The Sea and Poison Shūsaku Endō, 1992 Dr Suguru a competent physician serves his internship during the war in a hospital where senior staff are more interested in career building than in healing **The Sea and Poison** Shusaku Endo, 2016-05-22 Set in a Japanese hospital during the last days of World War II the story centers on the medical staff who offer to assist in a series of vivisections experimental operations on live U S prisoners of war The Sea and Poison won the Akutagawa Prize when it was published in Japan in 1958 and established Shusaku Endo in the forefront of modern Japanese literature Today it remains as startling and sadly as relevant as ever The Sea and Poison Shūsaku Endō, 1976 *The Sea and Poison* Shūsaku Endō, 1973 **The Sea and Poison** Shūsaku Endō, 1973 **From Book to Screen** Keiko I. McDonald, 2016-09-16 Of all the world s cinemas Japan s is perhaps unique in its closeness to the nation s literature past and contemporary The Western world became aware of this when Akira Kurosawa s Rashomon was awarded the Grand Prize at the Venice film festival in 1951 and the Oscar for best foreign film in 1952 More recent examples include Shohei Imamura s Eel which won the Palm d Or Best Picture at Cannes in 1997 From Book to Screen breaks new ground by exploring important connections between Japan s modern literary tradition and its national cinema The first part offers an historical and cultural overview of the working relationship that developed between pure literature and film It deals with three important periods in which filmmakers relied most heavily on literary works for enriching and developing cinematic art The second part provides detailed analyses of a dozen literary works and their screen adoptions **Routledge Handbook of Modern Japanese Literature** Rachael Hutchinson, Leith Douglas Morton, 2025-08-29 This 2nd edition of the Routledge Handbook of Modern Japanese Literature provides a comprehensive survey of the field of modern Japanese literature and gives readers an overview of how we study Japanese literature today Including sections on space and time gender and sexuality politics war memory national and colonial identities and the production and dissemination of literature the Handbook examines the ways in which it is possible to read modern Japanese literature and situate it in relation to critical theory It also features updated and brand new chapters addressing the works of internationally renowned writers such as Futabatei Shimei and Murakami Haruki and defines the way writers produce literature in modern Japan as well as how those works have been read and understood by different readers in different time periods Written by an international team of experts the Handbook examines modes of literary production such as fiction poetry and critical essays as distinct forms of expression that nonetheless are closely interrelated and as such it will be a vital resource for students and scholars of Japanese Literature literature in translation and modern and contemporary literature Endō Shūsaku Mark B. Williams, 2012-12-06 End Sh saka is probably the most widely translated of all Japanese authors In this first major study of End s works Mark Williams moves the discussion on from the well worn depictions of End as the Japanese Graham Greene and places him in his own political and cultural context **Japan's Wartime Medical Atrocities** Jing Bao Nie, Nanyan Guo, Mark Selden, Arthur

Kleinman,2013-07-03 This book examines Japan s wartime medical atrocities and their postwar aftermath from a comparative perspective and inquires into perennial issues of historical memory science politics society and ethics elicited by these rebarbative events **THE LAST GENERATION, THE RAPTURE, AND THE WRATH** SUNDAY OLUSOLA

FALUYI,2013-11 The generation that witnesses the restoration of Israel in 1948 will not pass away until all things revealed to John in the book of Revelation is fulfilled Jesus Christ predicted a movement for global peace in the first seal and a horse rider that will take away peace from the earth in the second seal He predicted global economic crisis in the third seal and World War III in the fourth seal In the fifth seal he revealed the severe persecution that is coming upon his followers and the great tribulation that is coming upon the Jews Jesus also predicted the resurrection of the saints and a terrible war that will be fought in the Middle East in a place known as Armageddon In the seventh vial of judgment he warned of an earthquake that will be the greatest in the history of humanity While many seers have predicted future events none can be compared with the authority and finality with which Jesus prophesied about the events that are happening and that will continue to happen within the next two decades Wisdom demands that we pay attention to the word of this Man from Galilee Poison

Romance and Poison Mysteries Charles John Samuel Thompson,2020-09-28 The bushmen of the South African district Kalahari use the juice of the leaf beetle diaphidia and its larva for poisoning their arrow heads Lewin who calls the beetle Diamphidia simplex found in its body besides inert fatty acids a toxalbumin which causes paralysis and finally death According to Boehm the poison from the larva also belongs to the toxalbumins and Starke states that it causes the dissolution of the colouring matter of the blood and produces inflammation A halo of mystery sometimes intermixed with romance has hung about the dread word poison from very early times In the dark days of mythology allusions to mysterious poisons were made in legend and saga Thus a country in the Far North was supposed to be ruled and dominated by sorcerers and kindred beings all of whom were said to be children of the Sun Here dwelt tes Perses Hecate Medea and Circe Hecate was the daughter of Perses and married to tes and their daughters were Medea and Circe tes and Perses were said to be brothers and their country was afterwards supposed to be Colchis To Hecate is ascribed the foundation of sorcery and the discovery of poisonous herbs Her knowledge of magic and spells was supposed to be unequalled She transmitted her power to Medea whose wonderful exploits have been frequently described and depicted and who by her magic arts subdued the dragon that guarded the golden fleece and assisted Jason to perform his famous deeds Hecate s garden is described by the poets as being enclosed in lofty walls with thrice folding doors of ebony which were guarded by terrible forms and only those who bore the leavened rod of expiation and the concealed conciliatory offering could enter Towering above was the temple of the dread sorceress where the ghastly sacrifices were offered and all kinds of horrible spells worked Medea was also learned in sorcery and an accomplished magician It is related that after her adventures with Jason she returned with him to Thessaly On their arrival they found son the father of Jason and Pelias his uncle who had usurped the throne both old and decrepit Medea was

requested to exert her magical powers to make the old man young again an operation she is said to have speedily performed by infusing the juice of certain potent plants into his veins
