## **Sea Breezes Salt Air:**

**Sea Breezes, Salt Air** C. Avery Brookes, 1999 The bunnies are having a great day at the beach when their plans are changed by a very hungry octopus They don't know what trouble really is until Sammy Squid appears looking for an age old treasure *Bailey's Seabreeze Treasure Quest* AQEEL AHMED, 2023-11-05 Bailey the Pup and the Buried Treasure is a sweet story for kids that takes place in Seabreeze Cove a small beach town The stars of the story are Lily Bailey's owner and best friend and Bailey a Golden Retriever who likes to explore They fit together perfectly because they are always looking for fun and new things to do Every day feels like a brand new exciting adventure for them As they walk along the beach one sunny morning Bailey's nose picks up a scent that is different from the smell of the water and the salty air This scent starts their most recent trip Because Bailey has such a great sense of smell their trips have always been exciting and this time is no different They start their adventure when they find a treasure map partly buried in the sand The map has beautiful pictures of a tall lighthouse a delicate seashell and palm trees The map shows big experiences and hidden things that need to be found The map in hand and a strong will to find the hidden treasure in Seabreeze Cove gave Lily and Bailey the courage to go They visit other places on the map that their travels lead them to like a grove of palm trees a beautiful lighthouse and a quiet bay full of seashells They have setbacks and disappointments along the way but their friendship and drive help them get through it Finally they find a treasure chest hidden in the sand of the faraway cove Their finding backs up the idea that what makes them valuable is their friendship and the fun things they do together They find many beautiful seashells and pearls inside the chest along with a note that says The real treasure is the adventures you share and the love you hold As Lily and Bailey go home with their new finds they think about the day and decide that their best quality is their friendship When the story ends they are sound asleep dreaming of new experiences They are sure that their friendship will always be a treasure no matter where their travels take them Bailey the Pup and the Buried Treasure is a story about excitement friendship and the fun of finding something new It teaches kids about the importance of working together having lasting friendships and the strong bond between a child and her dog This is how the story starts Bailey was a smart and brave puppy who used to live in Seabreeze Cove a cute seaside town As a Golden Retriever Bailey was full of life and had a great sense of fun He had so much energy and could make every day an exciting experience and his family loved him Between the wide ocean and the rising hills is Seabreeze Cove a lovely place to hide away Along the gravel roads were cute homes with gardens full of bright flowers that looked like they were dancing in the light sea breeze The quiet people who lived in Seabreeze Cove loved their peaceful life and Bailey the active and daring dog made the neighborhood a lot of fun Bailey's boundless energy comes from his owner a sweet little girl named Lily As soon as Lily and Bailey met they fell in love and couldn't be apart They became best friends and stories about them spread all over Seabreeze Cove Bailey was a wonderful dog who loved life very much Even the duller days could be turned into amazing trips with his magic Bailey's eyes would light up with joy every morning as the sun rose

over the sparkling water and he would kiss Lily awake eager to start their new journey Lily and Bailey were always happy and excited when they got to Seabreeze Cove because they saw each day as a new adventure to be found Lily and Bailey would start their trips together as the sun rose making the sky a world of pink and gold The ritual brought them closer together because it promised them excitement and new things every day The sandy beach of the cove was where they played It was a big space where they could run and chase birds for as long as they wanted Bailey would run on the sand leaving paw prints that showed where they had been and his happy barks would fill the air Lily would laugh as she looked at her loyal friend His golden coat would shine like a happy star in the warm sun They loved rolling around in the soft foamy sea foam because it tickled their skin and made them want to play The smooth salt air carried by the sea breeze made people dream of faraway places and riches that haven t been found yet Early explorers felt the same way when they went out into the unknown full of excitement Lily and Bailey were no different Their travels took them to places they hadn t been before where rocks and sand met suddenly Lily and Bailey would look into these secret places with awe and amazement saying they would find buried wonders They gathered seashells of every color you can think of driftwood with stories about the sea and their footprints to show that they had been in these remote places of the world Lily was interested in Bailey for hours because he was always asking questions and he seemed to have endless energy He would follow his nose as he looked into the secrets of the beach checking out every nook and cranny Lily would follow him and her heart would burst with gratitude for her brave puppy

**New York Observer and Chronicle** ,1906      **Unnatural Selection** Tony Stubits,2001-02-20 What You Gonna Do When You Get There is a story of teenage angst or as the old folks say growing pains It is a tale of five friends sitting in an airport laughing about all the drama they went through from Elementary School until now leaving home for There There is graduation from high school and thusly the gateway to the freedom of adulthood away from the rule of parents Bradford is your typical suburban city divided by class and color somewhat however united in their quest to raise a generation that respects the diversity that makes many one Thurgood Marshall High School is the epicenter wielding the force that binds the spoiled princess the sidekick the cliques the geeks the underclassmen and of course the jocks If you are already there you will be reminded of back in the day when you weren t You will probably laugh aloud nod your head say Amen and thank God you made it If you cry let that tear be reflective of times shared with a best friend or family member who helped to mold you into the person you are now Now for you the youth of today this book will help you to understand that parents do understand As you read this book may you draw from the relationships of these characters the appreciation of self friends and family Know that you are not alone in the challenges life throws at you In the Old School we had Ace Boons in the New School you have BFF s Remember Psalms 23 and may God Bless David Vencil

**Queen of Camelot** Nancy McKenzie,2002-04-09 Return to a time of legend the days of Guinevere and Arthur and the glory that was to become Camelot On the night of Guinevere s birth a wise woman declares a prophecy of doom for the child She will be gwenhwyfar the white shadow destined to betray her king and be herself betrayed Years pass and Guinevere becomes a great beauty riding free across Northern Wales on her beloved horse She is entranced by the tales of the valorous Arthur a courageous warrior who seems to Guinevere no mere man but a legend Then she finds herself betrothed to that same famous king a hero who commands her willing devotion Just as his knights and all his subjects she falls under Arthur s spell At the side of King Arthur Guinevere reigns strong and true Yet she soon learns how the dark prophecy will reveal itself She is unable to conceive Arthur s only true heir is Mordred offspring of a cursed encounter with the witch Morgause Now Guinevere must make a fateful choice She decides to raise Mordred teaching him to be a ruler and to honor Camelot She will love him like a mother Mordred will be her greatest joy and the key to her ultimate downfall Guinevere comes alive a strong resourceful and compassionate woman accessible to modern folk The Arthur Guinevere Lancelot triangle comes alive as well believable poignant and bearing the seeds of tragedy Katherine Kurtz **Collier's** ,1906 **Travel Magazine** ,1907

**Love Sketches** David Appleby,2011-03-24 Love Sketches explores the sensuality of romance and the varieties and vagaries of love Former colleagues almost lovers meet to discuss literature only to discover a yearning that rekindles their lost romance teenagers infused with the early flowering of romance struggle to maintain that romance against all odds a young romantic learns a tragic lesson of love and redemption all too soon an elderly professor devises a plan for one last try at romance and amid an atmosphere rich in romance and sensuality two close friends reunite to reveal deep feelings theyve held for one another feelings which went unnourished for those years they had convinced one another they were just friends Book Review The fourteen stories in this collection bring us up close and personal with the many faces of love These are more than sketches these stories cover love s waterfront The characters are ordinary innocent worldly and they are stopped short when they re tripped up by and succumb to love The settings are varied run down apartment buildings city offices motel rooms sleekly designed suburban homes but the message is the same regardless of age or class or means love is acutely and intensely felt There is romance but these are not simple romantic stories The characters are complex their lives are often adverse and conflicted filled with guilt anxiety and crises of conscience and there are no easy answers and few resolutions The reader is sometimes forced to think beyond stereotypes of age and class we are often surprised by the turn of events by sudden acts of tenderness But the charge of love is everywhere and the sensuality and sensuousness of the language is what stands out There is a grace and lightness in the writing where a look a touch a sigh a gesture between

lovers allows the reader to be party to the ache and intimacy of the characters Much is gleaned in these small gestures and much is left unsaid Nature too plays a part lovers walk through city parks shelter under an umbrella in a rain shower gaze out at lush trees through a huge glass window The stories are suffused with longing and in some an air of melancholy pervades In Close Friends two friends almost lovers once meet again and realise that love has held up after many years In Claire a lonely wife prepares for a rendezvous with a man she doesn't even like in her desperate need for connection This dirty realist story is played out against a backdrop of strip malls and dollar shops but it is Claire's inner dialogue and longing for union with her husband that leaves the greatest impression In Bus Trip and The Graveyard of Romance the sparse conversations and the minutiae of the daily lives of married couples are closely observed and despite a lifetime of shared experiences and much compassion there is a palpable loneliness at the heart of these relationships The Dance of Romance is a witty poignant glimpse of a 70 year Eng Lit professor as he comes to terms with the loss of his attractiveness to girls and women What I wanted was one last chance to push the pause button In the perfectly paced story A Long Romance Dalton a rich middle class forty something year old is captivated by Joleen a young office girl The reader is prepared to suspect his motives but for a while it is Joleen we mistrust Their unlikely love is conveyed skilfully though Joleen's unique voice with her Southern dialect and colloquialisms and her utter honesty and when the tears come they are killer tears There is nothing precious or sentimental here but it is achingly moving I can't believe somebody like you could happen to somebody like me The lovers in this collection are young old rich and poor angry and vulnerable love has indeed many faces There are some happy endings but most of the characters are left to their uncertain lives in sto
