Rainer, 2022-08 There is hope God can save your church In this book Thom Rainer reveals seven findings of revived churches Through new research he figuratively dissects hundreds of churches that were on the path toward death But they turned around They revitalized They did so in the face of facts and naysayers who told them it could not be done Today three out of four churches are declining in our nation and twenty percent of churches are close to death What are the secrets of the churches who avoided this fate and experienced revival In *Anatomy of a Revived Church* Thom will show you how these churches experienced renewal He will cover everything from expanding the scorecard to dealing with toxins to choosing meaningful membership When you finish reading this book you will have the tools to strengthen restore and energize your church You can choose life for your church *Anatomy of a Revived Church* Thom S.

Lloyd-Jones, 1987-02-01 In every era the church needs revival certainly today as much as ever And in the heart of every committed Christian there is the longing for personal revival to know the quality and depths of spiritual reality and the presence of God in one's personal life This was the deepest desire of Dr Martyn Lloyd Jones one of the great 20th century Bible expositors It was also the purpose behind this series of messages which were first given on the 100th anniversary of the Great Revival which started in Wales and swept across England and throughout the United States and to the far corners of the world As Dr Lloyd Jones recognized it is a rare time in the history of the church when there is a great outpouring of the Holy Spirit and a time of special interest of every Christian who longs for revival today As Dr J I Packer writes in his foreword Dr Lloyd Jones believed in the necessity of revival that is a quickening divine visitation as the only vent that can avert ultimate spiritual disaster The thrustful urgency of the sermons in this book testifies to the depth of his conviction that without revival in the church there is really no hope for the Western world at all Dr Lloyd Jones deftly draws principles from the lives of Old and New Testament characters as well as expounding some of the great prayers of the Bible Clearly and forcefully he presents a masterful exposition of the circumstances accompanying revival in the past why each generation needs it and how it will come about today We must come to the sovereign God forsake our sin and wait upon Him for this special essential outpouring God bring us revival **Revival Now** James Burns, 2018-03-06 In Christian history no

phenomenon is clearer than the recurrence of revivals A passion for repentance sweeps across a city and those who had been unaware of the supernatural are now keenly aware of God's presence Gripped by conviction of wrongdoing they throw everything aside and desperately search for a way of salvation Our spiritual instincts are often clouded by worthless pursuits but God is working through His laws for the salvation of His people and for the world's good In **Revival Now** learn about God's laws of revival including the laws of progress spiritual growth ebbing tide fullness of time awakening variety and more Edited for today's reader by Tom Phillips **Revival Now** originally written by James Burns in 1909 **Revivals Their Laws and Leaders** traces common characteristics of past revivals and shows how our world today is ripe for a new profound move of God's Spirit Also included are inspirational prompts and prayers to help you experience Scripture and encounter Jesus A Jesus awakening is here DR TOM PHILLIPS is a farm boy from Mississippi whose grandfather was a circuit riding preacher His family's spiritual heritage originated in the great awakenings throughout the Southeast beginning in Kentucky in the early 1800s Today Tom is vice president of the Billy Graham Evangelistic Association BGEA Tom and his wife Ouida have three grown children and make their home in Charlotte North Carolina The Chester Conference.
