Sara was beautiful secretive and haunted Matt Seton was both intrigued and annoyed by his unexpected houseguest She wouldn't tell him where she was from but he could tell she was running from something Common sense warned Matt not to get involved but then a newspaper article revealed that Sara was in fact the wife of a rich man and missing feared kidnapped Matt knew he couldn't abandon Sara she needed his protection And as the atmosphere became erotically charged between them Matt also realized that though he mustn't touch Sara he couldn't let her go *American House Now* Susan Doubilet,Daralice Donkervoet Boles,2002 The houses in this volume share a common point of origin all draw upon the established principles of American Modernism At the same time they differ markedly from one another and in so doing demonstrate the diversity implicit in that style At one end of the spectrum are the cerebral unviolated sculptural forms of Richard Meier's Grotta House at the other end is the rugged expressionism of Eric Owen Moss's Lawson Western House The collection represents both established American architects such as Meier and John Lautner such internationally known contemporaries as Stephen Holt Mark Mack and Arquitectonica and newcomers Carlos Zapata and UKZ BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *The American Contractor* ,1915

ranging from unspoiled to completely despoiled roadside architecture and signage and images of people Winningham met As he attempts to come to terms with the disturbing changes he witnessed to the coastal environment the book also contains elements of a poignant personal lament for what is being lost Traveling the Shore of the Spanish Sea The Gulf Coast of Texas and Mexico will delight and enchant readers with its deeply felt personal narrative and the power and beauty of its images
