**Eric J. Hobsbawm**

## **Revolucionarios Ensayos Contemporaneos:**

**Revolucionarios** Eric John Hobsbawm, 2017

Revolucionarios ensayos contemporaneos Eric J. Hobsbawm, 1978

**Revolucionarios** Eric J. Hobsbawm, 2000

**Revolucionarios** Eric Hobsbawm, 2010-10 **Revolucionarios** es una serie de estudios de Eric J. Hobsbawm sobre el concepto y la práctica de la revolución como instrumento de cambio social. Todos los matices del espectro revolucionario tienen cabida en este libro donde se nos habla del movimiento obrero y el marxismo de los partidos comunistas del anarquismo con una consideración especial al caso español de la guerra de guerrillas en Vietnam de mayo de 1968 en París de sexo y revolución de las insurrecciones urbanas o de los intelectuales y la lucha de clases entre otros temas. El objeto de estos trabajos dice Hobsbawm no es aumentar una vasta literatura de polémica de acusación y defensa sino ayudar a la clarificación y al entendimiento. Son en definitiva trabajos que nos ayudan a comprender mejor el mundo contemporáneo.

**Revolucionarios** Eric J. Hobsbawm, 2003-03-25 **Revolucionarios** es una serie de estudios de Eric J. Hobsbawm sobre el concepto y la práctica de la revolución como instrumento de cambio social. Todos los matices del espectro revolucionario tienen cabida en este libro donde se nos habla del movimiento obrero y el marxismo de los partidos comunistas del anarquismo con una consideración especial del caso español de la guerra de guerrillas en Vietnam de mayo de 1968 en París de sexo y revolución de las insurrecciones urbanas o de los intelectuales y la lucha de clases entre otros temas. El objeto de estos trabajos dice Hobsbawm no es aumentar una vasta literatura de polémica de acusación y defensa sino el de ayudar a la clarificación y al entendimiento. Son en definitiva trabajos que nos ayudan a comprender mejor el mundo contemporáneo.

**Paradoxes of Utopia** Juan Suriano, 2010 A social history of revolutionary ideas and lifestyles Política y Violencia en la España Contemporánea I Eduardo González Calleja, 2020-12-14 Las dificultades para el establecimiento de estructuras sociales políticas e institucionales estables en España a lo largo del siglo XIX han tenido estrecha relación con la violencia que caracterizó al proceso revolucionario liberal en sus diversas etapas. La presente obra destaca los aspectos de orden político social económico y cultural que contribuyeron a la plasmación y al desarrollo de los diversos repertorios y arquetipos violentos mostrando su origen su justificación ideológica sus componentes estratégicos sus resultados prácticos y su difusión en el espacio y en el tiempo. También presta atención a los dispositivos militares milicianos policiales gubernativos judiciales legislativos de defensa del Estado en su mutua interacción con los grupos que desafían su autoridad. Por último aborda un análisis en términos comparativos con otros países de la Europa latina como Portugal Francia e Italia sin olvidar el mundo colonial especialmente el antillano y otros espacios geopolíticos que tuvieron su incidencia en coyunturas más concretas. Con ello se trata de aclarar que lejos de tratarse de una singularidad española la violencia política ha sido un ingrediente característico en la historia de las transformaciones que las sociedades occidentales experimentaron desde las convulsiones revolucionarias del último cuarto del siglo XVIII.

Nuevos estudios y ensayos de literatura contemporánea

Manuel Alvar, 1991

**Historia contemporánea de Venezuela: 4. pte. Gobiernos revolucionarios. 1858-1863**

Francisco González Guinán, 1910 *Historia contemporánea de Venezuela: 4. pte. Gobiernos revolucionarios. 1858-1863. 5. pte. Gobierno de la federación* Francisco González Guinán, 1910 *Ensayos de filosofía moderna y contemporánea* Fernando Salmerón, 2000 *La idea de espacio en la arquitectura y el arte contemporáneos, 1960-1989* Javier Maderuelo Raso, 2008-09-01 La presente obra recrea el espacio como tema en la arquitectura y el arte contemporáneos principalmente en el periodo que abarca desde los primeros años sesenta hasta finales de los ochenta cuando la idea de espacio cobra un especial protagonismo El análisis del papel del espacio en las artes se centra en la escultura y sus desbordamientos de manera que se establece una especie de dialéctica entre el espacio arquitectónico y el escultórico rastreando los límites que se han generado en los límites de ambas disciplinas y que han dado origen a otros nuevos géneros en los que lo espacial aparece como una de sus características más definitorias Sin pretender llegar a hacer una historia de la cultura de una época o momento determinado este ensayo intenta superar las metodologías al uso en historiografía del arte así como los conceptos preestablecidos sobre las distintas artes para sirviéndose de ideas y acontecimientos filosóficos artísticos musicales literarios y arquitectónicos trazar un perfil del ambiente cultural que se respira en Occidente tras la Segunda Guerra mundial Para ello se sirve de un hilo conductor la idea de espacio *Los códigos ocultos del cardenismo* Raquel Sosa Elízaga, 1996 Attempts to decipher the codes of violence operating during the Cárdenas regime by analyzing internal and external pressures Sees the two greatest threats to the regime embodied in Saturnino Cedillo and Juan Andrew Almazán their defeat came at the cost of toning down the social movement initiated by Cárdenas Agrarian violence was the most important constant of the Cárdenas years Handbook of Latin American Studies v 58 <http://www.loc.gov/hlas> **Lecciones para el inconformista aturdido en tres horas y cuarto, por un ensayista inexperto y sin papeles** Irene Lozano, 2010-07-15 El capitalismo sufre su crisis más profunda y la izquierda carece de respuestas una reflexión crítica sobre la situación actual En medio de una profunda crisis económica provocada por los excesos del capitalismo sería de esperar un auge de la izquierda Pero los partidos laboristas socialistas y socialdemócratas se desangran en toda Europa Parece haber cada vez menos izquierda pero lo que ocurre con los izquierdistas Se han convertido en unos sin techo de las ideas de progreso desquiciados por las incongruencias de la izquierda oficial Irene Lozano recorre las causas de su aturdimiento desde la caída del Muro de Berlín para esbozar lo que a su juicio deberían ser las ideas fuerza de la izquierda hoy Con originalidad y perspicacia la autora aborda el declive del papel del intelectual en la discusión pública en un ensayo que hará pensar y disfrutar a los lectores Solo han de cumplir un requisito estar dispuestos a dejarse sorprender durante tres horas y cuarto

**Colombia contemporánea** Fernando Cepeda Ulloa, 1996 *Revoluciones imaginadas: itinerario de la idea revolucionaria en América Latina Contemporánea* Marianne González Alemán, Eugenia Palieraki, 2024-10-01 La revolución acontecimiento fundador de la modernidad política en Occidente y de los estados nacionales en América Latina ha sido a menudo considerada como una inclinación típicamente latinoamericana Reputación fundada o mito Este volumen colectivo

abarca la historia contemporánea latinoamericana desde las revoluciones de la Independencia hasta fines de los años 1980 para explorar el por qué del lugar central que ocupa la idea revolucionaria en el pensamiento y la práctica política de los actores. Lo que se destaca es que la revolución es efectivamente uno de los conceptos y componentes centrales del campo político latinoamericano. Sin embargo a diferencia de la historia europea o estadounidense esta noción no remite siempre a un proyecto de ruptura radical postulando la refundación del orden político y social. Con frecuencia la revolución ha sido más bien invocada para legitimar proyectos políticos regeneradores o reivindicar una concepción de la República que implicaba una participación más activa y directa de los ciudadanos en la vida política nacional. Así, las Revoluciones imaginadas no es una historia condensada de las verdaderas revoluciones que fueron realizadas sino de la imaginación revolucionaria y de su carácter performativo y legitimador.

#### **Cinco ensayos sobre literatura rusa contemporánea** Natalia Pikouch, 2007

Estos ensayos ofrecen una mirada que abarca histórica y literariamente la producción de los grandes escritores rusos desde la edad dorada con Pushkin hasta las obras más recientes incluyendo autores casi completamente desconocidos en nuestro medio.

*Transiciones en el mundo contemporáneo* Alberto Reig Tap, Josep Sánchez Cervelló, 2016-12-01 El concepto de transición es necesariamente confuso porque siempre resulta difícil delimitar cuál es el punto de partida de cualquier proceso de cambio político, económico o cultural en la sociedad, así como si es meramente coyuntural o afecta al conjunto de la estructura de un país. En consecuencia la delimitación del origen y término de cualquier proceso es siempre convencional y relativa. Para el conjunto de las ciencias sociales los procesos de cambio político han tenido siempre un considerable interés pues permiten entender mejor las sociedades modernas y actuar en consecuencia en su seno. Este libro que gira en torno al concepto de transición es fruto de las ponencias y comunicaciones presentadas en el Congreso Internacional sobre Transiciones que se celebró del 7 al 9 de mayo de 2014 en la Universitat Rovira i Virgili de Tarragona. En él se estudiaron los procesos de transición y transformación en el mundo contemporáneo y la serie de conflictos que suscitan en los más diversos ámbitos desde una perspectiva abiertamente pluridisciplinar.

#### Intelectuales y cultura comunista Adriana Petra, 2022-05-30

El comunismo, uno de los movimientos políticos ideológicos cruciales del siglo XX, dotó de una identidad y una cultura política a millones de hombres y mujeres alrededor del mundo, no solo a trabajadores y campesinos sino también a amplios sectores de las capas medias, profesionales, artistas, escritores y científicos. Durante décadas el Partido Comunista Argentino contó con la adhesión de un amplio grupo de intelectuales que participaron de la vida cultural y los debates públicos a través de una vasta red de organizaciones editoriales y publicaciones periódicas. El análisis de las relaciones entre los intelectuales y el comunismo en Argentina entre el final de la Segunda Guerra Mundial y principios de la década de 1960 constituye el propósito de este libro. A partir de un profundo trabajo con fuentes y archivos, Adriana Petra se aleja de las visiones centradas en la postulación de una institución partidaria monolítica, autorregulada y trascendente para las prácticas de sus dirigentes y militantes, y analiza la complejidad que entraña el compromiso político de los intelectuales con un proyecto que exige una

lealtad sin fisuras De este modo ubica el problema de los intelectuales comunistas en el nudo de múltiples contextos en los que la tensión permanente entre cultura y política produjo formas organizacionales discursivas y representaciones diversas Intelectuales y cultura comunista constituye una contribución fundamental a la historia de las izquierdas en Argentina y demuestra que la experiencia del comunismo intelectual en el corto siglo xx continúa siendo paradigmática pues centra sobre todas las paradojas de ese personaje moderno que es el intelectual **Los Anarquistas y el movimiento obrero** Sergio Grez Toso, 2007 El anarquismo fue un fantasma en los discursos de la elite desde mucho antes de su aparición en Chile Cuando los libertarios se enraizaron en los movimientos populares de comienzos del siglo XX la amalgama entre anarquismo socialismo y otras corrientes contribuyó a confundir los conceptos Más tarde el ocaso de su influencia y la implantación de la hegemonía marxista en el movimiento obrero tendió a borrar del recuerdo colectivo el aporte crucial a su formación Este libro estudia el camino del anarquismo en sus primeros tiempos entre 1893 y 1915 esto es a partir de las primeras tentativas organizadas por implantar la Idea nombre dado por los cruceros a su doctrina en el país y hasta la época de la primera Federación Obrera Regional de Chile FORCH cuando la vertiente anarquista alcanzó un grado de desarrollo y maduración que la convirtió en uno de los principales movimientos de redención social del siglo XX
