth Virtually every New England congregation was touched It is safe to say that most of the colonists in the 1740s if not converted themselves knew someone who was or at least heard revival preaching The Awakening was a critical event in the intellectual and ecclesiastical life of the colonies The colonists view of the world placed much importance on conversion Particularly Calvinist theology viewed the bestowal of divine grace as the most crucial occurrence in human life Besides assuring admission to God's presence in the hereafter divine grace prepared a person for a fullness of life on earth In the 1740s the colonists in overwhelming numbers laid claim to the divine power which their theology offered them Many experienced the moral transformation as promised In the Awakening the clergy's pleas of half a century came to dramatic fulfillment Not everyone agreed that God was working in the Awakening Many believed preachers to be demagogues stirring up animal spirits The revival was looked on as an emotional orgy that needlessly disturbed the churches and frustrated the true work of God But from 1740 to 1745 no other subject received more attention in books and pamphlets Through the stirring rhetoric of the sermons theological treatises and correspondence presented in this collection readers can vicariously participate in the ecstasy as well as in the rage generated by America's first national revival

A Letter to an Orthodox Minister on Revivals of Religion Bernard Whitman, 1831 **Lectures on Revivals of Religion (Classic Reprint)** William B. Sprague, 2017-09-13 Excerpt from *Lectures on Revivals of Religion* Clearly we must do this by ascertaining what is the character of those who are entitled to it and whether that character belongs to us This is the business of self examination a business of vast moment to all Christians though often neglected and when not entirely neglected often performed Without due regard to the proper test of character No language is adequate to describe the evils which result either from the omission of self inquiry or from an attempt to perform the duty while the proper rule of judgment is overlooked About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in

the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Great Awakening** Joseph Tracy, 1842

Revivals Of Religion Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Revivals Of Religion PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Revivals Of Religion PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources

available. In conclusion, the availability of Revivals Of Religion free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
