Search For The Santa Maria:

In Search of Hiroshi Gene,2011-12-20 In Search of Hiroshi is in many ways a familiar American story the odyssey of a young man torn from his cultural roots in search of an identity What makes it unique however is that the journey delves into the psychic aftermath of one of the darker chapters of American history the World War II internment of Japanese Americans Gene Oishi the son of Japanese immigrants spent three years of his childhood confined to camps in the desert wilderness of Arizona But In Search of Hiroshi is more than a profile of lingering psychic damage It is an intense and compelling story of dark fears and quiet courage of despair giving way to hope and love In searching for himself and his roots both as an American and a Japanese Gene Oishi shatters the glossy image of the Japanese Americans as a well adjusted and contented model minority But In Search of Hiroshi is not only a Japanese American story it is also about America and the American experience seen from a different and often surprising perspective

The Search for the Santa María John Frye,1973 Records the search for the remains of the shipwrecked Santa Maria which brought Columbus to the New World and discusses the historical and archaeological implications of this search

Compendium of Research Reports ,1979 **New Serial Titles** ,1990 The Expendables: The Rings of Tantalus Edmund Cooper,2011-09-29

First they went to Kratos and faced the Deathworms Then they went on to Tantalus and tried to fathom the Rings which could only have been fabricated with the help of highly sophisticated machinery And then they discover an alien spaceship orbiting the planet in strict silence and incommunicability When they finally boarded the vessel it was obvious that it had been derelict

for centuries as a result of some dreadful battle Meanwhile down below the enigmatic Rings lay waiting to deal with intruders as they did the deadly vampire tree Once again Commander James Conrad and his team of Expendables faced their mission to find planets suitable for colonization The second of a new series of books The Rings of Tantalus seems guaranteed to further launch Richard Avery as a very special writer of modern science fiction novels And there are more to come The Real America in Romance ... Edwin Markham,1914 **Baja Legends** Greg Niemann,2002 The author of Baja Fever shares his extensive knowledge of the peninsula its colorful past and booming present in this fascinating reference book History lore and amazing stories make it a must have for Bajaphiles as well as armchair travelers Journey Of The Adopted Self Betty Jean Lifton,2008-08-04 Betty Jean Lifton whose Lost and Found has become a bible to adoptees and to those who would understand the adoption experience explores further the inner world of the adopted person She breaks new ground as she traces the adopted child s lifelong struggle to form an authentic sense of self And she shows how both the symbolic and the literal search for roots becomes a crucial part of the journey toward wholeness "A" chronological history of the voyages and discoveries in the South sea or Pacific Ocean James Burney,1806 **See Something, Say Something.** David Kelch,Linda K. Brown,2023-03-06 As a child we all remember back in school when the sheriffs came to our class and spoke to us about the importance of telling the truth how their job was to protect the community from criminals of all types they instilled in us to always report a crime when you witness one Even the vehicles they drove proclaimed to protect and serve We believed in and instilled those values in our children When I grew up I experienced quite the opposite of what I was taught which was if you speak out against law enforcement that is involved in corruption you will suffer irreparable consequences This autobiography tells the truth about what happened when we did the right thing that we believed was our duty by calling out corruption in local law enforcement and the irreparable repercussions we suffered at the hands of the very people who were supposed to protect us These past years I have prayed for the strength to forgive those who trespassed against us but as the years went on those involved continued with their lives receiving promotions pay raises buying new homes and obtaining new jobs they in a nutshell went on with their daily lives as if it was just another day With no thought to the ruins they had left our lives in For us there would be no new home no job and no raise there would be nothing but trying desperately to put our lives back together And the realization that those illegal acts we saw Maybe we should have never done the right thing and turned a blind eye then we might have been left alone Instead in the end doing the right thing costs us everything **In Search of Madness** Brendan Kelly,2022-04-14 Who is Mad Who is Not And Who Decides In this fascinating new exploration of mental illness Professor Brendan Kelly examines madness in history and how we have responded to it over the centuries We travel from the psychiatric institutions of modern India to scientific studies of the brain in Victorian England We discover the beginnings of formal asylum care and witness the experimental therapies of the cavernous psychiatric hospitals of the nineteenth and early twentieth centuries in Ireland England Belgium Italy Germany
