The Hovering Giant (Revised Edition) Cole Blasier, 1985-01-15 In the first edition of *The Hovering Giant* Cole Blasier analyzed U.S. response to revolutions in Latin America from Madero in Mexico to Allende in Chile. He explained why U.S. leaders sponsored paramilitary units to overthrow revolutionary governments in Guatemala and Cuba and compromised their own differences with revolutionary governments in Mexico and Bolivia. The protection of private U.S. interests was part of the explanation but Blasier gave greater emphasis to rivalry with Germany or the Soviet Union. Now in this revised edition Blasier also examines the responses of the Carter and Reagan administrations to the Grenadian and Nicaraguan revolutions and the revolt in El Salvador. He also brings up to date the interpretation of U.S. Cuban relations. Blasier stresses U.S. defense of its preeminent position in the Caribbean Basin as well as rivalry with the Soviet Union to explain these later U.S. responses. Seemingly unaware of historical experience Washington followed patterns in Central America and Grenada similar to earlier patterns in Guatemala, Cuba and Chile even though the latter had adverse effects on U.S. security and economic interests.

Latin American Political History Ronald M. Schneider, 2018-05-04 This chronologically organized new text provides comprehensive historical coverage of Latin America's politics and development from colonial times to the twenty-first century.

Reagan's Gun-Toting Nuns Theresa Keeley, 2020-09-15 In *Reagan's Gun Toting Nuns* Theresa Keeley analyzes the role of intra-Catholic conflict within the framework of U.S. foreign policy formulation and execution during the Reagan administration. She challenges the preponderance of scholarship on the administration that stresses the influence of evangelical Protestants on foreign policy toward Latin America. Especially in the case of U.S. engagement in El Salvador and Nicaragua, Keeley argues the bitter debate between U.S. and Central American Catholics over the direction of the Catholic Church shaped President Reagan's foreign policy. The flash point for these intra-Catholic disputes was the December 1980 political murder of four American Catholic missionaries in El Salvador. Liberal Catholics described nuns and priests in Central America who worked to combat structural inequality as human rights advocates living out the Gospel's spirit. Conservative Catholics saw them as agents of class conflict who furthered the so-called Gospel according to Karl Marx. The debate was an old one among Catholics but as *Reagan's Gun Toting Nuns* contends it intensified as conservative anticommunist Catholics played instrumental roles in crafting U.S. policy.

Kimbrough IV, 2015-11-06 To determine insights for future disengagements this thesis examines four historical episodes in which Western nations withdrew from on going conflicts against insurgent like enemies Relatively unsuccessful results flowed from the British withdrawal from Aden during the 1960s and the American withdrawal from Vietnam during 1972-1973 As the last British troop departed Aden a state of turmoil prevailed Not only could the insurgents realistically claim victory in evicting the British by force but also the territory later became the Arab world's first Marxist state and a base for terrorists America's departure from Vietnam produced similar disappointment More successful outcomes occurred during the British withdrawal from Malaya in the 1960s and the American withdrawal from El Salvador in 1988-1989 After World War II the British attempted to re-establish colonial control of Malaya and faced resistance from communist insurgents In the midst of their counterinsurgency the British government granted Malaya independence in August 1957 The Malayan government backed by British support continued its struggle against the communist insurgents for another three years The Malayan government announced victory in 1960 and began to enjoy a relatively peaceful and prosperous aftermath From kidnappings assassinations and other political criminal activities an insurgency emerged in El Salvador in 1979 As the movement transitioned to guerrilla warfare the insurgent fighters rivaled the strength of the Salvadoran security forces From 1980-1992 the government of the United States provided El Salvador extensive funding for social and political reforms military material support and training to counter the communist insurgents These efforts coupled with effective El Salvadoran governance eventually led the communists to abandon their cause
