Sea View Hotel:

Sea View Hotel Sea View Hotel (Rye Beach, N.H.),1920* Summer by the Seaside Bryant Franklin Tolles,2008 A sweeping richly illustrated architectural study of the large historic New England coastal resort hotels **Traveling the Shore of the Spanish Sea** Geoff Winningham,2010-02-15 In a work of sweeping breadth and beauty Geoff Winningham has created a profusely illustrated contemplative travel journal that showcases his talent as both a photographer and a writer and reveals his affection and respect for the two countries he calls home In 2003 photographer Geoff Winningham saw for the first time both the southern coast of Veracruz with its volcanoes rain forests and steep mountains and the Texas coast near High Island where the land seems to stretch endlessly covered by a sea of salt grass He decided that these two visually striking areas could be the beginning and end points of a photographic study that would also engage the two cultures in which he had lived for twenty years the U S and Mexico Now seven years and more than a hundred trips later Traveling the Shore of the Spanish Sea The Gulf Coast of Texas and Mexico is the result In this beautifully illustrated and engagingly written book Winningham also considers the role that the Gulf of Mexico played in the discovery and exploration of the New World Winningham s journey begins east of High Island in Port Arthur where the images suggest a cautionary tale relating to the oil industry and the land It ends twelve hundred miles down the coast at the end of an old stone road in tropical terrain of almost indescribable beauty overlooking the sea In between more than two hundred photographs include natural landscapes ranging from unspoiled to completely despoiled roadside architecture and signage and images of people Winningham met As he attempts to come to terms with the disturbing changes he witnessed to the coastal environment the book also contains elements of a poignant personal lament for what is being lost Traveling the Shore of the Spanish Sea The Gulf Coast of Texas and Mexico will delight and enchant readers with its deeply felt personal narrative and the power and beauty of its images
