Who Was Who in Egyptology Morris L. Bierbrier, 2021-12-31 The civilization of ancient Egypt has been a source of fascination for explorers and scholars for centuries and has occupied a special place in the imagination of the public ever since early travellers descriptions and illustrations of the strange culture of temples tombs and hieroglyphs began to circulate around the world The story of Egyptology from a hobby for the educated and wealthy to a highly formalized academic discipline provides the key to understanding how and why we know what we know about ancient Egypt This biographical dictionary tells the stories of the most important contributors and will be an indispensable reference tool for scholars and enthusiasts alike Who Was Who in Egyptology remains one of the most important reference works for understanding the characters that contributed to the field of Egyptology and Egyptian archaeology from the Napoleonic invasion of Egypt through to the present day The fifth edition bring entries up to 2019 and is expected to be the last volume produced in print

Jesus after the Crucifixion Graham Simmans, 2007-02-21 Suggests that Jesus survived the crucifixion went to Egypt then settled in France Reveals new discoveries that show the beginnings of Christianity in Egypt Presents historical and archaeological research that proves a connection between Jerusalem Egypt and Rennes le Chateau in the south of France Posits Rennes le Chateau as the actual location of Jesus Christ s tomb and that writings by him will be found there Jesus did not die on the cross He survived and went to southern France with his wife Mary This possibility is proposed by Graham Simmans who spent many years on a quest to find the real beginnings of Christianity Simmans believes that the spread of Christianity beyond Jerusalem was tied to Jesus s survival of the crucifixion and his subsequent emigration to Europe Using Coptic and Jewish sources including the Talmud that allow a glimpse of the Christian philosophy espoused by Jesus he contends that true Christianity was brought into France Britain and Spain from first century Egypt and Judea not fourth and fifth century Rome His investigation shows that after a time in Egypt Jesus settled in Rennes le Chateau a sophisticated and cosmopolitan center of spiritual diversity It was a natural move for Jesus to settle in the Narbonne area of France an area already heavily settled by Jewish and Gnostic groups Here safely outside the reach of the cultural dictatorship of the Roman Church the Gnostic secrets he taught survived the centuries Later the Knights Templar centered their activity

in the Languedoc region around Rennes le Chateau where within the Jewish communities a well connected and influential opposition to Rome already existed This resistance to Rome gave rise to a religious culture that included elements of Gnostic Pythagorean and Kabbalistic teachings Until the Crusades against the Cathar heretics reasserted the dominion of Rome the culture that flourished around Rennes le Chateau embodied the true essence of Christ's message
