Revolutionary Love in Eighteenth- and Early Nineteenth-Century France Allan H. Pasco,2016-12-05 In this innovative study the author carves out a new field a sociology of literature in which he offers insightful commentary about the nexus of literature and society Calling on history sociology and psychology as well as literature as points of reference Allan Pasco examines the conceptual shift in the ideal of love in eighteenth century France Pasco explores the radical though gradual changes that occurred during the Enlightenment with respect to how the emotion of love was viewed Earlier love had been subordinate to the demands of family king and deity passion was dangerous and to be avoided But over time individual happiness became the greatest good and passion the measure of love Authors as diverse as Marivaux Marmontel Rousseau Bachelard d Arnaud Pigault Lebrun and Madame de Sta l make it clear that the ideal of rapturous love did not live up to its billing it did not last and it brought destructive fantasies an epidemic of disease the scourge of divorce and considerable anguish Still as Pasco points out passion became and remained the ideal and the Romantics were left to plumb its nature

may end up rethinking things about his or her tradition just as deeply Jeffrey N Wasserstrom Chancellor s Professor of History University of California at Irvine Nobody writes about China quite as brilliantly as Lynn Pan who in this new illuminating work on love showcases her trademark erudition entwined with a novelist s sensibility Pan s rare skill makes the book a treat from start to finish a sumptuous deft and moving analysis of China s relationship with love Mishi Saran author of *Chasing the Monk s Shadow A Journey in the Footsteps of Xuanzang and The Other Side of Light* George Verwer,1987 *Catalyst of Love* Ryan Abrahams,2018-09-22 I wrote this poem for my son Noah when he was still a baby I wanted to come up with a poem prayer that I could say to him every night when putting him to bed Since I am not religious and more of a spiritual person I wanted to write something that could be universal and parents from different races religions and cultures could potentially say this to their children if they choose I now recite this poem to both of my sons every night before putting them to bed Recently I told this poem to a few of my friends and to my delight their children will not let their parents put them to sleep without saying this poem to them I think it is so important that we teach our children to love themselves and to believe in themselves and this poem was inspired to do just that for my precious son I hope love and light guide you and your children too and blesses you all throughout your life as well Love and Light May love and light guide you and bless you throughout your life May you always believe in yourself and see yourself in the highest light May you live your truth but respect one another without the need to be right May blessings flow every day and every single night May the love of your family and friends take you to new heights May love and light guide you and bless you tonight *The Violence of Love* Kit W. Myers,2025-01-28 A free ebook version of this title is available through Luminos University of California Press s Open Access publishing program Visit www.luminosoa.org to learn more The Violence of Love challenges the narrative that adoption is a solely loving act that benefits birth parents adopted individuals and adoptive parents a narrative that is especially pervasive with transracial and transnational adoptions Using interdisciplinary methods of archival legal and discursive analysis Kit W Myers comparatively examines the adoption of Asian Black and Native American children by White families in the United States He shows how race has been constructed relationally to mark certain homes families and nations as spaces of love freedom and better futures in contrast to others that are not and argues that violence is attached to adoption in complex ways Propelled by different types of love such adoptions attempt to transgress biological racial cultural and national borders established by traditional family ideals Yet they are also linked to structural symbolic and traumatic forms of violence The Violence of Love confronts this discomfoting reality and rethinks theories of family to offer more capacious understandings of love kinship and care **Love and Revolution** Max Eastman,1964 [Illustrated](#) [Catalogue of Books, Standard and Holiday McClurg, Firm, Booksellers, Chicago,1899](#)
