Sculpture Machine Physical Culture And Body Politics In The Age Of Empire:

The Sculpture Machine M. Budd, 1997-01-29 The Sculpture Machine portrays the dramatic revolution in bodily representation ideas and pleasures that characterized the century encompassing the twilight of Romanticism and the dawn of Totalitarianism It explains how character environment and morality were linked through bodies by prominent social reformers politicians military leaders and innovative entrepreneurs With a thought provoking analysis it illustrates how ideas about bodies influenced the building of social gender and sexual identities in concert with the construction of a larger consumer culture

Physical Culture and Sport in Soviet Society Susan Grant, 2013 From its very inception the Soviet state valued the merits and benefits of physical culture which included not only sport but also health hygiene education labour and defence Physical culture propaganda was directed at the Soviet population and even more particularly at young people women and peasants with the aim of transforming them into ideal citizens By using physical culture and sport to assess social cultural and political developments within the Soviet Union this book provides a new addition to the historiography of the 1920s and 1930s as well as to general sports history studies

The Sculpture Machine Michael Anton Budd, 1997-03 Michael Anton Budd's THE SCULPTURE MACHINE traces the tension between the modern world and the classical interpretation of physicality as influenced by technological forces of industry and revolution This insightful work illustrates how ideas about bodies influence the building of identities in concert with the construction of a larger consumer culture Illustrations Copyright Libri GmbH All rights reserved

The History of Physical Culture in Ireland Conor Heffernan, 2021-01-24 This book is the first to deal with physical culture in an Irish context covering educational martial and recreational histories Deemed by many to be a precursor to the modern interest in health and gym cultures physical culture was a late nineteenth and early twentieth century interest in personal health which spanned national and transnational histories It encompassed gymnasiums homes classrooms depots and military barracks Prior to this work physical culture's emergence in Ireland has not received thorough academic attention Addressing issues of gender childhood nationalism and commerce this book is unique within an Irish context in studying an Irish manifestation of a global phenomenon Tracing four decades of Irish history the work also examines the influence of foreign fitness entrepreneurs in Ireland and contrasts them with their Irish counterparts

Performance and Professional Wrestling Broderick Chow, Eero Laine, Claire Warden, 2016-08-12 Performance and Professional Wrestling is the first edited volume to consider professional wrestling explicitly from the vantage point of theatre and performance studies Moving beyond simply noting its performative qualities or reading it via other performance genres this collection of essays offers a complete critical reassessment of the popular sport Topics such as the suspension of disbelief simulation silence and speech physical culture and the performance of pain within the squared circle are explored in relation to professional wrestling with work by both scholars and practitioners grouped into seven short sections Audience Circulation Lucha Gender Queerness Bodies Race A significant re-reading of

wrestling as a performing art Performance and Professional Wrestling makes essential reading for scholars and students intrigued by this uniquely theatrical sport *Confronting the Body* James H. Mills, Satadru Sen, 2004 The editors bring together some of the best new scholarship on physicality in modern India in a single volume and provide a balance of materials from colonial and post colonial India Included are new writings by established and upcoming writers in the social sciences and humanities all based on original research *Making the American Body* Jonathan Black, 2020-04-01 If you thought the fitness craze was about being healthy think again Although Charles Atlas Jack LaLanne Jim Fixx Jane Fonda Richard Simmons and Jillian Michaels might well point the way to a better body they have done so only if their brands brought in profits In the first book to tell the full story of the American obsession with fitness and how we got to where we are today Jonathan Black gives us a backstage look at an industry and the people that have left an indelible mark on the American body and the consciousness it houses Spanning the nation's fitness obsession from Atlas to Arnold from Spinning to Zumba and featuring an outrageous cast of characters bent on whipping us into shape while simultaneously shaping the way we view our bodies Black tells the story of an outsized but little examined aspect of our culture With insights drawn from more than fifty interviews and attention to key developments in bodybuilding aerobics equipment health clubs running sports medicine group exercise Pilates and yoga *Making the American Body* reveals how a focus on fitness has shaped not only our physiques but also and more profoundly American ideas of what fitness is **Jack Johnson, Rebel Sojourner** Theresa Runstedtler, 2013-09 Discusses the life and boxing career of Jack Johnson *The Routledge Circus Studies Reader* Peta Tait, Katie Lavers, 2020-09-10 The Routledge Circus Studies Reader offers an absorbing critical introduction to this diverse and emerging field It brings together the work of over 30 scholars in this discipline including Janet Davis Helen Stoddart and Peta Tait to highlight and address the field's key historical critical and theoretical issues It is organised into three accessible sections Perspectives Precedents and Presents which approach historical aspects current issues and the future of circus performance The chapters grouped together into 13 theme based sub sections provide a clear entry point into the field and emphasise the diversity of approaches available to students and scholars of circus studies Classic accounts of performance including pieces by Philippe Petit and Friedrich Nietzsche are included alongside more recent scholarship in the field Edited by two scholars whose work is strongly connected to the dynamic world of performance The Routledge Circus Studies Reader is an essential teaching and study resource for the emerging discipline of circus studies It also provides a stimulating introduction to the field for lovers of circus **Strong as Sandow** Don Tate, 2020-12-11 Little Friedrich Mller was a puny weakling who longed to be athletic and strong like the ancient Roman gladiators He exercised and exercised But he to no avail As a young man he found himself under the tutelage of a professional body builder Friedrich worked and worked He changed his name to Eugen Sandow and he got bigger and stronger Everyone wanted to become as strong as Sandow Inspired by his own experiences body building Don Tate tells the story of how Eugen Sandow changed the way people think

about strength and exercise and made it a part of everyday life Backmatter includes more information about Sandow suggestions for exercise an author s note and a bibliography **Indigenous Celebrity** Jennifer Adese,Robert Alexander Innes,2021-04-09 Indigenous Celebrity speaks to the possibilities challenges and consequences of popular forms of recognition critically recasting the lens through which we understand Indigenous people s entanglements with celebrity It presents a wide range of essays that explore the theoretical material social cultural and political impacts of celebrity on and for Indigenous people It questions and critiques the whitestream concept of celebrity and the very juxtaposition of Indigenous and celebrity and casts a critical lens on celebrity culture s impact on Indigenous people Indigenous people who willingly engage with celebrity culture or are drawn up into it enter into a complex terrain of social relations informed by layered dimensions of colonialism racism sexism homophobia transphobia and classism Yet this reductive framing of celebrity does not account for the ways that Indigenous people s own worldviews inform Indigenous engagement with celebrity culture or rather popular social and cultural forms of recognition Indigenous Celebrity reorients conversations on Indigenous celebrity towards understanding how Indigenous people draw from nation specific processes of respect and recognition while at the same time navigating external assumptions and expectations This collection examines the relationship of Indigenous people to the concept of celebrity in past present and ongoing contexts identifying commonalities tensions and possibilities

Deco Dandy John Potvin,2020-10-27 Deco dandy contests the supposedly exclusive feminine aspect of the style moderne art deco by exploring how alternative parallel and overlapping experiences of decorative modernism nationalism gender and sexuality in the years surrounding World War I converge in the protean figure of the deco dandy The book suggests a broader view of art deco by claiming a greater place for the male body masculinity and the dandy in this history than has been given to date Important and productive moments in the history of the cultural life of Paris presented in the book provide insights into the changing role performed by consumerism masculinity design history and national identity *Communism in Britain, 1920-39* Thomas Linehan,2017-10-03 Based on extensive use of primary evidence this is the first study of interwar British communism to set the communist experience within the framework of the life cycle Communism offered a complete identity that could reach into virtually all aspects of life the Party sought influence even over members personal conduct moral codes health and diet personal hygiene and aesthetic judgements The British Communist Party CPGB sought to address the communist experience through all of the principal phases of the life cycle and its reach therefore extended to take in children youth and the various aspects of the adult experience including marital and kinship relations The book also considers the contention that the Communist Party functioned as a political religion for some joiners who opted to enter the congregation of the communist devoted **Sport's Relationship with Other Leisure Industries** Benjamin Litherland,Dion

Georgiou,2017-01-12 This innovative and timely volume of essays critically interrogates the shared histories between sport and a variety of leisure entertainment and cultural pursuits Sport s Relationship with Other Leisure Industries Historical

Perspectives spans the bowling greens of early modern England to the postmodern exhibition halls of contemporary Las Vegas and considers examples from Europe North America and India Utilizing a range of historical methods and sources they describe how sport has interacted with a broad range of leisure forms including tourism shopping theatre circus carnival and film The collection takes into account the economic cultural geographic and political interactions sport has forged and poses a series of questions about how sport has been forged in contemporary consumer capitalism about the manner in which it has been shaped by space and place and the ways in which entrepreneurs sportspeople and artists have represented sporting competition The collection will help both students and scholars conceptualise sporting networks and will be of interest to those working in multiple fields This book was previously published as a special issue of Sport in History **Fat and the Body in the Long Nineteenth Century** Amy Shaw,Lynn Kennedy,2024-12-16 In the nineteenth and early twentieth centuries the body was a key focus of discourse Fat and the Body in the Long Nineteenth Century animates discussion and analyses of fatness highlighting how corporeal expectations fit into larger social systems and showing how interpretations have shifted over time This collection examines a host of primary sources including literature art medical treatises journalism political cartoons soldiers letters home and popular fiction to identify trends in how fat was perceived and promoted in the English speaking world over the long nineteenth century Divided into four thematic sections the book addresses epistemologies artistic and literary representations the turn towards quantification and measurement and the connections to imperialism and colonialism It explores the complex debate about the meaning of fat and its signalling of health beauty moral strength and class status The book shows how contemporary presentations and discussions of fat offer insights into ideals of gender and race and the processes of imperialism and of professionalization in the social sciences and medicine By tracing how debates shifted over time the book ultimately reveals that there was no universal interpretation of fat as a positive or negative characteristic throughout the nineteenth century **The Body and Military Masculinity in Late Qing and Early Republican China** Nicolas Schillinger,2016-12-12 In 1894 1895 after suffering defeat against Japan in a war primarily fought over the control of Korea the Qing government initiated fundamental military reforms and established New Armies modeled after the German and Japanese military Besides reorganizing the structure of the army and improving military training the goal was to overcome the alleged physical weakness and lack of martial spirit attributed to Chinese soldiers in particular and to Chinese men in general Intellectuals government officials and military circles criticized the pacifist and civil orientation of Chinese culture which had resulted in a negative attitude towards its armed forces and martial values throughout society and a lack of interest in martial deeds glory on the battlefield and military achievements among men The book examines the cultivation of new soldiers officers and civilians through new techniques intended to discipline their bodies and reconfigure their identities as military men and citizens The book shows how the establishment of German style New Armies in China between 1895 and 1916 led to the re creation of a militarized version of masculinity that stressed

physical strength discipline professionalism martial spirit and Western military appearance and conduct Although the military reforms did not prevent the downfall of the Qing Dynasty or provide stable military clout to subsequent regimes they left a lasting legacy by reconfiguring Chinese military culture and re creating military masculinity and the image of men in China

Routledge Companion to Sports History S. W. Pope, John Nauright, 2009-12-17 This book describes how the field of sports history has matured dramatically over the past decade and expands on what this means for sports historians today The specially commissioned essays addressing a range of thematic and regional contexts that make up this companion make it a uniquely valuable resource

Seeing Stars Dennis J. Frost, 2020-03-17 In *Seeing Stars* Dennis J Frost traces the emergence and evolution of sports celebrity in Japan from the seventeenth through the twenty first centuries Frost explores how various constituencies have repeatedly molded and deployed representations of individual athletes revealing that sports stars are socially constructed phenomena the products of both particular historical moments and broader discourses of celebrity Drawing from media coverage biographies literary works athletes memoirs bureaucratic memoranda interviews and films Frost argues that the largely unquestioned mass of information about sports stars not only reflects but also shapes society and body culture He examines the lives and times of star athletes including sumo grand champion Hitachiyama female Olympic medalist Hitomi Kinue legendary pitcher Sawamura Eiji and world champion boxer Gushiken Yoko demonstrating how representations of such sports stars mediated Japan's emergence into the putatively universal realm of sports unsettled orthodox notions of gender facilitated wartime mobilization of physically fit men and women and masked lingering inequalities in postwar Japanese society As the first critical examination of the history of sports celebrity outside a Euro American context this book also sheds new light on the transnational forces at play in the production and impact of celebrity images and dispels misconceptions that sports stars in the non West are mere imitations of their Western counterparts

Ashcan Art, Whiteness, and the Unspectacular Man Alexis L. Boylan, 2017-04-20 Arriving in New York City in the first decade of the twentieth century six painters Robert Henri John Sloan Everett Shinn Glackens George Luks and George Bellows subsequently known as the Ashcan Circle faced a visual culture that depicted the urban man as a diseased body under assault Ashcan artists countered this narrative manipulating the bodies of construction workers tramps entertainers and office workers to stand in visual opposition to popular political and commercial cultures They did so by repeatedly positioning white male bodies as having no cleverness no moral authority no style and no particular charisma crafting with consistency an unspectacular man This was an attempt both radical and deeply insidious to make the white male body stand outside visual systems of knowledge to resist the disciplining powers of commercial capitalism and to simply be with no justification or rationale *Ashcan Art Whiteness and the Unspectacular Man* maps how Ashcan artists reconfigured urban masculinity for national audiences and reimagined the possibility and privilege of the unremarkable white male body thus shaping dialogues about modernity gender and race that shifted visual culture in the United States

The Last

Gladiator Scott Beekman, 2025-10-07 The incredible career of the forgotten but foundational pro wrestler who shaped American sports culture William Muldoon was an infamous athlete whose prowess savvy and chicanery across his six decade career led him to wealth cultural importance and political power Muldoon the child of poor Irish immigrants began wrestling in the 1870s and quickly became one of the most famous athletes of the post Civil War era He started acting and modeling as his popularity grew making him one of the first sports stars to achieve crossover success After a triumphant stint rehabilitating fallen boxing heavyweight champion John L Sullivan in 1889 he retired from the ring and began a new career as a fitness impresario founding an elite gymnasium and remaking himself as a health authority in the press He became trainer to the rich famous and politically powerful which led to his appointment as chair of the New York State Athletic Commission in the 1920s From this position Muldoon exerted his influence over the rules of boxing and wrestling and weaponized his power to maintain segregation in sport The Last Gladiator is a deep insightful dive into Muldoon s life and impact demonstrating the significance of this often controversial figure in the development of American sports professional wrestling and physical and popular culture
