**A Voyage For Madmen** Peter Nichols,2009-10-13 An extraordinary story of bravery and insanity on the high seas One of the most gripping sea stories I have ever read Sebastian Junger author of *The Perfect Storm* In the tradition of *Into Thin Air* and *The Perfect Storm* comes a breathtaking oceanic adventure about an obsessive desire to test the limits of human endurance In 1968 nine sailors set off on the most daring race ever held and never before completed to single handedly circumnavigate the globe nonstop Ten months later only one of the nine men would cross the finish line and earn fame wealth and glory For the others the reward was madness failure and death Gorgeously written and meticulously researched by author Peter Nichols this extraordinary book chronicles the contest of the individual against the sea waged at a time before cell phones satellite dishes and electronic positioning systems *A Voyage for Madmen* is a tale of sailors driven by their own dreams and demons of horrific storms and of those riveting moments when a decision means the difference between life and death
