Kornbluth, Frederik Pohl, 2020-02-26 Halsey's Planet is in decline and when a generation ship arrives having failed to contact six other planets Ross is sent to discover the state of the interstellar colonies He is given a ship which can make the trip from colony to colony almost instantaneously The technology used in the ship has been kept secret because it could give rise to interstellar war if one colony decided to conquer others However the isolated populations are also affected by genetic drift resulting in a decline in their societies Search the Sky Frederik Pohl, Cyril M.

Kornbluth, 1979 *Search the Sky* Frederik Pohl, C. M. Kornbluth, 1990-06 **Searching for Sky** Jillian Cantor, 2014-05-13 Sky and River have always lived on Island the only world they've ever known Until the day River spots a boat Across Ocean in a place called California Sky is separated from River and forced to live with a grandmother she's just met Here the rules for survival are different People rely on strange things like cars and cell phones They keep secrets from one another And without River nothing makes sense Sky yearns for her old life where she was strong and capable not lost and confused She must find River so they can return to Island but the truth behind how they ended up there in the first place will come as the biggest shock of all

Search the Sky Frederik Pohl, C. M. Kornbluth, 2023-08-05T15:02:41Z After noticing that interstellar spaceships are bypassing their destination planets because they're not able to contact the inhabitants on arrival a man is sent out to investigate what is happening to humanity Traveling faster than light he visits several worlds in his attempt to find the answer including a world where age determines rank a world where women are dominant and men are jailed for life for even suggesting the genders should be equal a world where everyone has converted to a cult dedicated to the world's original settler and Earth itself Originally published in 1954 *Search the Sky* is the second collaboration between Frederik Pohl and C M Kornbluth The story is a satirical cautionary tale exaggerating trends the authors saw in our own world The pair would ultimately publish six novels and several short stories before Kornbluth's death in 1958 Contemporary critics gave the book a positive reception though they generally found the pair's first collaboration *The Space Merchants* to be the stronger book *Search the Sky* was reprinted in 1977 at which point Spider Robinson writing in *Galaxy* magazine in September 1977

credited Pohl and Kornbluth with inspiring an explosion of satirical science fiction adding that Pohl and Kornbluth didn't invent the notion of extrapolating beyond the point of absurdity but they gave it a quantum jump in sophistication in relevance hooked it into an enormously more subtle social consciousness and gave it a bite like an angry chainsaw This book is part of the Standard Ebooks project which produces free public domain ebooks *Searching for Extraterrestrial*
