## Viraśaivism, Caste, Revolution, Etc.

ROBERT J. ZYDENBOS  
MYSORE

A review article of: *Revolution of the Mystics: On the Social Aspects of Viraśaivism*. By J.P. SCHOUTEN. Kampen, Netherlands: KOK PHAROS, 1991. Pp. xiii + 331 pages.

One of the rare modern studies of the Viraśaiva movement of medieval and modern Karnataka is here examined and shown to be unsophisticated and tendentious in its determination to see many Christian or other recent Western values in Basava's teachings.

Western understanding of what Viraśaivism is and of its place in Indian religious history and modern South Indian society is rather limited, in spite of its socio-religious relevance in southern India. In recent years it has become better known to a wider public in the English-speaking world through translated selections of *vacanas*, the typical, often fascinating short prose-poems in the Kannada language through which Viraśaiva religious thinkers spread their ideas from the twelfth century onwards.<sup>1</sup> The Viraśaivas are also known for their practice of wearing a small, personal *līṅga* as a representation of God on their body, usually in a small metal container on a cord or chain around the neck, which also serves as an object of worship, so that they have no need of temples as the majority of Hindus do. There is also a widespread notion that Viraśaivism opposes the caste system and gender discrimination.

Lengthier studies of Viraśaivism by scholars in the West are very rare, hence the publication of J. P. Schouten's doctoral dissertation<sup>2</sup> demands the attention of Indologists, religious scholars, and social scientists. After a short introductory chapter, in which the author gives an outline of Viraśaiva history and teachings, he deals in four large chap-

<sup>1</sup> The best known is the Penguin book *Speaking of Śiva* by the late A.K. Ramasujan. We may also mention the translated selection from the *vacanas* of Basava by K.V. Zvelebil, *The Lord of the Meeting Rivers* (Paris: UNESCO, 1984). In India several translations have appeared, most of them in English, but also in other European languages.

<sup>2</sup> It was submitted by the Rev. Schouten in the faculty of theology of the University of Utrecht, after earlier studies of sociology and theology at the Free University in Amsterdam. It is amusing to note that the first mention of the Viraśaivas by a Western author was by another Dutch clergyman, Abraham Rogerius, in 1651, as Schouten tells us (pp. 16-7).

## Revolution Of The Mystics Introduction

In the digital age, access to information has become easier than ever before. The ability to download Revolution Of The Mystics has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Revolution Of The Mystics has opened up a world of possibilities. Downloading Revolution Of The Mystics provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Revolution Of The Mystics has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Revolution Of The Mystics. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Revolution Of The Mystics. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Revolution Of The Mystics, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Revolution Of The Mystics has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
