**John O'Beirne Ranelagh**

## **Revolution Ireland 1917-1923:**

*The German Revolution, 1917-1923* Pierre Brou  , 2005 This volume provides an English translation of Brou   s *La revolution en Allemagne* complete with an updated Bibliography and a new Introduction Revolution? David Fitzpatrick, 1990

**The Bolshevik Revolution, 1917-1923** Edward Hallett Carr, 1985 E H Carr s *History of Soviet Russia* holds a unique position in the vast literature on Bolshevism and Soviet Russia No other work on this subject comparable in scope and scale exists in English or in any other language including the *Russian Times Literary Supplement*

The Irish Revolution, 1913-1923 Joost Augusteijn, 2017-03-14 Was there an Irish Revolution and if so what kind of revolution was it What motivated revolutionaries and those who supported them How was the war fought and ended What have been the repercussions for unionists women and modern Irish politics These questions are here addressed by leading historians of the period through both detailed assessments of specific incidents and wide ranging analysis of key themes The *Irish Revolution 1913-1923* provides the most up to date answers to and debate on the fundamental questions relating to this formative period in Irish history Clear coverage of the historiography and a detailed chronology make this book ideal for classroom use The *Irish Revolution* is essential reading for students and scholars of modern Ireland and for all those interested in the study of revolution

*War and Revolution in the West of Ireland* Conor McNamara, 2018-03-12 The period 1913-22 witnessed extraordinary upheaval in Irish society The Easter Rising of 1916 facilitated the emergence of new revolutionary forces and the eruption of guerrilla warfare In Galway and elsewhere in the west the new realities wrought by World War One saw the emergence of a younger generation of impatient revolutionaries In 1916 Liam Mellows led his Irish Volunteers in a Rising in east Galway and up to 650 rebels took up defensive positions at Moyode Castle From the western shores of Connemara to market towns such as Athenry Tuam and Galway local communities were subject to unprecedented use of terror by the Crown Forces Meanwhile conflict over land an enduring grievance of the poor threatened to overwhelm parts of Galway with sustained land seizures and cattle drives by the rural population *War and Revolution in the West of Ireland Galway 1913-1922* provides fascinating insights into the revolutionary activities of the ordinary men and women who participated in the struggle for independence In this compelling new account Galway historian Conor McNamara unravels the complex web of identity and allegiance that characterised the west of Ireland exploring the enduring legacy of a remarkable and contested era

The Irish Revolution, 1916-1923 Marie Coleman, 2013-11-20 This concise study of Ireland s revolutionary years charts the demise of the home rule movement and the rise of militant nationalism that led eventually to the partition of Ireland and independence for southern Ireland The book provides a clear chronology of events but also adopts a thematic approach to ensure that the role of women and labour are examined in addition to the principal political and military developments during the period Incorporating the most recent literature on the period it provides a good introduction to some of the most controversial debates on the subject including the extent of sectarianism the nature of violence and the motivation of

guerrilla fighters The supplementary documents have been chosen carefully to provide a wide ranging perspective of political views including those of constitutional nationalists republicans unionists the British government and the labour movement The Irish Revolution 1916 1923 is ideal for students and interested readers at all levels providing a diverse range of primary sources and the tools to unlock them

**The Resurrection of Ireland** Michael Laffan, 1999-12-02 Between 1916 and 1923 Ireland experienced a political as well as a military revolution This book examines how after the Easter Rising of 1916 radical revolutionaries formed a precarious coalition with relatively moderate politicians and offers a sustained analysis of the political organisation of Irish republicanism during a crucial period The new Sinn Féin party routed its enemies co operated uneasily with the underground Irish government which it had helped to create and achieved most of its objectives before disintegrating in 1922 Its rapid collapse should not distract from its achievements in particular its role in democratising the Irish revolution Its successors have dominated the political life of independent Ireland The book studies in detail the party's membership and ideology and also its often tense relationship with the Irish Republican Army A final chapter examines the fluctuating careers of the later Sinn Féin parties throughout the rest of the twentieth century

**The Irish Republican Brotherhood, 1914-1924** John O'Beirne Ranelagh, 2024-06-20 This captivating book delves into the secretive world of the Irish Republican Brotherhood IRB and its profound impact on Ireland's political landscape between 1914 and 1924 With the aid of new documentation Ranelagh unravels the true influence of the oath bound society without which the 1916 Rising might never have taken shape For Michael Collins the IRB was the true custodian of the Irish Republic and the only body he pledged his loyalty to but its legacy remains obscured by its intense secrecy This book re introduces the IRB as the organisation that created and furnished the IRA influenced the result of the critical 1918 election and changed the face of Irish history From amon de Valera's recollections of how he first learned of the Treaty to narratives from Nora Connolly O'Brien Emmett Dalton et al testimonies from key figures paint a vivid picture of the IRB's inner workings and external influence A fascinating exploration of secret societies political manoeuvres and personal sacrifices The Irish Republican Brotherhood 1914 1924 casts new light on a pivotal chapter in Ireland's quest for independence

**The I.R.A. and Its Enemies** Peter Hart, 1999-11-18 What is it like to be in the IRA or at their mercy This study explores the lives and deaths of the enemies and victims of the County Cork IRA between 1916 and 1923

**Democracy and dissent in the Irish Free State** Jason Knirck, 2023-02-21 A new analysis of the difficulties in normalising opposition in the Irish Free State this book analyses the collision between nineteenth century monolithic nationalist movements with the norms and expectations of multiparty parliamentary democracy The Irish revolutionaries attempts to create a Gaelic postcolonial state involved resolving tension between these two ideas Smaller economically driven parties such as the Labour and Farmers parties attempted to move on from the revolution's unnatural focus on nationalist political issues while the larger revolutionary parties descended from Sinn Féin in attempt to recreate or restore notions of revolutionary unity This conflict made democracy and opposition hard to

establish in the Irish Free State      *The Irish Civil War and Society* G. Foster, 2015-02-18 The Irish Civil War and Society sheds new light on the social currents shaping the Irish Civil War from the politics of respectability behind animosities and discourses to the intersection of social conflicts with political violence to the social dimensions of the war's messy aftermath

Rebellion, Resistance and the Irish Working Class Nicola Queally, 2020-05-22 Rebellion Resistance and the Irish Working Class The Case of the Limerick Soviet explores the background and history of a major strike which occurred in Limerick city Ireland in 1919 This industrial dispute made headlines worldwide given that many central aspects of the dispute impacted on controversies as relating to workers rights in both Ireland European at this juncture In this volume the Limerick Soviet as it was known is considered as a seminal element within Ireland's local and regional history This volume is an important addition to the historical literature one which illuminates Ireland's symbolic role within more large scale European events of this historical period the Russian Revolution and the mass protests by striking workers in both Germany and Scotland being just two examples

**Imagining Ireland's Independence** Jason K. Knirck, 2006-08-11 The key turning point in modern Ireland's history the Anglo Irish Treaty of 1921 has shadowed Ireland's political life for decades In this first book length assessment of the treaty in over seventy years Jason Knirck recounts the compelling story of the nationalist politics that produced the Irish Revolution the tortuous treaty negotiations and the deep divisions within Sinn FZin that led to the slow unraveling of fragile party cohesion Focusing on broad ideological and political disputes as well as on the powerful personalities involved the author considers the major issues that divided the pro and anti treaty forces why these issues mattered and the later judgments of historians He concludes that the treaty debates were in part the result of the immaturity of Irish nationalist politics as well as the overriding emphasis given to revolutionary unity A fascinating story in their own right the treaty debates also open a wider window onto questions of European nationalism colonialism state building and competing visions of Irish national independence Treaty Documents

**The Politics of the Irish Civil War** Bill Kissane, 2005-08-25 This book provides a detailed account of the origins course and aftermath of the Irish civil war 1922-3 Based on much recently released material including the papers of Eamon de Valera each chapter is devoted to a particular aspect of war and political aspects of the civil war are systematically discussed      **1916** Kieran Allen, 2016-01-20 A few minutes after noon on the 24th April 1916 Patrick Pearse stepped outside the newly occupied GPO on Sackville Street with a copy of the Proclamation of the Irish Republic Reading aloud he declared a strike for Irish freedom against the world's greatest imperial power The Easter Rising as the six days of intense bloody fighting that followed came to be known set the course for the next 100 years of Irish history the Heroes of 16 becoming a national cultural and political touchstone down the generations But today canonised and mummified the radical visions of Pearse and the socialist James Connolly are an awkward encumbrance on an Irish state that has its roots in the counter revolution of the civil war and which has emerged as a haven of economic neoliberalism In this fascinating alternative history of modern Ireland Kieran Allen follows the thread of

1916's revolutionary tradition an uneasy marriage of Socialism and Republicanism as it has unravelled across the century From the strikes boycotts occupations and land redistribution that accompanied the war of independence to the carnival of reaction that followed all the way up to the current movement against water charges and austerity Allen reveals the complexities ruptures and continuities of a revolutionary tradition that continues to haunt the establishment today **The West must wait** Una Newell, 2016-09-15 *The West must wait* presents a new perspective on the development of the Irish Free State It extends the regional historical debate beyond the Irish revolution and raises a series of challenging questions about post civil war society in Ireland Through a detailed examination of key local themes land poverty politics emigration the status of the Irish language the influence of radical republicans and the authority of the Catholic Church it offers a probing analysis of the socio political realities of life in the new state This book opens up a new dimension by providing a rural contrast to the Dublin centred views of Irish politics Significantly it reveals the level of deprivation in local Free State society with which the government had to confront in the west Rigorously researched it explores the disconnect between the perceptions of what independence would deliver and what was achieved by the incumbent Cumann na nGaedheal administration **Women in Ireland, 1800-1918** Maria Luddy, 1995 *Women in Ireland 1800 1918* presents a valuable and significant collection of over 100 sources and documents relating to the public and private aspects of women's lives in Ireland during the period 1800 1918 The documents reveal aspects of the women's working lives educational experiences involvement in politics and of their private lives such as contraception childbirth love marriage and religion Each section has a comprehensive introduction which discusses the contents of the documents As the first major survey of Irish women's lives during this period it will appeal to those who want a deeper understanding of how women of all classes lived their lives and it will prove indispensable to second and third level students those attending women's studies courses as well as a wide general readership interested in assessing the role of women in nineteenth and early twentieth century Irish history Defying the IRA? Brian Hughes, 2016-10-18 This book explores the community experience of the Irish Revolution **Armed Struggle** Richard English, 2008-09-04 A timely work of major historical importance examining the whole spectrum of events from the 1916 Easter Rising to the current and ongoing peace process fully updated with a new afterword for the paperback edition An essential book closely reasoned formidably intelligent and utterly compelling required reading across the political spectrum important and riveting Roy Foster *The Times* An outstanding new book on the IRA a calm rational but in the end devastating deconstruction of the IRA Henry McDonald *Observer* Superb the first full history of the IRA and the best overall account of the organization English writes to the highest scholarly standards Moreover he writes with the common reader in mind he has crafted a fine balance of detail and analysis and his prose is clear fresh and jargon free sets a new standard for debate on republicanism Peter Hart *Irish Times* The one book I recommend for anyone trying to understand the craziness and complexity of the Northern Ireland tragedy Frank McCourt author of *Angela's Ashes* *A History of Soviet Russia: The*

*Bolshevik revolution, 1917-1923* Edward Hallett Carr, 1951
